## THE NEWS OF NEARBY TOWNS.

Reported by The Star's Special Correspondents.

### Wishaw.

The streets in our town are in very bad condition at present.

Candidates for county offices were seen on our streets last week.

There will be a dance held at the pavilion next Thursday evening.

W. P. Miller attended lodge of I. O. O. F. at Desire last Saturday night.

Miss Edith Kuntz was numbered among the sick during the first part of last week.

Will some one kindly inform us why the K. G. E. was not organized in our town? George.

Messrs Alex Dickey and W. P. Miller made a business trip to Reynoldsville on Saturday.

Wm. Hollenbaugh sold his property on East Main street to Albert Hollenbaugh, of Panie.

Our new mines at this place have encountered considerable bad luck in starting up, as the new dynamo and

engine gave way and the result was that the new motors are not being used as soon as expected.

The pic social held in the pavilion on Tuesday night, for benefit of the schools, was a grand success.

The dance which was held at the pavilion on Saturday night was not a decided success on account of the bad weather.

"Bob" Kelley, one of our enterprising young men, was sworn in as assistant postmaster at this place. Congratulations, Bob.

There was school in room No. 3 on Saturday on account of the teacher, Miss Edith Kuntz, having lost time on account of sickness.

J. V. Young, the contractor and builder, is progressing slowly on the company houses on account of not being able to secure material.

Meade North, of DuBois, who has been doing considerable drilling in our town of late, has moved his drilling machine to Yatesboro.

The night school under the direction of Prof. Miller, our principal, is progressing nicely. Come boys and girls and help a good thing along.

An unknown Italian died on Hill street last Wednesday. The writer has been unable to learn the name and cause of death of the person.

Samuel Shankel, of East Main st., is now prepared to meet the demand of the public in the line of general merchandise, as he has his full stock of goods on hand.

Some people seem to think that it would pay some other people of our town to hire a herder to keep their cattle within reasonable bounds, as the policy of allowing them to run at large is an expensive one.

Our schools have finished the first month of school and the writer wishes to say that it has been successful, but we could expect nothing else from our efficient corps of teachers.

**Emerickville.**

Verner Keys, of Pittsburg, spent Sunday with his parents, J. R. Keys and wife.

Samuel Fike and wife, of Knoxdale, spent Sunday at the home of Mr. and Mrs. David Dinger.

Our lumber merchant, W. W. Fales, is doing a rushing business at Iowa station on P. R. R.

Welder, of Big Run, visited their parents, Mr. and Mrs. Wm. Moore, in this place Saturday.

Rev. M. V. S. Gold, Baptist preacher at this place, was at West Liberty part of last week assisting Rev. J. Dean in the meetings at that place.

A local institute will be held in M. E. church at this place next Sunday. A very interesting program has been prepared and a good meeting is anticipated.

A corps of surveyors have been doing a lot of work just below town for the Goodyear Company the past two weeks, and it is said by those who are in a position to know, that there will be a

shaft put down as soon as arrangements can be made. This is good news to our people, as it will give work to a large number of men, and perhaps our men, who are too patriotic to suit the bosses at some of the nearby mines, can get work there.

Mr. Hulbert, of Pittsburg, one of the engineers who are surveying near town, made an interesting and appropriate address to the Baptist Sunday school last Sunday. Mr. Hulbert is a fine, pleasant talker and his remarks were pleasing to listen to.

### His Life in Peril

"I just seemed to have gone all to pieces," writes Alfred Bee, of Welfare, Tex., "billions and lame back had made life a burden. I couldn't eat or sleep and felt almost too worn out to work when I began to use Electric Bitters, but they worked wonders. Now I sleep like a top, can eat anything, have gained in strength and enjoy hard work." They give vigorous health and new life to weak, sickly, run-down people. Try them. Only 50c at H. Alex Stokes' drug store.

### Special Low Rates to Exposition

For the Pittsburg Exposition the Buffalo, Rochester & Pittsburg Railway will sell excursion tickets from points on its line, Falls Creek to Fenelon inclusive, to Pittsburg on Wednesday of each week commencing Sept. 10th and continuing until October 15th inclusive, at a single fare for the round trip, plus 25 cents for coupon of admission. Tickets good for return passage until Saturday following date of sale.

### Out of Death's Jaws.

"When death seemed very near from a severe stomach and liver trouble, that I had suffered with for years," writes P. Muse, Durham, N. C., "Dr. King's New Life Pills saved my life and gave me perfect health." Best pills on earth and only 25c at H. Alex Stokes' drug store.

Friday, Oct. 17th the "Grab Sale" at Stoke's.

### 1.50 PER GALLON

A pretty steep price for linseed oil, but that's the figure you pay when you buy a thin, ready-mixed paint, for its nearly all oil. Don't jump to the other extreme and buy a paste paint full of barytes. Let us talk to you about the L. & M. semi-paste, which takes a gallon of oil to a gallon of the paint, and is better and cheaper than the white lead.

Sole Agents, Reynoldsville, Pa.

There's a much heat in a ton of \$2.00 soft coal as in a ton of \$3.00 hard coal. Most stores let half that arise in gas go up the chimney.

### Cole's Original HOT BLAST STOVES

burn that gas. That's why they do twice the service of the common kind.

Patent features, which are not found on any other stove, make it possible to get all the heat in the coal. These patents combine to make COLE'S HOT BLAST the most economical heater ever made.

## "CLOTHCRAFT" CLOTHES

The name "CLOTHCRAFT" has become famous because of the quality of the clothes that bear it.

The Goldsmith, Joseph, Feiss Company of Cleveland, Ohio, makers of "CLOTHCRAFT" Clothes, have shown that high grade tailoring and low prices can go hand in hand.

They have demonstrated that all wool clothes can be made up to sell for the same money as garments that are not all wool.

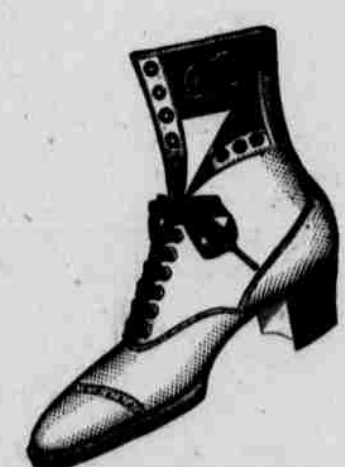

"CLOTHCRAFT" suits and overcoats in the latest and most correct styles can be had here for \$10.00 and upward.

With every suit and every overcoat sold goes the makers' guarantee of all wool and our own guarantee on top of that.

Come in and see them, and get the handsome fall style book of "CLOTHCRAFT" Clothes free. Ask for one.

## The Flexibility of a Dorothy Dodd

### Concerning Shoes

With every step the sole of your shoe must bend. The proper place for it to bend is at the "ball" of the foot—never at the instep.

To make it bend at the "ball" two things are necessary:—the sole must be extremely flexible while the shank or arch must be extremely rigid.

Most shoes bend at the shank, thus losing their shapeliness and tiring the weak arch of the foot. This is what makes walking for women so fatiguing.

The "Dorothy Dodd" shoe has a shank that supports the weak arch firmly. It will not bend. The method of sewing the shank is different from the ordinary. It is sewn through and through—making a strong, firm shank that cannot be obtained any other way. It has a sole that is extremely flexible and will bend. Every step in such a shoe is a delight. They cost \$3.00.

You have a chance at that \$1,000 or first prize. It's easy. Ask us for particulars.
