"The Record has from time to time mentioned the eminent fitness of Mr. Longwell for the office. He is young full of ambition, well educated, and properly fitted to care for the interests of the people of Jefferson county in the halls of the Legislature. There are very few counties in the State that have the intelligent representation that Mr Longwell could bring into service for this district at Harrisburg. It seems that this is an opportunity the people of Jefferson county cannot afford to turn down."

Tendered Her Resignation.

Mrs. Eva M. Evans, who has beer matron of the Pennsylvania Memorial Home at this place during the past seven years, has tendered her resignation to the Board of Directors, the same to take effect April first. De clining health caused Mrs. Evans to give up the position. She is in such harmony and sympathy with her work that she would very willingly sacrifice personal interests and continue to man age the institution were it not for the advice of her physicians and friends against such a course. As yet the vacancy that will be caused by Mrs. Evans' retirement has not been considered by the board, but the directors of the institution realize quite fully that they will in all probability expertence considerable difficulty in finding some one to manage the Home as successfully as has Mrs. Evans. -- Brookvilla Republican.
