The Country School Marn.

An exchange says: The requirements of a country teacher are numerous. She must be a primary, intermediate, grammar grade and high school teacher combined; she must be able to build fires, adjust fallen stovepipes, put in window panes, sweep, dust, split kindling, drive a horse, keep out of the neighborhood quarrels, know how and when to whip a bad boy, understand the school laws, raise money for libraries, keep all kinds of records, plant trees on Arbor Day, be of good moral character and pass examination in all branches of education. For these accomplishments she receives twenty-five dollars a month. Think of a girl getting that salary! Out of this she pays her board, buys her clothes, attends the summer school, educational papers, and books, attends county conventions and buys slate pencils. What is left she adds to her bank account or starts a bank if she prefers.

High License Amendments.

The following amendments to the Brook's High License Law will be offered at the present session of the Legislature by the legislative committee of Knights of Fidelity:

If any person advertised as one of intemperate habits or so designated by any member of his family or blood relation, shall knowingly enter a bar room or saloon or upon the premises of a licensed house where intoxicating liquors are sold, for the purpose of procuring or having furnished to him by sale, gift or otherwise, any spirituous, vinous, malt or brewed liquors, shall be guilty of a misdemeanor, and upon conviction thereof in any Court of Quarter Sessions, the offender shall be fined not less than ten, nor more than fifty dollars and undergo an imprisonment of not less than ten nor more than sixty days.

Any person under the age of twenty-one years, who shall knowingly enter a bar room or saloon or upon the premises of a licensed house where intoxicating liquors are sold, for the purpose of procuring, or having furnished to him, by sale, gift or otherwise, any malt, brewed, spirituous or vinous liquors shall be guilty of a misdemeanor and upon conviction thereof in any Court of Quarter Sessions, shall be sentenced to pay a fine of not more than fifty dollars or undergo an imprisonment in the county jail for a period not exceeding thirty days, both or either at the discretion of the court; and the willful entrance upon a second conviction shall be deemed a misdemeanor punishable by imprisonment of not less than sixty days.

Readers of The Pittsburg Dispatch Made Happy.

The New Year's number of The Pittsburg Dispatch was a great treat to its many readers. It consisted of 32 pages (just think of it!) containing a complete resume of events of 1902, accurate and reliable. It was not only of interest to the hundreds of thousands of Dispatch readers in the Pittsburg territory, but invaluable to all, no matter where, for it was a ready reference to thousands of useful and interesting items. Undoubtedly it was the best number of its kind ever published and one which could be issued only by one of the greatest journals in the United States.

No wonder the Dispatch enjoys the largest circulation of any Pittsburg paper! It is the only 2c morning paper published in that city and that partly accounts for its wonderful popularity. The people know it pays to buy the best and it holds good with the Dispatch, for very few think of the trifling 4 cents difference (the daily being only 10c by the week).

Those who are not now taking the Dispatch should at once subscribe, as they will not regret it. When you subscribe ask Chas. S. Kirchert to send and get you a copy of that great review edition. It alone is worth the price of a six months' subscription.

Pittsburgers should be proud of their great paper.

Summerville to Boom.

Summerville, one of the prettiest little towns along the line of the Low Grade railroad, has awakened from a lethargy of years and promises to be one of the liveliest places on the Red Bank creek during the coming summer. The country thereabout is underlaid with coal and the development of the field has been begun by the Red Bank Mining Company, which has made an opening just south of town. This operation will have several hundred men at work in the near future and other industries are contemplated. Summerville has one of the best sites for a town to be found anywhere, but, as used to be the case at Falls Creek, lacks the population.—DuBois Courier.

Finds Way to Live Long.

The startling announcement of a discovery that will surely lengthen life is made by editor O. H. Downey, of Churubusco, Ind. "I wish to state," he writes, "that Dr. King's New Discovery for Consumption is the most infallible remedy that I have ever known for Coughs, Colds and Grip. It's invaluable to people with weak lungs. Having tried this wonderful medicine no one need dread Pneumonia or Consumption. Its relief is instant and cure certain." H. Alex. Stoke, the druggist, guarantees every 50c and \$1.00 bottle, and gives total bottles free.

Cole's Original Hot Blast Stoves.

Keep the temperature even. The house is always the same, day and night. This is because they burn all the fuel and radiate all the heat. The fire is never out.

Beware of imitations which unscrupulous dealers show you and claim are just like COLE'S HOT BLAST. There is no other stove made like it and none that will give you the satisfaction, therefore insist upon getting the Genuine COLE'S HOT BLAST, which is sold only by
