## The New Ballot.

The new ballot, which our people had the first opportunity to see in all its abnormality of feature last Tuesday, certainly deserves to take the premium for stupidity and absurdity. No better device could have been conceived to confuse and befuddle the voter. Instead of making it as easy as possible for him to express his will at the polls this ballot makes it as difficult as possible. Those ridiculous boxes in the left hand column, to the casual observer, look like mere meaningless gingerbread, and the impulse is to mark in the square at the head of the Presidential electors. Unless the closest attention was paid to this many of the voters, whose intention was to vote the straight party ticket, would vote only for the Presidential electors, thinking they were voting for all the candidates of the party of their choice. Of course the election officers could not assume that this was the meaning of the voter, and as a consequence a number of votes were lost to the State and County ticket in each precinct. On this account the State and County ticket in Jefferson County will run eight or nine hundred votes behind the National ticket. And taking the State as a whole the discrepancy will amount to many thousands of votes.

For this the voter is not to blame, for he is not presumed to go to the polls to figure out a Chinese puzzle, but to exercise the right of suffrage. The first thing the next legislature ought to do is to amend the ballot law by obliterating the boxes to the left and putting a circle at the top of each column, a mark within which will be equivalent to a mark opposite the name of each candidate of that party. And all the names of the candidates of a particular party should be in the same column, under the same heading. With the present ballot it is almost impossible, when within a dark little voting booth, to find the State and County tickets at all.

This monstrosity of a ballot is the work of the Ballot Reform Association, with some attempted improvements by the Legislature in the way of making it possible to vote a straight party ticket without being an expert in the art of deciphering enigmas. But the effort was a dismal failure. The absurdity of this ballot was not demonstrated at the last State election, because there were no Presidential electors on it to confuse the voter. But now that it has been clearly demonstrated that it is the most successful thing ever devised to defeat the will of the voter, there should not be another election held under its ridiculous provisions.—Punxsutawney Spirit.

## Why You Should Visit the World's Fair.

The principal reason why a visit should be made to this greatest of Expositions is on account of its educational value. A visit to the World's Fair is in itself a trip around the world, for fifty cents, the price of admission. The president of one of our greatest universities has said "To the bright student the Exposition is worth a thousand college lectures." The opportunity of a life-time is afforded in which to acquire, by a few days' sojourn at the Fair, an education which could not otherwise be received. The World's Fair Grounds cover over 1,200 acres, being more than twice as large as those of the World's Columbian Exposition at Chicago.

Only a few weeks remain in which to take advantage of this great opportunity. Every day from now until the close of the Fair is a "special" day. The Wabash is selling daily excursions tickets to the Fair at greatly reduced rates; \$12.00 St. Louis and return, on sale daily, except Fridays and Saturdays. Tickets good in Palace Reclining Chair Cars; \$15.00, St. Louis and return. Tickets on sale daily, and good in either Palace Reclining Chair Cars or Pullman Sleepers. The Wabash operates through trains from Pittsburg to the World's Fair Main Entrance, at Liberty Avenue and Ferry Street, at 2:00 p. m. and 8:30 p. m. daily, City Time.

Detailed information regarding rates and train service, to St. Louis, as well as to many Homeseekers' points in the West, Northwest and Southwest, cheerfully furnished at Wabash City Ticket Office, 320 Fifth Avenue, Depot Ticket Office, Wabash Station, Pittsburg.—12-14-'04.

## Not A Sick Day Since.

"I was taken severely sick with kidney trouble. I tried all sorts of medicines, none of which relieved me. One day I saw an ad. of your Electric Bitters and determined to try that. Neighbors of mine have been cured of Rheumatism, Neuralgia, Liver and Kidney troubles and General Debility." This is what B. F. Bass, of Fremont, N. C., writes. Only 50c. at H. Alex. Stoke, Druggist.
