

## Hold Fire 36 Hours

### COLE'S HOT BLAST

Does it with either ordinary soft coal or hard coal. This stove is the ideal heater because the fire is never out, the rooms are heated evenly, and best of all, it uses less coal than any other stove made. In fact, we guarantee it to save one-third in fuel over any lower-draft stove the same size.

Cole's Hot Blast will burn briskly for two hours in the morning with coal put in the evening before. Simply open the draft.

These wonderful results are possible because of the patented Hot Blast draft used in connection with the patented air-tight construction (see picture), which we will show in detail if you will come to the store. We guarantee it to remain air-tight as long as used.

**DON'T PUT UP WITH YOUR OLD STOVE ANOTHER YEAR**

It is false economy. Cole's Hot Blast saves its cost in fuel every year and at that gives most satisfactory heat; it is clean, and is sold under a positive guarantee.

If you enjoy the luxury of dressing in warm rooms without the necessity of kindling new fires, investigate Cole's Hot Blast today.

### Why You Should Visit the World's Fair.

The principal reason why a visit should be made to this greatest of Expositions is on account of its educational value. A visit to the World's Fair is in itself a trip around the world, for fifty cents, the price of admission. The president of one of our greatest universities has said "To the bright student the Exposition is worth a thousand college lectures." The opportunity of a life-time is afforded in which to acquire, by a few days' sojourn at the Fair, an education which could not otherwise be received. The World's Fair Grounds cover over 1,200 acres, being more than twice as large as those of the World's Columbian Exposition at Chicago.

Only a few weeks remain in which to take advantage of this great opportunity. Every day from now until the close of the Fair is a "special" day. The Wabash is selling daily excursions tickets to the Fair at greatly reduced rates: \$12.00 St. Louis and return, on sale daily, except Fridays and Saturdays. Tickets good in Palace Reclining Chair Cars; \$15.00, St. Louis and return. Tickets on sale daily, and good in either Palace Reclining Chair Cars or Pullman Sleepers. The Wabash operates through trains from Pittsburgh to the World's Fair Main Entrance, all trains leaving the magnificent new passenger station, Corner of Liberty Avenue and Ferry Street, at 2.00 p. m. and 8.30 p. m. daily, City Time.

Detailed information regarding rates and train service, to St. Louis, as well as to many Homeseekers' points in the West, Northwest and Southwest, cheerfully furnished at Wabash City Ticket Office, 320 Fifth Avenue, Depot Ticket Office, Wabash Station, Pittsburgh.—12-14-04.

### Not A Sick Day Since.

"I was taken severely sick with kidney trouble. I tried all sorts of medicines, none of which relieved me. One day I saw an ad. of your Electric Bitters and determined to try that. After taking a few doses I felt relieved, and soon thereafter was entirely cured, and have not seen a sick day since. Neighbors of mine have been cured of Rheumatism, Neuralgia, Liver and Kidney troubles and General Debility." This is what B. F. Bass, of Fremont, N. C., writes. Only 50c, at H. Alex Stoke, Druggist.

### Florida and the Sunny South.

Beginning October 15, the Pennsylvania Railroad Company will sell Winter excursion tickets to the resorts of Florida, the Carolinas, and other states in the South and Southwest, at greatly reduced rates. For specific rates, limits, and other conditions, of tickets, consult any ticket agent.

### Doesn't Respect Old Age.

It's shameful when youth fails to show proper respect for old age, but just the contrary in the case of Dr. King's New Life Pills. They cut off maladies no matter how severe and irrespective of old age. Dyspepsia, Jaundice, Fever, Constipation all yield to this perfect Pill. 25c, at H. Alex Stoke's Drug Store.

### The Gentle Game of Football.

Notwithstanding the claims of its admirers that the game of football was being so modified that its dangerous features were being eliminated, it has claimed many victims this season. Besides the large number of fatalities there have been scores of minor injuries, to say nothing of the overtaxing of organs that will develop serious difficulties later on. In the whole domain of athletics there is no other game so brutal, senseless, unscientific and injurious to the constitutions of those who engage in it. Besides, it is utterly demoralizing in its effects upon college students who become its votaries. They are absolutely unfitted for intellectual pursuits and very frequently ruin themselves physically. That this game has become the leading athletic attraction at our great institutions of learning is certainly unfortunate and a standing reproach to those who countenance and encourage it.—Pankasutawney Spirit.

### Clerical Orders for 1905.

Pursuant to its usual custom, the Pennsylvania Railroad Company will issue clerical orders for the year 1905 to ordained clergymen having regular charge as settled pastors of churches located on or near its lines. Clergymen desiring such orders should make individual application for same on blanks furnished by the Company and which can now be obtained from the Ticket Agents. Applications should be sent to the General Office of the Company as soon as possible, in no case later than December 15, so that orders may be mailed by December 30, to all clergymen entitled to receive them.

### Cole's Hot Blast.
