Value of Burial League Policy.
 Burial League of the U. S., Pittsburgh, Pa.
 Gentlemen: I wish to express my appreciation of the prompt and satisfactory manner in which you carried out your contract on the death of my daughter, Ruth, for whom I had issued contract No. 140, Feb. 28, 1903, at a cost of 90 cents a year. Death came suddenly through a fire in which I lost my daughter and upon calling on Mr. J. H. Hughes, the undertaker, and handing him the contract the best attention and service was rendered.

Words fail to express the satisfaction I feel in this matter and the great benefit derived by having had a League contract as it relieved me of a burden that would otherwise have been a severe one on me to carry. No one who is at all provident should remain a moment without a League contract and I cannot endorse it too strongly, having experienced its benefit.
 MRS. KATE BURNS, Reynoldsville, Pa.

At length I was induced to try Electric Bitters and the result was miraculous. I improved at once and now I'm completely recovered." For Liver, Kidney, Stomach and Bowel troubles Electric Bitters is the only medicine. Only 50c. It's guaranteed by H. Alex Stoke, Druggist.

The average man thinks every other business better than the one in which he is engaged. Sometimes he is so sure of it that he makes a change, and then comes a discovery. He finds that the new business which at long range looked so rosy, has a full complement of thorns, not altogether different from those which beset his old occupation. Instead of indulging in day dreams concerning other people's affairs, men would make more progress by employing their spare time in nipping the thorns that annoy them.—*The Commoner and Glassworker.*

A Continual Strain.
 Many men and women are constantly subjected to what they commonly term "a continual strain" because of some financial or family trouble. It wears and distresses them both mentally and physically, affecting their nerves badly and bringing on liver and kidney ailments, with the attendant evils of constipation, loss of appetite, sleeplessness, low vitality and despondency. They cannot, as a rule, get rid of this "continual strain," but they can remedy its health-destroying effects by taking frequent doses of Green's August Flower. It tones up the liver, stimulates the kidneys, insures healthy bodily functions, gives vim and spirit to one's whole being, and eventually dispels the physical or mental distress caused by that "continual strain." Trial bottle of August Flower, 25c; regular size, 75c. At all druggists. H. Alex Stoke.

World's Fair.
 June 9, 16, 23, and 30 are the next dates for great coach excursions to St. Louis via Pennsylvania Railroad, on account of the Louisiana Purchase Exposition. The rates for these excursions have been fixed at such a low figure that they afford those of limited means an opportunity of seeing the World's Fair at an exceptionally small cost. The unusual success attending the first Pennsylvania Railroad excursion indicates that these will be very popular. Special trains of standard Pennsylvania Railroad coaches of the most modern pattern will be run on the above-mentioned dates from New York, Philadelphia, Harrisburg, Altoona, and Pittsburg, directly through to St. Louis, with ample stops for meals at convenient hours. Each train will be in charge of a Tourist Agent of the Pennsylvania Railroad. The rates will be the same as for the first excursion, May 10, \$20 from New York, \$18.50 from Philadelphia, and proportionate rates from other stations. Specific information regarding time of special train and connections, and rates from principal stations east of Pittsburg, will be announced shortly.

Did you ever think that rents, or rental value was as important an item of value in a building as the materials entering into the construction thereof, and that rents can be insured? We can write you a policy on the rents of your building in the same company and at a lower rate than the building. It would pay you to investigate Rent Insurance.
