SPRING

In this month of variable moods, it's somewhat risky to call attention to "balmy spring" lest we invite a blizzard. Nevertheless we want to call your attention to our line of

Dry Goods, Clothing and Shoes for Spring.

Black and colored velvets, etamines, collines, prunellas, melrose, serge and mohairs, Scotch suitings, white goods for waists—anything you want from plain India linen to silk spot mulls.

SHIRT WAISTS—Ginghams, percales, linens, lawns, mercerized and silk waists—finest line we ever had.

GOOD CLOTHES!

Clothcraft

Suits aren't built for looks alone—they're built for wear. The "inside facts" reveal a judicious use of hair cloth and canvas. The button holes and pockets show the same careful work that custom tailors bestow upon their high priced products.

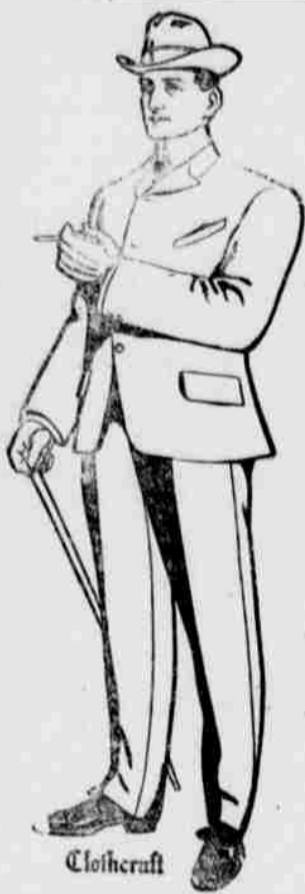

The spring suit shown in the illustration is a fine example of what a GOOD suit should be. The shoulders lend a well built, solid appearance to the figure. The back hangs gracefully, the sleeves are just the right size and length. The whole suit seems a part of the man. Small wonder that our sales thus far have exceeded all previous years.

Have you bought your spring suit yet? \$10 to \$25 invested in Clothcraft Clothes will give you the largest returns for your money. We're expecting you.

BOYS' SUITS in an endless variety

Made by the Clothcraft people and that means BEST. Men's Furnishings from best makers. Shirts, Ties, Collars and Cuffs, Handkerchiefs, Gloves and Hosiery. "Mother's Friend" Waists and Shirts for boys—they'll stand the full strain and stress of every-day boy wear and priced no higher than common kinds.

Men's, Boys' and Youth's Trousers, Hats and Caps, Trunks, Satchels and Suit Case—all priced at a saving of 15 to 35 per cent to you.

THE NEWS OF NEARBY TOWNS.

Reported by The Star's Special Correspondents.

Sandy Valley.

Spring looks still as if it was a thing of the future.

Chicken-pox and three-day measles are on the rampage.

"Flinch" at the home of Mr. and Mrs. E. J. Groves to-night.

An oyster supper was held at the home of B. L. Beebe last Monday night. Some of our people attended the moving pictures at the Reynolds opera house Monday evening.

Real downright "christian" meanness is more plentiful in Sandy Valley than water. This is saying a good bit when one remembers the spring floods we have just had, but it is so.

Dr. H. B. McGarrath, who has been residing at this place for some time, intends moving to Reynoldsville soon. The Dr. and his family resided here but a short time yet they have many friends who will regret their departure.

