Brookville's New Doctor.

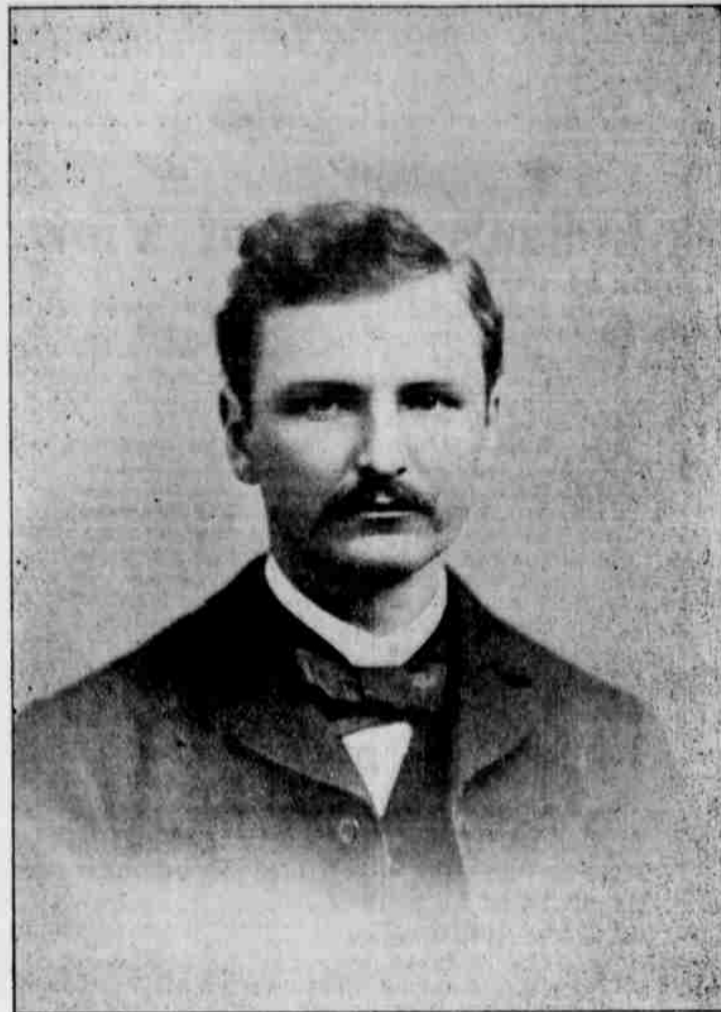

Some time since we made mention of the fact that Dr. Harry P. Thompson, son of Dr. John Thompson, of Corsica, and who for a number of years past was associated with his father in the practice of medicine at Portland Mills, Elk county, was contemplating locating in Brookville. We are now authorized to make the announcement that this popular young doctor is a citizen of our town, having formed a partnership in the practice of his profession with Dr. T. C. Lawson, the well-known practitioner, and taken up his abode with his family in the W. W. Corbet residence, West Main street. Dr. Thompson needs no introduction to our people; he has a personal acquaintance with many of them, and his reputation as a successful physician extends far and wide throughout this section. Dr. Lawson's practice had long since reached such an extent as to require an assistant, and in Dr. Thompson he has found a most competent and trustworthy associate. Just prior to coming to Brookville Dr. Thompson took a post-graduate course at the New York college for physicians, and he comes to our people further equipped with a knowledge of the latest discoveries in the medical science.—*Brookville Republican.*

Disciples of Ingelow.

Thirty-four young ladies from Reynoldsville, composing the Ingelow Club, formed a trolley party last Wednesday afternoon and came to Punxsutawney, where they took six o'clock dinner at the Pantall Hotel. They arrived here about three o'clock and from that hour until their departure, late in the evening, business was at a standstill in Punxsutawney. So much grace, beauty and talent on the streets at that hour of the day is unusual here. Of course it is an ordinary occurrence in the evenings when it is possible to see a dozen such bevy's passing up the avenue in rapid succession. The young ladies evidently enjoyed the outing and Punxsutawney has reasons to feel honored by their visit.—*Punxsutawney Spirit.*

The appropriation for Reynoldsville is \$2,264.31; West Reynoldsville \$823.26; Washington township \$2,757.07; Snyder township \$2,121.62; Punxsutawney \$3,796.72; Pinecreek township \$1,347.50; Henderson \$1,651.74; Falls Creek \$986.07; Brookwayville \$1,722.69; Big Run \$900.45. Worth of All Experiences.

Can anything be worse than to feel that every minute will be your last? Such was the experience of Mrs. S. H. Newson, Decatur, Ala. "For three years" she writes, "I endured insufferable pain from indigestion, stomach and bowel trouble. Death seemed inevitable when doctors and all remedies failed. At length I was induced to try Electric Bitters and the result was miraculous. I improved at once and now I'm completely recovered." For Liver, Kidney, Stomach and Bowel trouble Electric Bitters is the only medicine. Only 50c. It's guaranteed by H. Alex. Stoke, Druggist.

Driven to Desperation.

Fresh testimony in great quantity is constantly coming in, declaring Dr. King's New Discovery for Consumption Coughs and Colds to be unequalled. A recent expression from T. J.
