WHAT'S THE USE OF BEING DISAP-POINTED *

When you buy drug store goods of us, take them home and find that you wanted something, come right back and explain to us, and we will gladly exchange for whatever you may desire. We want all our customers to feel that our store is conducted to supply them with what they want to buy-not what we may want to sell. Tell your neighbors what a good drug store this is. In so doing you will do us a very great favor and one that will be gratefully appreciated.

Died at Bedford.

L. P. McCleery, of Prescottville, who was one of the supervisors of Winslow township five years, died at Bedford. Pa., at 10.30 p. m. August 27th, 1902, from heart trouble. Interment took place at Bedford Saturday. Mr. Mc-Cleery had been suffering with asthme and heart trouble for several years, but was much worse than usual this summer and on 4th of last month went to Bedford in hopes the change would do him good, as it had at other times, but this was his last trip.

Philip McCleery was born at Bedford July 9, 1855, making him 47 years old last July. He moved to Prescottville 14 years age and followed coal mining until elected supervisor of Winslow township. The deceased is survived by a wife and eight children, the oldest is 14 years old and the youngest 2 years. The widow has the sympathy of her many friends. Mrs. McCleery was at her husband's bedside when he died. Mrs. John L. Foster took the two oldest children to Bedford Friday to attend

their father's funeral. As the road taxes have been worked out for this year and there is still one supervisor in the township, it is not likely that the court will appoint a supto fill the vacancy caused by Mr. McCleery's death.

As pretty home wedding as has taken place in Reynoldsville for sometime occurred at the residence of Mr. and Mrs. David T. The guesta assembled in parlor, hall and dining room and promptly at the appointed hour, while Miss Amy Reno played Mendelssohn wedding march on piano, the groomsman and bridesmald marched into parlor, followed by-Mr. Jennings wedding and while the guests were and Miss Evans. The wedding ceremony was performed by Rev. Perry A. prepared for the "inner man," a cornet Reno, pastor of the Methodist Episcopal church, in the presence of 75 invited guests. It was a ring ceremony, short but impressive. After congratulations and good wishes a fine wedding dinner was served.

Will W. Wiley, proprietor of City Hotel, was groomsman, and Miss Clara R. McClarron was bridesmaid. The bride and bridesmaid were both dressed in whith organde.

The bride and groom are well known, well liked and highly esteemed young people of Reynoldsville and their friends are numerous. Mr. Jennings is an engineer on the R. & F. C. R'y. The wedding presents were valuable, useful and very pretty, consisting of a quartered oak sideboard, four rocking chairs, set china dishes, &c.

The whole affair was exceedingly well managed and passed off as nicely as any person could hope for. The Keystone band was on hand soon after the nuptial knot was tied and played four or five fine selections.

Mr. and Mrs. Jennings went to housekeeping Thursday in rooms in the Noinn block. THE STAR joins their egion of friends in wishing them unlimited joy and happiness as they journey through life.

The 12th annual convention of the lefferson County Christian Endeavor Union was held in the Reynoldsville Presbyterian church on Wednesday and Thursday of last week. After the devotional exercises Wednesday evening Rev. Frank Granstaff, D.D., of Marion, Ohio, delivered a very able and eloquent address on "The Coming Kingdom." After the formal dismissal a pleasant social was held in the chapel. Jee cream and cake were served.

The Thursday morning program be gan with "Quiet Hour" exercises con

There is not quite enough ground cleared yet for as large a picule as was held there Labor Day, but T. J. Newcome, the accommodating proprietor of the park informed the scribe that by next year the grounds will be greatly improved. It will then be a delightful resort. Besides clearing off more ground, Mr. Newcome Intends building a twenty foot addition to the pavilion, build an ice cream parlor and make other improvements. He intends changing the heating system so that parties can be held in the pavilion during the winter. Mr. Newcome proposes to keep up a good reputation for the park at all times and will not tolerate any rowdvism there.

MERCHANTS' PICNIC AT WISHAW,

Large Crowd Attended Fine Day-Everybody Had a Good Time.

The first pienle of the merchants of Reynoldsville was held in Wishaw Park on Monday of this week-Labor Day. Between three and four hundred people attended the pienic and everybody apparently had a good time. A train, composed of engine, baggage car and two coaches, with engineer W. H. Lucas and conductor Ira S. Smith, in charge, was run over the R. & F. C. R'y from Reynoldsville to Wishaw to ac commmodate the picnicers. The train had to make two trips to take the people to Wishaw and two trips to ring them home. Besides those who went on train a large number drove to Wishaw, which is about five miles from Reynoldsville. It was a delightful day for a pienic, not too warm, just warm enough. The threatening rain in afternoon worried some of the people a little, but not enough to spoil their pleasure. The Keystone band accompanied the picnicers.

"Uncle" Ed. D. Seeley and O. F. Smith, two old-time violinists who play a few up-to-date tunes, had their violins with them and while they manipulated the bow Mrs. F. P. Miller played the organ and some of those who enjoy the mazy dance glided over the well waxed floor of pavilion.

PICNIC NOTES.

There were a lot of sore merchants n town yesterday.

William Copping made the only tump speech in the park Monday. Reynoldsville and Eleanora Gun

Clubs had a shoot in the afternoon G. Bohren and Mrs. Hanau gave the young people a few pointers on the old ime dance.

There are no delicate merchants in Reynoldsville when it comes to eating plenic dinner. There was such an abundance of good

things to eat that "Uncle" Ed Seeley

lamented because his capacity was not

larger. A game of base ball was played beween Reynoldsville and Wishaw, but on account of the lateness of the hour the game was stopped at end of fifth inning, with Reynoldsville in the lead

on scores.

John Wagner was shooting mark with some of the boys and six times he shot at the mark and failed to hit it. It was afterward learned that the other fellows had given John blank cartridges each time.

A picked-up, go-as-you please game of ball was played in the afternoon with S. S. Robinson as umpire. Ward Eason did some of the work in the box, and while Ward's brother is a professional pitcher it don't follow that Ward is

an artist in that line. Some bad boys stole Will H. Bell's basket and carried it away in the woods, ate the good things Mrs. Bell had packed in basket and then broke a fine dish and threw the silverware around promiseuously. The basket and silverware were found in the afternoon by one of the picnicers who was strolling

through the woods. The South and North Main streeters had a five inning contest on the diamond in the forenoon, which resulted in score of 8-3 in favor of the southsiders. Walter D. Williams and Fred Butler performed the artistic work for the southside and Jarvis Williams and ames Butler were battery for northside. Some of the plays executed would have staggered professional side.
