Saved From Terrible Death.

The family of Mrs. M. L. Bobbitt, of Bargerton, Tenn., saw her dying and were powerless to save her. The most skillful physicians and every remedy used, failed, while consumption was slowly but surely taking her life. In this terrible hour Dr. King's New Discovery for Consumption turned despair into joy. The first bottle brought immediate relief and its continued use completely cured her. It's the most certain cure in the world for all throat and lung troubles. Guaranteed Bottles 50c and \$1.00. Trial Bottles Free at H. Alex Stoke's Drug Store.

Don't miss the clearance sale at Shick & Wagner's.

A Newspaper Worth Reading.

The Pittsburg Times is a conservative, careful newspaper for particular people. Its statements of fact and comments on them are concise and correct. Its departments are in charge of experts, and its authority in all matters pertaining to the events of the world at large and of the community it represents more particularly is recognized. It has no Sunday edition, and its position in that regard in Pittsburg is as unique as its thorough reliability in every way. Staunchly Republican in political policy it yet gives all the news of all parties. Its moral tone is high, and churchmen of every creed find in its columns more news of their interests and work than in all its contemporaries combined. Sports are given the prominence they deserve and no more. The news concerning them is bright, timely and adequate, for the work is done by a master. Theaters in The Times as in no other paper have the truth told about them and the plays they offer. No business considerations ever interfere with the publication of criticisms that really criticize, and in this department, too, the work is done by a master. Society and the affairs of women find careful and complete exposition on the page devoted to them. Industrial matters are accorded the prominence they merit in a Pittsburg paper, while the stock market is given the attention that has brought The Times into the front rank of financial authorities. Above all The Times is a model not only of brevity of statement but of dignified simplicity in its typographical appearance. It offends neither the eye nor the sensibilities. Those things that are of importance are treated accordingly. Those that are unimportant are handled in keeping with their value. Each issue of The Times is a day's history of events the wide world round. Its price is one cent daily or \$3.00 a year.

A Very Close Call.

"I stuck to my engine, although every joint ached and every nerve was racked with pain," writes C. W. Bellamy, a locomotive fireman, of Burlington, Iowa. "I was weak and pale, without any appetite and all run down. As I was about to give up, I got a bottle of Electric Bitters, and after taking it, I felt as well as I ever did in my life." Weak sickly, run down people always gain new life, strength and vigor from their use. Try them. Satisfaction guaranteed by H. Alex Stoke's. Price 50 cents.

It will pay to buy a cloak at Shick & Wagner's.

Men's high cut lace rubbers at Nolan's shoe store for \$1.85 a pair.

Good Spirits.

Good spirits don't all come from Kentucky. Their main source is the liver—and all the fine spirits ever made in the Blue Grass State could not remedy a bad liver or the hundred-and-one ill effects it produces. You can't have good spirits and a bad liver at the same time. Your liver must be in fine condition if you would feel buoyant, happy and hopeful, bright of eye, light of step, vigorous and successful in your pursuits. You can put your liver in fine condition by using Green's August Flower—the greatest of all medicines for the liver and stomach and a certain cure for dyspepsia or indigestion. It has been a favorite household remedy for over thirty-five years. August Flower will make your liver healthy and active and thus insure you a liberal supply of "good spirits." Trial size, 25c; regular bottles, 75c. At all druggists. H. Alex Stoke's.

—THE BIG STORE—

January Clearance Sale . .

At "The Big Store" begins this week.

Inventory only a week or so ahead and we must be ready for it. We have many very good things to offer you

AT

ABOUT ONE - HALF

What other people ask you for it. We need not tell you the character of goods we carry, as that is all very well known, but we want to emphasize that we do not buy jobs to advertise in a clearance sale. We offer you better things and at prices much lower that you can buy the cheap and trashy jobs for.

We have bargains in every line all through the store. Time and space will not permit us to enumerate and quote you a price. Then, it would be necessary for you to see the merchandise anyway to appreciate what we are offering. Our sacrifice is your gain. Each day new things will be added to lines already on sale.
