MILLIRENS DEPARTMENT STORE

A Special Sale on Muslin

—BY—
SHICK & WAGNER
 —THE BIG STORE—

ON FRIDAY of this week May 15, we will put on sale one bale each of Bleached and Unbleached Muslin. The Bleached has always sold at 9c and the Unbleached is an exceptionally good one for 5c. We will offer on this day these Muslins at the following prices:

The 9c Bleached Muslin at 7c.
 The 5c Unbleached Muslin at 3-7-8c.

It might seem strange that right in the season when COTTON GOODS are rising in market price that we can offer these goods at the above prices but we have been exceedingly fortunate in getting hold of these two bales and as has always been our custom we will give the trade the benefit of it. This however, will last only for one day, FRIDAY, MAY 15, or until they are closed out. This is an opportunity to secure your Muslins at prices that will not again be quoted to you and we would advise you to call early in the day as after the two bales containing about 3,000 yards are closed out we will not be able to supply your wants at these prices.

Those of you who have attended special sales of ours in the past will know what this means. If there be any one who has not attended a like sale given by us, we want you to know that we always do as we advertise. That is saying a great deal in this day of exaggeration and yet we are anxious for the privilege of proving to you the truthfulness of our statements. Remember the place and date at
