A large number of Reynoldsville hunters are meandering through the woods these days. Some of them get game and some of them come home with an empty game bag.

The interior of the Spirit office having been newly papered and painted, is now a wholesome looking place.—Punxsutawney Spirit. What next? The interior of a printing office painted and papered. Think of it! Pride, pride! Just because the editor of the Spirit has been elected to Congress.

The Buffalo & Susquehanna engineer corps has opened an office in the Commercial Hotel at Driftwood and have begun work on the survey for the extension of that railroad. The work of grading will also begin at once. The line at Slinemahoning will cross the P. & E. tracks just below the station.—DuBois Herald.

Robert J. Thomas, the tonsorial artist who has been hunting deer in Elk county since first of the month, but comes home Friday evenings to work in his barbershop on Saturdays, brought part of a deer home with him last Friday. Dennis Burgoon killed the deer. Harry Mogle returned to camp with Mr. Thomas Monday morning.

It was the unanimous verdict of those who witnessed the presentation of "Down and Up" in the Casino opera house last evening that the show is a good one. It is uproariously funny, and the numerous mirth provoking situations were greatly appreciated. A return date will be played in two weeks, Pittsfield (Mass.) Eagle. At Reynolds opera house November 17.

At the monthly meeting of the Woman's Foreign Missionary Society held at residence of Mrs. Clara M. Shick last Thursday, the following officers were elected for ensuing year: President, Mrs. M. E. Beck; Vice-President, Mrs. S. S. Robinson; Corresponding Secretary, Mrs. J. C. McEntire; Recording Secretary, Mrs. Perry A. Reno; Treasurer, Mrs. C. A. Stephenson.

It was expected, and is yet, that Hopkins mill would finish sawing all the logs in the dam this year and that will end the work at the big mill, but unless the cold weather holds off until late in December the work will not be completed this season. There are enough floating logs to keep the mill running three weeks and there are a large number of sunken logs that are to be raised and sawed.

Last Friday morning Rev. W. F. Reber, of the Presbyterian church, conducted the devotional exercises for the public schools and delivered an address on Symmetrical Education. The speaker emphasized the great importance of a well rounded education. The body as well as the mind needs to be developed in order to attain the greatest degree of efficiency along educational lines. Then, too, all the departments of the mind ought to be exercised so that the training may not be one-sided. True and symmetrical education means the exercise of all the powers which have been bestowed upon us. The address was full of instruction and practical suggestions.

Assessor Appointed.

On Monday of this week the county commissioners appointed Ex-Postmaster E. T. McGaw assessor of Reynoldsville borough to fill the unexpired term of Ninian Cooper, who resigned.

Killed in Mine.

An Italian was killed in the mines at Wishaw Monday by falling in front of a trip of coal cars. He was riding on the motor and fell off. His body was brought to this place yesterday and was buried in the Catholic cemetery.

Football To-Day.

The Punxsutawney foot ball team and the "Indians" of this place will play a game of football on the Reynoldsville grounds this afternoon. The Reynoldsville line-up will be about the same as at Johnsonburg, which is published elsewhere in this issue.

Vote Cast in Jefferson County.

This week we give our readers a tabulated official return of vote cast in Jefferson county at the general election held November 4, 1902. It is given as a supplement, which makes it convenient for those who want to keep the vote for reference at the next election.

Fell Off Housetop.

Charles Holbig, 15-year-old son of Gust Holbig, of Paule, was badly injured Monday evening by falling off the roof of home of his parents. The left leg was so badly lacerated that it required thirteen long stitches to sew up the wound. His right leg was also injured.

Special Meetings.

A series of special meetings are being held in the Presbyterian church at this place. Rev. J. Vernon Bell, of DuBois, will preach every evening this week, except Saturday evening, and Rev. E. L. Melville, of Kilmington, will preach every evening next week except Saturday evening.

Two Entertainments Booked.

The Young Men's Reading Association have two numbers booked for their lecture course this winter, Howe's Moving Picture Show Thursday evening, December 11, and Dr. Russell Conwell on Monday evening, December 15. Both of these entertainments will be held in Assembly hall. Full particulars later.