A very pretty wedding occurred at the home of Mr. and Mrs. Robert Hogue on Thursday of last week when their daughter, Ethel, was united in marriage to Mr. Gust Benson. The ceremony was performed by Rev. J. C. McEntire, of Reynoldsville, at 10.30 o'clock. Mr. Newell Hogue acted as best man and Miss Gertrude Berkhouse as bride-maid. The wedding party stood under an arch of evergreen in which an appropriate motto was entwined. The ring ceremony being used. Only a few relatives and intimate friends of the bride and groom were present. Those present were the parents, brothers and sisters of the bride, Mr. and Mrs. Milton Sterley and daughters, Gertrude and Helen, of Reynoldsville, Mr. and Mrs. John Leaster and family, of Falls Creek, Miss Cynthia Campbell, of Knox, Clarion Co., Mrs. W. S. Bracken, Mrs. B. B. Bracken, Mr. and Mrs. H. H. Sherwood and the officiating minister. After congratulations a fine repast was served and the newly wedded couple were driven to Reynoldsville in time to catch the 1.30 train for New Bethlehem, where they remained till the following Saturday. Mr. Benson is a fireman at No. 2 Sherwood and the young couple will go to housekeeping at this place in a week or two. Their friends all join in wishing them a happy journey through life.

Wishaw.

George Syphrit was in Sykesville on Sunday.

H. M. Tedrick was on the sick list last week.

Miss Grace Smith, of Panic, was in town on Sunday.

Mrs. Stratiff, of Cortez, visited friends here last week.

Gone to the Great Beyond.

Mrs. Sarah Dean, one of the most respected residents of this city, passed into her eternal rest Friday morning, March 4, 1904, after an extended illness, due to the infirmities of advanced years. She had been making her home at the residence of her son, Select Councilman Jesse J. Dean, of No. 207 Pittsburg street, where her death occurred at 4 o'clock in the morning.

The end was calm and peaceful and was a fitting close for a life that was devoted to the cause of the Master and to the spreading of His teachings. Mrs. Dean was 77 years of age and was one of the oldest members of the First Baptist Church, of this city, with which she connected herself when she came to this city in 1877. She had been a member of the Baptist denomination nearly all her life.

Mrs. Dean was the widow of the late Zaariah Dean, a prominent resident of Scott township, where he followed the occupation of farming. He was also a carpenter and worked at that trade throughout the county. She was born December 18th, 1826, and was the daughter of Noah Dean, one of the pioneers of the county.

The Dean family came here from Huntington county and have exercised a wide influence upon affairs here. Mrs. Dean was a distant relation of her husband. She was a woman of marked piety and her character and disposition made her loved and revered by all, so that the intelligence of her passing from this world will cause sorrow to many hearts.

She is survived by the following children: I. Pierce Dean, Select Councilman Jessie J. Dean and B. Frank Dean, all of this city. One daughter, Mrs. Mary White, passed away Aug. 2nd, 1880. She also leaves the following brothers and sisters: Alfred Dean, of this city; William E. Dean, of Scott township; Noah Dean, of Rothville, Mo.; Rev. Jacob E. Dean, a Baptist minister, of Reynoldsville, Pa.; Mrs. Lemuel Andrews, of Sandy Lake, and Mrs. Jesse B. Locke, of Hickory township.—New Castle News.

Collision on Low Grade.

A collision between a passenger train and freight train on the Low Grade division occurred near Tyler last Thursday morning. One of the River Division vestibule express trains from Pittsburg to Buffalo was run over the Low Grade division Thursday morning on account of a wreck on the River Division, between Red Bank and Oil City, and there were orders for the passenger train and a double-header freight train to meet and pass at Tyler, but the young engineer piloting the express train over the Low Grade, run past his orders at Tyler, and a collision was the result. No one injured, as the train men on both trains saw the danger in time to jump, but the passenger engine and one of the freight engines were badly damaged and the passengers were well shaken up.

The members of the Empire Entertainment Company are all artists in their respective lines. Be sure to hear them on Friday evening.

Up to one year ago I had a severe sick-headache every Sunday, just as regularly as the day came. At such times I could not eat and could not raise my head from the pillow without being violently nauseated. Celery King has cured me, and now I never have headache.—Mrs. Wm. Did you ever think that rents, or rental value was as important an item of value in a building as the materials entering into the construction thereof, and that rents can be insured? We can write you a policy on the rents of your building in the same company and at a lower rate than the building. It would pay you to investigate Rent Insurance.
