SHICK & WAGNER

—THE BIG STORE—

TO KEEP in line with the progress of the manufacturer we are receiving nearly each day from the large wholesale centers something new in the line of Dry Goods and Ladies' wearing apparel. Our stock has never been as complete nor has there ever been shown such an attractive variety of styles.

Dry Goods.

WE RECEIVED only this morning a line of colored Crepe de Chine for Ladies' wearing apparel. The demand for light weight effects is still unchanged since our last announcement.

Ladies' Shirt Waists.

WE HAVE just received a shipment of light weight Shirt Waists for summer wear. Styles are very attractive and range from 50 cents to \$1.50.

Ladies' Knit and Muslin Underwear for Summer.

THE LINE is complete, comprising many beautiful garments. We have these in all styles in both knit and muslin, well made and nicely trimmed. Vests come in sleeveless, short sleeves and long sleeves. Prices in knit garments range from 10 to 50 cents.

Hosiery.

WE NEVER had a stronger line in both fancy lace effects and staple numbers. We have on display this week The Fay Stocking which is something new in the hosiery line. These are widely advertised and very highly recommended by the manufacturer. They are at least worth a trial. Being new we can not speak of them as having proven their merits.

Suits and Skirts.

MORE WOOLTEX Suits and Skirts since our last announcement. Everything that is new and desirable is brot out in Wooltex.

Shoes.

THE INCREASE in business in Shoes urges us to comment on them. We have added to our Shoe line a great deal and are now carrying a high grade class of ladies' and childrens' Shoes as well as a good strong line in popular priced numbers. We carry these in almost all lasts in any width, hence can fit all ladies and children.