Will Soon Lay Track.

G. W. Kipp, superintendent of the Traction Company trolley line, was in town Monday and he informed a representative of THE STAR that he expects to put two crews at work in a couple of days laying rails. One crew will begin in this borough and the other crew will begin at the other end of the line. Mr. Kipp expects to have the trolley line in operation before the holidays.

Clean Main Street.

The paved part of Main street should be cleaned before cold weather sets in. The street is in a bad condition and if it is not cleaned now it will be in a horrible condition for pedestrians to cross over it when there is slush on the street. The pleasant weather may not last much longer and this matter should not be postponed. It should be attended to this week.

Drunken Man in Court.

A fellow who had imbibed too much "tangle foot" wandered into the court room at Brookville Monday afternoon and created some excitement by falling off a seat, causing some one to raise the cry that the man was dead, and he was high unto being dead—drunk. The Judge thought the man had taken a fit and that, no doubt, is why he escaped not being locked in county jail.

Rally Day.

Next Sunday will be the bible school rally day at the Baptist church. The pastor, Dr. A. J. Meek, will preach a special sermon to the children. Several of the front pews will be reserved for the school. Specially prepared music will be rendered by the choir, also two selections will be sung by the children at the morning service. In the evening the school will render a bible day program, songs, recitations, &c. A cordial invitation is extended to the public.

Clearfield's Boom.

On the eighth page of THE STAR will be found a half page advertisement of Matt Savage & Co., real estate agents of Clearfield, concerning that prosperous town, which it might be well for real estate investors to take note of. Clearfield is now taking the lead of all towns in this section in the way of securing big manufacturing plants that will employ large numbers of skilled laborers. The Clearfield Steel & Iron Co. is now putting in a plant that will employ 1,500 men.

Public School Lecture Course.

At a special meeting of the school directors last evening the lecture course to be given by the public schools of Reynoldsville was fully decided upon and Gen. Z. T. Sweeney will be the first number of the course of five events. Gen. Sweeney will be here on the evening of November 26. He is a lecturer of unquestioned ability and he ranks among the best in the lecture field. He gives entire satisfaction wherever he goes. His subject will be announced in next week's issue, as well as fuller details with reference to the lecture course.

BARN AND STOCK BURNED.

Seven Horses, Six Cows, Pigs and Chickens Perish in the Flames.

The large barn of Levi Schugers, who resides four miles west of Reynoldsville, on the Brookville road, was destroyed by fire about one o'clock Sunday morning, and all the live stock, grain and hay in the barn was consumed by the angry flames. The origin of the fire is unknown, but it is supposed to have been incendiary. When it was discovered the entire southeast corner of the barn was enveloped in flames and it was impossible to get live stock or anything else out of the barn. There were seven horses, six cows, four pigs and a number of chickens in the barn and they all perished in the flames. One of the horses belonged to Jacob Schwem. His daughter and another young lady had driven to Schugers' to spend the night and that is how Mr. Schwem's horse happened to be in the barn at time of fire. Besides the live stock there was about 75 tons of hay, 1,500 to 2,000 bushels of grain, wagons, harness, &c., in the barn which was all burned. The barn was a fine large one. Mr. Schugers' loss will amount to \$8,000 to \$9,000, with \$2,500 insurance. Mr. Schugers feels worse about the horrible death of his live stock than he does about the financial loss he suffered.

Sunday at Sykesville.

Before the riot at Sykesville a couple of months ago drunken carousals among the foreign element on Sunday was a regular occurrence, but that riot, although it almost resulted in the death of Jacob Sykes, was the ending of drunken parades on Sunday in that village and since that time, the citizens of Sykesville have been enjoying peace and quiet of a Sabbath day.

Three or four weeks ago Constable Leach gathered in seven drunken and obnoxious Italians at Rathmel, who were disturbing the peace of the Sabbath, and Squire Smith fined them eight dollar apiece and costs and since that time the citizens of Rathmel can tell when it is Sunday.

