At the Circus.
Every seat and all available standing room occupied and many seated on the ground close to the arena, such was the condition of things at both performances at Sparks' circus which showed here at East Side Park yesterday afternoon and evening. The circus was a first rate exhibition, the performers being stars in their respective lines. Many clever feats were performed by the acrobats, trapeze artists, and contortionist, besides the tricks of a well-trained elephant, dogs, lions and horses; old and young enjoyed a remarkably interesting exhibition. The Sparks' show will always have a warm welcome in this city. The circus is at Canisteo today.—*Corning (N. Y.) Daily Journal, July 17, 1902.* The above show will exhibit at Reynoldsville, July 8.

Illustrated Supplement.
Last week we received a copy of a handsome and profusely illustrated supplement of the *Donora American*, of which Roman E. Kohler, formerly foreman of THE STAR, is editor. The supplement contained 58 pages of half-tone engravings with descriptive matter, which gives the reader some knowledge of the town of Donora and its live business met. The supplement reflects great credit on the *American*.

Temperance Meeting.
The Christian Temperance Union organization of Reynoldsville will hold its next regular meeting in the Young Men's Reading Room, in Hoover building, Tuesday evening, July 7th, at eight o'clock p. m. All who love good government, free homes and the suppression of the liquor traffic will manifest their love by their presence at this meeting. All the members are especially invited to attend and take part in the exercises.
