The Old Bullet Riddled Flag.

Mrs. Robert Bloch, of Perryville, whose maiden name was Rebecca Mitchell, sister of Ex-Senator James G. Mitchell, the woman who raised the money, bought and presented the old bullet riddled and tattered flag that was conspicuous in the parade of the 105th regiment at this place last Friday, was also present feeling proud of the part she took in presenting the soldier boys of forty-three years ago with the now tattered flag. Rebecca Mitchell was 17 years old when she took a subscription paper through the Perryville section of the county and raised \$60.00 in sums from 25 cents to \$5.00 to buy the flag. The flag was first presented to a militia company and afterwards to Company A of the 105th regiment. Dr. Shields prepared the presentation speech which was delivered by Rebecca Mitchell at an open air meeting in Perryville. The old flag, which was in a number of fierce battles and riddled by the enemies bullets, is now highly prized. Francis Groves, of Prescottville, carried the flag in the parade Thursday and keeps it. Mrs. Bloch, now a soldier's widow, would delight to have the old flag in her possession again, and who can gainsay the statement that she is entitled to the old flag.

Circular Concerning Oleomargarine.

We publish in to-day's issue a circular letter which has recently been sent by the Secretary of Agriculture and Dairy and Food Commissioner of Pennsylvania to every Grange, Farmers' Alliance and other Agricultural organization of the State. The circular explains itself, and all persons interested in protecting genuine dairy products would do well to act in compliance with the suggestions it contains. If farmers do not wish to write personal letters to their representatives in Congress, those living in the same community can join in a petition addressed to the Senators and Members of the House of Representatives from Pennsylvania, asking them to oppose the repeal of the bill referred to in the circular. Three copies of such petition will be necessary, one for each of the Senators from Pennsylvania, and one for the Member of the House of Representatives in which the petitioners reside.

Why You Should Visit the World's Fair.

The principal reason why a visit should be made to this greatest of Expositions is on account of its educational value. A visit to the World's Fair is in itself a trip around the world, for fifty cents, the price of admission. The president of one of our greatest universities has said "To the bright student the Exposition is worth a thousand college lectures." The opportunity of a life-time is afforded in which to acquire, by a few days' sojourn at the Fair, an education which could not otherwise be received. The World's Fair Grounds cover over 1,200 acres, being more than twice as large as those of the World's Columbian Exposition at Chicago.

Only a few weeks remain in which to take advantage of this great opportunity. Every day from now until the close of the Fair is a "special" day. The Wabash is selling daily excursions tickets to the Fair at greatly reduced rates; \$12.00 St. Louis and return, on sale daily, except Fridays and Saturdays. Tickets good in Palace Reclining Chair Cars; \$15.00, St. Louis and return. Tickets on sale daily, and good in either Palace Reclining Chair Cars or Pullman Sleepers. The Wabash operates through trains from Pittsburg to the World's Fair Main Entrance, all trains leaving the magnificent new passenger station, Corner of Liberty Avenue and Ferry Street, at 2.00 p. m. and 8.30 p. m. daily, City Time.

Detailed information regarding rates and train service, to St. Louis, as well as to many Home-seekers' points in the West, Northwest and Southwest, cheerfully furnished at Wabash City Ticket Office, 320 Fifth Avenue, Depot Ticket Office, Wabash Station, Pittsburg.—12-14-04.