Chased Lawyer.

It was mentioned in THE STAR last week that a party of hunters from this place, among whom was Lawyer C. Mitchell, had gone to their camp in the wilds of Elk county to hunt deer, and now a story comes from camp, which was told to a representative of THE STAR as an actual fact, that a bear chased Lawyer Mitchell into camp one day last week. To hear Lawyer Mitchell before the Honorable Court and a jury sometimes a person would get the impression that he would not be afraid of a bear, but a black brin put him to flight. It would look rather amusing to see Mr. Mitchell and the bear running a race, but it was either a race or "bear hug," and the "legal light" preferred the former.

Court in Session.

Quarter session court is being held at Brookville this week with Judge John W. Reed on the bench. Arthur Klock, of Punxsutawney, was appointed foreman of the grand jury and Constable W. D. Wachob, of McCalmont township, was appointed to take charge of grand jury. The stipstaves are: George Hetrick of Pinecreek township, E. M. Davis, of Polk township, and John Schrauger.

There were about 40 cases on the docket when court opened Monday. Some of them will be long cases, murder trial, riot, &c., and it is likely that it will require all of this week to get through the criminal docket.

A Bull Pup.

Clarence M. Leird, clerk in H. W. Eason & Co.'s clothing store, sent to New York for a terrier, or some other kind of nice house dog, and the parties from whom he ordered the dog shipped him a ferocious bull pup, which, of course, Mrs. Leird would not allow to enter the house, and after keeping the dog in the store cellar a couple of days, Clarence shipped the canine back to New York. Clarence lead the dog to the public fountain once or twice to give it a drink and he carried a club with him for protection, or some other purpose.

Visiting Eagles.

Twelve members of Echo Castle, Knights of Golden Eagle, of Westville, visited Mr. Cliff Castle at this place Thursday evening, and seven of the visitors rode the "goat" in the Buzzard Degree. Luncheon was served in the hall.

Notice to Water Consumers.

On account of the continual dry weather the water supply is becoming exhausted, and we are compelled to ask our patrons not to waste any more water than is really necessary.

REYNOLDSVILLE WATER CO.

Left My Bed and Board.

My wife, Lizzie East, having left my bed and board, notice is hereby given that I will not pay any bills she may contract. THEODORE U. EAST. Reynoldsville, Pa., Nov. 4, 1902.

A WIFE SKIPS OUT.

Mrs. John Fugate Left Home Monday of Last Week and Her Relatives Have No Trace of Her.

Mrs. Jennie Fugate, wife of John Fugate, who taught school at Big Soldier, left her home Monday forenoon of last week without telling any person where she was going and her relatives have not been able to find her. Her parents, Mr. and Mrs. Wesley Motter, of Reynoldsville, are naturally very much exercised over her disappearance. Mrs. Fugate took her four-year-old son to the house of a neighbor Monday forenoon and asked the lady to keep her boy until she came back, as she had a package to deliver, which she was carrying under her arm, and would soon return, but she failed to return. Mr. Fugate reported the matter to his wife's parents Wednesday evening. On Thursday Mr. Motter went to the home of his son-in-law and after three or four hours of search and inquiry he finally secured information enough to convince him that his daughter had gone to Sykesville, and it is supposed that she got on a B. & P. train at that point. A search through the house revealed the fact that Jennie had taken some of her clothing with her. She took a gold watch, two gold rings, two pair of shoes, two dresses and several other articles.

Help a Good Cause.

Elsewhere in this issue of THE STAR will be found the announcement of a lecture and a moving picture show to be given in Assembly hall on 11th and 15th of next month under the auspices of the Young Men's Reading Association. People who do not already know, and will take the trouble to investigate, will find that the reading room has been a great benefit to a large number of young men. It has been the means of giving them a taste for good reading and also the desire to rather spend the evenings reading a good book than running up and down the streets.

For the good the reading room has already done, and what it will continue to do for the young men, our people should be willing to help keep up the reading room, and when Howe's moving pictures and Dr. Conwell appear in Assembly hall, the hall should be packed each evening, and you will not only be helping a worthy object, but will get the worth of your money each evening.

