

**The Good Old Way.**

A severe cold or attack of grippe is like a fire, the sooner you combat it the better your chances are to overpower it. But few mothers in this age are willing to do the necessary work required to give a good old-fashioned reliable treatment such as would be administered by their grandmothers, backed by Boschee's German Syrup, which was always liberally used in connection with the home treatment of colds and is still in greater household favor than any known remedy. But even without the application of the old-fashioned German Syrup will cure a severe cold in quick time. It will cure colds in children or grown people. It relieves the congested organs, always the irritation, and effectively stops the coughs. Any child will take it. It is invaluable in a household of children. Trial size bottle, 25c; regular size, 75c. For sale by H. Alex Stokes.
