**A Valuable Publication.**

On June 1 the Passenger Department of the Pennsylvania Railroad Company will publish the 1904 edition of the Summer Excursion Route Book. This work is designed to provide the public with descriptive notes of the principal Summer resorts of Eastern America, with the best routes for reaching them, and the rates of fare. It contains all the principal seashore and mountain resorts of the East, and over seventeen hundred different routes or combinations of routes. The book has been compiled with the greatest care, and altogether is the most complete and comprehensive handbook of Summer travel ever offered to the public.

The cover is handsome and striking, printed in colors, and the book contains several maps, presenting the exact routes over which tickets are sold. The book is profusely illustrated with fine half-tone cuts of scenery at the various resorts and along the lines of the Pennsylvania Railroad.  
 On and after June 1 this very interesting book may be procured at any Pennsylvania Railroad ticket office at the nominal price of ten cents, or, upon application to Geo. W. Boyd, General Passenger Agent, Broad Street Station Philadelphia, Pa., by mail for twenty cents.

**World's Fair.**

June 9, 16, 23, and 30 are the next dates for great coach excursions to St. Louis via Pennsylvania Railroad, on account of the Louisiana Purchase Exposition. The rates for these excursions have been fixed at such a low figure that they afford those of limited means an opportunity of seeing the World's Fair at an exceptionally small cost. The unusual success attending the first Pennsylvania Railroad excursion indicates that these will be very popular. Special trains of standard Pennsylvania Railroad coaches of the most modern pattern will be run on the above-mentioned dates from New York, Philadelphia, Harrisburg, Altoona, and Pittsburg, directly through to St. Louis, with ample stops for meals at convenient hours. Each train will be in charge of a Tourist Agent of the Pennsylvania Railroad. The rates will be the same as for the first excursion, May 10, \$20 from New York, \$18.50 from Philadelphia, and proportionate rates from other stations. Specific information regarding time of special train and connections, and rates from principal stations east of Pittsburg, will be announced shortly.
