**Proper  
Apparel**

Spring styles in suits are more artistic this season than ever before. CLOTHCRAFT CLOTHING, as usual, is the standard of excellence for fabric, shape and finish.

The style shown in the illustration is one that appeals to careful dressers. It has all the characteristics of a custom garment, with that touch of distinctiveness which characterizes CLOTHCRAFT CLOTHING. You can see it in the shape of the collar, the hang of the coat and trousers, in the atmosphere that hovers about the entire suit. That's what pleases our customers and gives them the just reputation of being the best dressed men in the community. And \$10 to \$20 makes that reputation yours. It's worth double the price. Suits and trousers made to measure, and perfect fit guaranteed.

**One Thing**

There is one quality in a shoe that is hard to describe, for you can't define it or locate it. It is not beauty, or cut, or fit, or wear; it is style!

Some shoes have it. Most shoes haven't it. All women want it. It has no relation to cost. A \$10 custom-made shoe often can't supply it, while a \$3 shoe will sometimes give it to you.

You get it in the highest degree in the "DOROTHY DODD" shoe.

"The style of a 'DOROTHY DODD' has passed into a proverb.

No matter how ugly a woman's feet may be; they can be made stylish in a pair of these shoes. Every woman can't be beautiful, but every woman with these shoes can have stylish feet. And this is a great deal! Oxfords \$2.50; Boots \$3.00; Specials 50c more. Fast color eyelets used exclusively.

**The Best is None too Good!**

For even the "worst" of boys. There's but one "best" in boys' Shirts and Blouses—it bears the "Mothers' Friend" label. Bring that skylarking romp of a boy here and we'll soon fit him out in a manner exactly to his liking.

"Mothers' Friend" garments weren't designed for "girly" boys. They'll stand the full strain and stress of every-day-boy wear, and take their tubbings with a good grace. It's easy "to lay up for a ragged day" with prices as low as these: 25, 35, 50, 75 and \$1.00.
