THE STATE GRANGE.

J. T. Ailman, Press Correspondent.
 When the children are fourteen years old they may gain membership in the Grange. The order has, however, made provision for those under that age by having a Juvenile Grange made up entirely of the little folks, having their own officers and ceremonial work. The value of the training and discipline that may be acquired in this way is very beneficial. Some matron from the "big" Grange is assigned to meet with them as a kind of balance wheel.

Neither the busy season, the wet weather retarding, as it has done, farm work, nor the boiling of the political pot appears to have retarded grange growth in the state during the quarter ending June 30th. New granges are heartily welcomed but the best evidence of permanent increase is in the growth of old granges. A large majority of the granges report initiations and re-initiations.

At the call of Worthy State Master W. F. Hill the executive committee, the legislative committee, the lecturer and the secretary of the State grange met at Harrisburg on the 28th of July. The object was to consider the advisability of establishing a State grange bulletin and securing second-class postage rates for the publications of the State Grange. The project was received with favor and Worthy Master Hill was appointed to take charge of the work. In this he will be greatly aided by Geo. H. Shibley, of Washington, D. C. Mr. Shibley was present at the meeting. His self-appointed life work is to advance the cause of the Initiative and Referendum. He is giving freely of his time and money to thus secure for the people the right of a final say in matters of legislation. The reform is worthy of the sacrifice.

Tour to the Yellowstone Park and Pacific Coast.

On account of the Triennial Conclave, Knights Templar, to be held at San Francisco, Cal., September 5 to 9, the Pennsylvania Railroad Company will run a personally-conducted tour, visiting the Yellowstone Park, the principal cities and beautiful resorts of the Pacific Coast, Salt Lake City, Colorado Springs, Denver, and the St. Louis exposition, in addition to affording five days in San Francisco. Tickets, covering every necessary expense on route, except hotel accommodations in San Francisco, will be sold at the low rate of \$250 from all stations on the Pennsylvania Railroad. A special train of high grade Pullman equipment will leave New York, Philadelphia, Harrisburg and Pittsburgh Wednesday, August 17th. The full five and one-half days tour of the Yellowstone Park will be made. Three days will be spent at Los Angeles, two days at Colorado Springs, and two days at St. Louis, the party reaching New York Monday, September 19th. Stops for sight seeing will be made at Seattle, Tacoma, Portland, San Jose, Monterey, Santa Barbara, Salt Lake City, Glenwood Springs, and Denver. A descriptive itinerary will be sent on application to Geo. W. Boyd, General Passenger Agent, Broad Street Station, Philadelphia.

End of Bitter Fight.

"Two physicians had a long and stubborn fight with an abscess on my right lung" writes J. F. Hughes, of DuPont, Ga., "and gave me up. Everybody thought my time had come. As a last resort I tried Dr. King's New Discovery for Consumption. The benefit I received was striking and I was on my feet in a few days. Now I've entirely regained my health." It conquers all Coughs, Colds and Throat and Lung Troubles. Guaranteed by H. Alex. Stokes, Druggist. Prices 50c, and \$1.00. Trial bottles free.
