"The fastest selling article I have in my store," writes druggist C. T. Smith, of Davis, Ky., "is Dr. King's New Discovery for Consumption, Coughs and Colds, because it always cures. In my six years of sales it has never failed. I have known it to save sufferers from Throat and Lung diseases, who could get no help from doctors, or any other remedy." Mothers rely on it, best physicians prescribe it, and H. Alex. Stoke guarantees satisfaction or refund price. Trial bottles free. Regular size, 50c and \$1.

Up All Night.

This getting up every night with the baby, or some of the older children, is all wrong.

Not that the children are to blame. If he's the baby, probably his food is wrong. Vinol will help his mother stand the strain of nursing.

We have often seen whole families of older children who keep the parents awake o' nights. First one, then the other is ailing.

These children seem well enough at times; but they are white, hollow-eyed, often listless, with irregular appetites, peevish and fretful, wakeful at night and constantly taking cold.

The use of Vinol, in conjunction with Vinlax to regulate the bowels, will benefit these children almost in a day.

There is nothing in Vinol that can hurt them. It is pleasant to take. If it doesn't do the work, we will give you the money back.

Mail orders supplied, \$1.00 per bottle, express paid.
