

**FREE PIANO LESSONS.**

The Pittsburg Sunday Dispatch Offers Instructions in Music to All Readers.

By making an exclusive arrangement with the originator of a remarkable system of teaching the piano by object lessons, The Pittsburg Sunday Dispatch is enabled to offer its readers free piano lessons which will enable anyone to learn to play the piano, and at the same time get a substantial fundamental knowledge of the theory of music. The system has the endorsement of all the noted musicians and music teachers who have seen it, as well as the recommendation of that eminent pianist, Joseph Hoffmann. Anyone can learn to play in an astonishingly easy manner, and all this instruction with required charts and everything necessary is given to the readers of The Sunday Dispatch absolutely free. The lessons will begin November 22, and for those who desire to take advantage of the instruction of the full course, it will be necessary to get The Sunday Dispatch on that day. It will be well to order now, so that no mistake may deprive you of the wonderful opportunity which The Dispatch is offering.—1t

**SHICK & WAGNER**

—The Big Store—

The most phenomenal Suit values we have ever offered will be placed on sale FRIDAY MORNING, NOV. 20th, of this week, to last one week.

We are crowded for room and as the season on suits is pretty well advanced and we are getting broken on some sizes, we have decided on a novel plan of closing them out. There are exactly one dozen (12) suits, all good values, mostly Short Jackets. Just what a lady needs to wear with a heavy winter wrap, and just what will be in demand in the spring when there will be no such inducements to buy. These suits are now all in the window for your inspection. To dispose of them quickly we make a reduction of \$2.00 for each day they are in the window.

To make clear our plan of selling them let us illustrate on a \$10.00 suit. On Friday, the first day there will be \$2.00 off, which will make it cost \$8.00. next day there will be an additional reduction of \$2.00, or 4.00 off from original price, which will make it cost \$6.00. On Monday it will cost \$4.00. On Tuesday \$2.00, and on Wednesday, if it still remains, it will be somebody's suit for nothing—but we hope to have sold it before this.

We want to call your attention to the fact that these are all first class suits and sold by a reliable store. It is not necessary to add that when we advertise a sale we do exactly as we advertise. Our reputation, resulting from what we have done in the past, is the best possible argument. We positively can not lay away or hold any garments at these prices. First to buy gets the suit. They range in price from \$10.00 to \$18.50.
