Gallagher, of this place, having a finger torn off by a ring on her finger catching on a nail in the hen house, and on the 4th of this month the same article was published in the Falls Creek Herald credited to the Wellsboro Agitator, showing that the Agitator is not above plagiarism.

Mrs. Alex Riston miraculously escaped serious injury last Wednesday in falling head first off her back porch, which is nine steps high. Mrs. Riston stepped out on porch to throw something into back yard and leaned on railing with left hand and railing gave way and she got a hard fall, but a cut under her chin was the only injury she received.

The Graves-Morton Comic Opera Company presented a very good entertainment to a very poor audience at the opera house Saturday night. "Dorothy" was the bill and on this delightful little musical sketch, having just the shadow of a plot to connect events, was strung a series of solos, duets and songs by the troupe which brought many encores from the audience. The humor of Graves, the comedian, also caused many an audible grin.

Water Supply Never as Low. A director of the Reynoldsville Water Company said yesterday that the water supply had never been as low since the water company was organized as it is now. The water is pumped out of the dam as fast as it runs in and all the water from the well drilled last year is being used, however, the company does not anticipate a water famine. Another deep well has been drilled and in a day or two the water from that well will be pumped into the reservoir. It will be necessary for the people to be careful in the use of water while the dry spell continues.

Hunting Accident. Allen Guthrie, of Summersville, son of Philip Guthrie, of this place, met with an accident while out hunting near Baxter yesterday morning which will cause him to lose half of his left hand. Herman Guthrie, of Reynoldsville, was out hunting with Allen, and while crossing a fence Allen's gun slipped out of his right hand, fell behind him and was discharged, the load of shot catching him on left hand and some of the shot went up through the brim of his hat. It was a close call from death. Mr. Guthrie was brought to Reynoldsville on the 6.15 p. m. train and taken to the Adrian hospital on the 7.20 car where about half of his hand will be amputated.

John Miller Dead. John Miller, a coal miner who resided in Prescottville, died at 1.15 p. m. yesterday, Nov. 8, 1904. Dropsy was cause of his death. Mr. Miller was born in Germany fifty-two years ago last April. His parents moved to America when he was three years old. Was married to Catherine Miller in Mercer county, Pa., about 31 years ago. He moved to this place 14 years ago. Mr. Miller was a member of the Knights of Pythias lodge of Reynoldsville. He is survived by his wife, six sons and two daughters, Ferdinand Miller, of Kittanning, Adam, Paul, George, Emma, John, Annie and Albert, at home. Time of funeral had not been settled last evening, but will not likely be until Friday.

DuBois "Express" Falsified. In reporting the foot ball game that was played at DuBois last Thursday between the "Indians" of Reynoldsville and Ridgway team the DuBois Express says: "The game broke up during the second half by the contestants getting into an argument and finally into a fist fight." The Express either willfully told a falsehood or the editor got his information from an unreliable source. The foot ball players did not fight, nor even threaten to punch each other. A couple of outsiders did "scrap," but the foot ball teams were not responsible for that and it is now up to the Express to retract the false statement made, that is if the Express wants to be honest and fair.

Prosperous Town. The editor of THE STAR spent an hour in Sykesville Friday afternoon of last week and we found that once quiet hamlet now a live town, bristling all over with prosperity. A number of new buildings have been erected there this year and still the good work goes merrily on. The new hotel in course of construction is the nearest approach to a skyscraper in the town. Long & Eatey are erecting a large frame building with four large store rooms. Among the other substantial improvements in Sykesville is a new brick parsonage that the Methodist Episcopal congregation is building. This congregation erected a brick church several years ago, but as this is the first year a Methodist preacher has resided at Sykesville there was no need of a parsonage before. The First National bank of Sykesville will erect an imposing brick building in the near future. One thing sure, the town does not lack for stores, but some of the stores may be a little short of customers.

GAME OF FOOT BALL

"Indians" of Reynoldsville and Ridgway Team Played at DuBois Thursday. The game of football between the "Indians" of Reynoldsville and the Ridgway team at the Driving Park in DuBois last Thursday afternoon was witnessed by a large crowd, over one hundred "rooters" accompanied the "Indians" from Reynoldsville. The teams were evenly matched and played excellent, clean ball, but the game ended in a very unsatisfactory manner.

The game of football between the "Indians" of Reynoldsville and the Ridgway team at the Driving Park in DuBois last Thursday afternoon was witnessed by a large crowd, over one hundred "rooters" accompanied the "Indians" from Reynoldsville. The teams were evenly matched and played excellent, clean ball, but the game ended in a very unsatisfactory manner.

Ridgway kicked to Indians' 10 yard line, Williams ran it back 10 yards; Bohren made 20 yards around right end; Copping and Gibson each made short gains through the line. End runs failed to gain and ball went to Ridgway on downs. Ridgway made several good gains on line plunges. The Indians by playing too high gave an advantage to the opponents by their added weight.

In the second half the Indians kicked to Ridgway and ball was returned to 40 yard line. On big plunges through the line and short gains on the ends Ridgway carried the ball to the Indians' 40 yard line where they were held for downs. Bohren failed to gain and the ball was given to Copping who smashed through tackle for 10 yards which would have likely resulted in a touchdown had he not been forced to the field by the spectators. On the next play Bohren, like a bolt of German lightning, got around right end for 65 yards and a touchdown. Ridgway claimed there was holding on the line. The ball was brought out to the 25 yard line for the Indians to kick and Ridgway given the 10 yard line to defend their goal. Cushman kicked goal. Then by an interpretation of foot ball rules and a mode of decisions understood by no one but the referee alone, the game was decided 6 to 0 in favor of Reynoldsville and all bets declared off. As he had decided all bets off he later declared the game to be 0-0.
