Dorothy Dodd

Over the Door Mats

There is one society whose members can be instantly detected, for they wear its badge publicly. It is the society of well-shod women who wear "Dorothy Dodd" Shoes.

The stylish woman is easily known by her shoes. When the fashion writers talk of "the 'Style of a Dorothy Dodd' Shoe" they mean it has the distinction which attaches to the leader of society.

A woman may be on the outer door-mats of society, but if she wears stylish shoes her feet have entered the sacred portals at least. I need not claim that my shoes are stylish; every fashion writer in this country has claimed it for me.

Sincerely yours, DOROTHY DODD.

"As a Sunday School Missionary."

Many do not understand the work of an American Sunday School Missionary. To give such an idea I want to give you two months experience of myself in Venango county, Pa. I organized 4 Sunday schools with 15 teachers and 124 scholars, visited and aided a number of other schools; visited 124 families having prayer and reading the word in many homes; delivered 20 sermons and addresses and done personal work, leading some to a saving knowledge of Christ.

Some times I visited homes and found no bible there. I would leave them one. One place where there were about 20 children and I could not get a place for a Sunday school, and twice I went there and talked to the children in open air. Personal work is a very important part of the work. I was going down to Oil City one night on a train and I sat down beside a young woodsman. I turned to him and asked him if he was a christian. He said he was not, but his mother was. I said where is your mother? He said "in Heaven." I then asked him, don't you want to meet her? He said he did. I then asked him if he would become a christian by accepting Jesus Christ as his Saviour. He said he would. By that time we were at Oil City and on streets of that city we held good our decision. I want to say that such work as the missionaries are doing is greatly needed every where.

Startling Evidence.

Fresh testimony in great quantity is constantly coming in, declaring Dr. King's New Discovery for Consumption, Coughs and Colds to be unequalled. A recent expression from T. J. McFarland, Bentonsville, Va., serves as example. He writes: "I had Bronchitis for three years and doctored all the time without being benefited. Then I began taking Dr. King's New Discovery, and a few bottles wholly cured me." Equally effective in curing all Lung and Throat troubles, Consumption, Pneumonia and Grip. Guaranteed by H. Alex Stoke, Druggist. Trial bottles free, regular sizes 50c, and \$1.00.