It's a Great One.

The Hickman Bros., with a superior company, will produce "Down and Up" at the Reynolds opera house Monday evening, Nov. 17.

If the old adage, "laugh and grow fat," counts for anything at all, it will be safe to predict that anyone who has the pleasure of witnessing this performance will increase in avoirdupois. From the rise of the curtain until its final fall the spirit of mirth and fun prevails, calling forth prolonged laughter. "Down and Up" is an acrobatic farce comedy constructed on a scale differing in many ways from the average farce comedy, and it is refreshing to know that the art of genuine fun making on the stage, with comedy gymnastics and humor, coupled with novel scenic effect, is not a thing of the past.

Young Man Killed.

Late Sunday night the badly mangled remains of a man were found on the Buffalo, Rochester & Pittsburgh railroad between Brookwayville and Lane's Mills, and were identified as those of John Tyne, a well known resident of Brookwayville.

It is thought that he was run down by one of the fast trains and from the mangled condition of his body it is likely that several freight trains also passed over him.

Tyne was about 22 years of age, married and the father of one child. He had lived in that vicinity for a long time and was well known, and his untimely end was a severe shock to his friends and acquaintances.—DuBois Herald.

Pastor Resigned.

Rev. Haines, who was appointed by the last session of the Erie Annual Conference to serve on Sandy Valley charge, which embraces Sandy Valley, Rathmel, Bollinger and Paradise appointments, has resigned and Rev. J. C. McEntire, of West Reynoldsville, is doing the preaching for the Methodists at the above points. The members at all the points but Paradise want Rev. McEntire to be appointed as their pastor, and the Paradise church wants to be put back into the Emerickville charge, from which it was taken to form the new charge it is now in.

Burned With Powder.

Two Polandor boys of Big Soldier were badly burned last Saturday. The lads had a powder keg with some of the explosive in it and they put fire in the keg, with above results.

Kaucher-Luburg Wedding.

From the Philadelphia Inquirer of Thursday, Nov. 6, we clip the following account of the marriage of Dr. Howard L. Kaucher, son of Mr. and Mrs. John H. Kaucher, of Reynoldsville:

"The residence of Mr. and Mrs. Albert J. Luburg, 2250 North Broad street, was the scene of a very pretty wedding at 7 o'clock last evening, when their daughter, Miss Carrie Swalm Luburg, was married to Dr. Howard Lewis Kaucher by the Rev. Dr. Richardson, rector of St. James' Church.

The bride, who was given away by her father, was attended by Miss Mabel R. Walker and Miss Amy R. Vansant as maids of honor, and Miss Laura E. Kaucher was the flower girl. Dr. Clifford L. Kaucher, brother of the bridegroom, acted as best man. The bride wore a gown of white crepe de chine, trimmed with duchess and point lace, and carried a shower bouquet of lilies of the valley. Gowns of white Paris mull over white taffeta were worn by the maids of honor, and they carried huge bouquets of pink chrysanthemums. The flower girl wore a frock of white organdie over pale blue silk, and carried lilies of the valley and ferns.

The house was decorated with white chrysanthemums, palms and ferns. A canopy of the same flowers was erected in the drawing room, under which the ceremony was performed. A reception followed, from 8 until 10 o'clock.

Upon their return from a tour South, Dr. and Mrs. Kaucher will reside in Reading."

Town Council Doings.

The town council met in regular session Tuesday, Nov. 4. President Deibie in the chair. Members present, Applegate, Cottle, Farrell, King and Deibie. Minutes of previous meetings read and approved.

On motion the council agreed to furnish 90 ft. of 6 in. sewer pipe for Deitz alley, providing Reese Williams would lay the same at his own expense.

The ordinance for sewer on Jackson street, from Sixth to Fifth street, and in Fifth street to borough line was held over.

A resolution was passed granting the Jefferson Street Railway Company the right of way for electric railway in Dietz alley, from Bradford street to Diamond alley, and in Diamond alley to Jackson street. Mr. Kipp, manager of said road, agreeing to pay \$10.00 towards expense passing said ordinance, &c.

