Mrs. Dr. Rumberger Injured.
Mrs. C. C. Rumberger, of Emmlenton, wife of Rev. Rumberger, a former pastor of the M. E. church of this place, was injured on Thursday evening of last week by the overturning of a buggy in which she was riding. Rev. and Mrs. Rumberger were driving along the river road between Foxburg and Emmlenton, and when near the bridge at the latter place and at a narrow place in the road, another vehicle was met. The Dr. got out of the buggy to see about passing the other rig in the darkness, when his horse backed the buggy in which Mrs. Rumberger was seated over the river bank. She was thrown out and considerably bruised and shaken up, but fortunately not seriously injured.—East Brady Review.

Shot-Gun Prescriptions.

We suppose we are not revealing any trade secret when we say that many medicines are made up on the principle of the so-called "shot-gun prescriptions," which were formerly somewhat in vogue. The idea of the shot-gun prescription was to put in a large number of different drugs, each useful for different purposes, in the hope that some of them might hit the case. Vinol, the medicine we sell over our name and guarantee, is not a scattering "shot-gun prescription," but goes straight to the mark. It is the best thing we know for a run-down condition, for a listless feeling, nerve troubles, for lung troubles—in fact, it is a safe, pleasant, reliable tonic and reconstructer. It has cured so many people right here in town we offer money back if it fails to benefit.
