RUBBER FOOTWEAR FOR ALL THE FAMILY.

Strictly First-Class Attraction.
The Lyman Howe Moving Picture Company gave an exhibition in Assembly Hall last Thursday evening under the auspices of the Young Men's Reading Association. The audience was highly pleased with the entertainment, which is strictly a first-class attraction, and if there are any persons in Reynoldsville who have never seen Howe's moving picture show they certainly have missed a rare treat, in fact it is simply a marvelous exhibition. Among some of the pictures presented was an oriental railroad train in full motion skirting along a tortuous gorge and just skimming along the great desert in Arabia. Ping pong was a humorous incident, with novel outfit. The picture represented two plasterers playing the game at noon hour with mortar board and plasterers' level for a ping pong outfit, trowels for rackets and potato for ball. The procession of the royal herd of elephants in far-away Ceylon was interesting. A fire scene was realistic and thrilling. The coronation ceremonies in Westminster Abbey were carried out without a hitch. Scene after scene, glory after glory followed each other with matchless splendor. The magic pictures presenting the marvelous acts of the great and clever magician, Robert Houdyn, the wonder worker of France, must be seen to be appreciated, in fact the entire exhibition must be seen to be appreciated.
