## ARISTO PLATINO PRINTS WITH FOLDER COVERS

These folders, made of heavy dark colored material, give to a portrait a style and dignity that add greatly to its attractiveness. Our holiday specialty this year will be Aristo Platino Prints with folder covers. They individualize a picture and place it in a class by itself—an artistic class that has only to be seen to be appreciated. Their popularity is increasing because based on quality. We are always glad to welcome visitors to our studio.

### High School Bulletin.

Edited by Members of the Reynoldsville High School

Dr. B. E. Hoover and Rev. P. A. Reno visited the schools last Wednesday morning. In chapel Rev. Reno gave a short talk on "Thankfulness."

Saturday, Prof. C. V. Smith attended the Summerville institute. He spoke on "Why Teachers Fail."

Room 13 has discovered great talent in some of its members. It was displayed on Monday when the members of The Frog Holler lyceum presented the world-renowned drama, "The Prairie Princess." Especially do we honor Mr. John Thornton, who made his first appearance as Lord Dazzlebury.

Two days vacation over; brains all gone.

Did you see the dazzlers? Firry red! Oh! Oh! Oh!

The members of Room 13 have many things to be thankful for—especially the means of a shower bath placed near the entrance of their room.

The first class debate in Room 13 will take place on Wednesday of next week. The question, "Resolved, That John Alden should have proceeded with his friendship without regard to the friendship of Capt. Standish," will be debated by Leonard Harris, affirmative, Maude Pratt, negative, with Irene Phillippi Iona Ramsey, Craig King and Mildred Sutter as aids.

**Two Pianos Free!**

The Pittsburg Dispatch has started a voting contest by which any person, club, society, church, school or organization may obtain a piano free of all cost. To the person or organization receiving the largest number of votes, each coupon published in The Daily Dispatch representing one vote, and each coupon in The Sunday Dispatch representing three votes, an \$800 Chickering Baby Grand Piano will be given.

For the next largest number of votes a \$450 W. F. Frederick Upright will be given. Paid-in-advance subscriptions for three, six and twelve months call for a certificate for the votes represented by the days the subscription is for, and the coupons can be sent in as well. It is a great chance to get a piano free. Information can be had by reading announcement in The Pittsburg Dispatch or writing to Coupon Editor The Pittsburg Dispatch, Pittsburg, Pa.

**Peck's Bad Boy.**

Shows come and shows go, but there is one that will always live, because the changes from year to year brighten it up and insure long life. This year, more radical changes than ever have been made; in fact none of the old material is used, an entirely new play has been written, and everything except the title, which is a trade mark, is brand new. Specialties in abundance have been provided. A laughing night is assured to-night, December 2, at the Reynolds opera house.

**A Frightened Horse.**

Running like mad down the street dumping the occupants, or a hundred other accidents, are every day occurrences. It behooves everybody to have a reliable Salve handy and there's none as good as Bucklen's Arnica Salve. Burns, Cuts, Sores, Eczema and Piles disappear quickly under its soothing effect. 25c. at H. Alex Stoke's drug store.

Phonographs and talking machines, horns, all sizes, and records. Over 500 to select from. Edison 50c and Columbia records 25c each and machines from \$3.50 up at Gooder's, the jeweler.

**Climatic Cures.**

The influence of climatic conditions in the cure of consumption is very much overdrawn. The poor patient, and the rich patient, too, can do much better at home by proper attention to food digestion, and a regular use of German Syrup. Free expectoration in the morning is made certain by German Syrup, so is a good night's rest and the absence of that weakening cough and debilitating night sweat. Restless nights and the exhaustion due to coughing, the greatest danger and dread of the consumptive, can be prevented or stopped by taking German Syrup liberally and regularly. Should you be able to go to a warmer climate, you will find that of the thousands of consumptives there, the few who are benefited and regain strength are those who use German Syrup. Trial bottles, 25c; regular at Stoke's.

**Winter Excursion Route Book.**

In pursuance of its annual custom, the Passenger Department of the Pennsylvania Railroad Company has just issued an attractive and comprehensive book descriptive of the leading Winter resorts of the East and South, and giving the rates and various routes and combinations of routes of travel. Like all the publications of the Pennsylvania Railroad Company, this "Winter Excursion Book" is a model of typographical and pictorial work. It is bound in a handsome and artistic cover in colors, and contains much valuable information for Winter tourists and travelers in general. It can be had free of charge at the principal ticket offices of the Pennsylvania Railroad Company, or will be sent postpaid upon application to Geo. W. Boyd, General Passenger Agent, Broad Street Station, Philadelphia.

**Fight Will be Bitter.**

Those who will persist in closing their ears against the continual recommendation of Dr. King's New Discovery for Consumption, will have a long and bitter fight with their troubles, if not ended earlier by fatal termination. Read what T. R. Beall, of Beall, Miss., has to say: "Last fall my wife had every symptom of consumption. She took Dr. King's New Discovery after everything else had failed. Improvement came at once and four bottles entirely cured her." Guaranteed by H. Alex Stoke, druggist. Price 50c. and \$1. Trial bottles free.

**Revolution Imminent.**

A sure sign of approaching revolt and serious trouble in your system is nervousness, sleeplessness, or stomach upset. Electric Bitters will quickly dismember the troublesome causes. It never fails to tone the stomach, regulate the Kidneys and Bowels, stimulate the Liver, and clarify the blood. Run down systems benefit particularly and all the usual attending aches vanish under its searching and thorough effectiveness. Electric Bitters is only 50c. and that is returned if it don't give perfect satisfaction. Guaranteed by H. Stoke, druggist.

Over five hundred ladies examined our stock of china on opening day and all said it was the prettiest assortment ever shown in Reynoldsville. All that could not call to see it that day are invited to come later. No trouble to show goods. C. F. Hoffman.