On motion bills, interest and water rent, amounting to \$812.80 were ordered paid.

The President appointed Messrs. King, Applegate and Ferrell to arrange for a policeman from 12 noon until 12 p. m.

No further business by motion adjourned.

Game at Johnsonburg.

On Tuesday afternoon the Johnsonburg football team was defeated for the first time this season by the Reynoldsville eleven by the score of 6 to 0 on the home ground. The game was well played and fiercely contested on both sides.—Johnsonburg Breeze.

Fred Foley, left end; P. W. Cashman, left tackle; Dr. W. A. Henry, left guard; Atmore Shaffer, centre; Blythe Myers, right guard; "Dub" Sharp, right tackle; Bert Burns, right end; Fred Bohren, left half-back; "Cap" Reynolds Gibson, right half-back; A. Hanhouser, full-back.

NEW BRICK CHURCH.

The M. E. Congregation of Reynoldsville Will Build a New Church.

The trustees of the Methodist Episcopal church of Reynoldsville have decided to build a new church. Committees on plans and finance were appointed at a meeting held on Monday evening. The new church will be of brick, and probably the first story will be built of stone. The new church is to cost from \$18,000 to \$20,000.

There is one thing that cannot be gainsaid, and that is that this congregation is badly in need of a new church, and every member of the congregation should give the trustees their hearty co-operation and financial assistance in the laudable task they have undertaken. The citizens of Reynoldsville well know that a new brick church, instead of the present old frame church, will be a credit to the town and in keeping with the progressiveness of Reynoldsville, therefore, whether a member of the congregation or not, financial encouragement would not be out of place. Good schools and fine churches are a great inducement to men of capital who are looking for a location.

Victim of a Joke.

A young chap in this neck o' woods decided that he would like to take unto himself a wife, and incidentally made the fact known to several fellows who enjoy a joke. They took the matter up immediately and proceeded to look for a suitable helpmate for the would-be-benedict, and not finding a female that would carry out the joke they proposed to perpetrate, they got a smooth faced man of fair complexion to don female attire last Wednesday evening to meet the young fellow, who was informed that a "date" had been made, and who was promptly on time to meet the girl. After walking around the streets while the supposed girl got the young fellow to walk back on one of the side streets, where four or five fellows, who had been let into the secret, were sitting and at an opportune moment, when the young man was earnestly trying to persuade the girl to become his wife, the feminine-attired chap hit the young man in the face with a small sack of flour. The matrimonially inclined chap vacated that particular part of terra firma as fast as his legs could carry him. He will likely make his own "date" the next time.

Non-Resident Hunting License.

Following is a part of the game laws of Pennsylvania:

"Every non-resident of this commonwealth, unless he be an owner of real estate in said commonwealth, shall be required to take out a license from the county treasurer of the county where he proposes to shoot in this State, before he begins hunting. Each and every person not a resident of this commonwealth, not being an owner of real estate therein, shall pay a license fee of \$10.00 to the treasurer of such county, who shall thereupon issue to him a certificate, which shall authorize the owner thereof to hunt and kill in any part of this commonwealth, during the open season of the year therein specified, and under the restrictions and for the purposes allowed by the law, the game birds and the game quadrupeds found in this commonwealth."

Four or five fellows from Buffalo, N. Y., have been hunting near Fuller station this week, and the chances are 100 to 1 that they have not enriched the treasury of Jefferson county by taking out licenses.

Down and Up.

An overwhelming, stupendous, magnificent production. The very essence of capital, energy and brains. Carrying an able company of lady and gentlemen artists, elegant special scenery, wonderful mechanical devices, mysterious electrical effects. You will smile, you will laugh, you will scream. "Down and Up" is a musical and acrobatic farce comedy, constructed for laughing purposes, with nothing good left out. All old ideas sidetracked to give birth to a new and original play that will amuse the theatre going public. At Reynolds opera house November 17. Tickets on sale at Stoke's.
