THE EDWIN J. HADLEY MOVING PICTURE EXHIBITION

At Reynolds Opera House On DECEMBER 13, 1904 Under auspices EPWORTH LEAGUE

Has been universally conceded by press and public to be the best organization of its kind in America. The searchlight of criticism has failed to find any flaw in its equipment or methods.

Why You Should Visit the World's Fair.
 The principal reason why a visit should be made to this greatest of Expositions is on account of its educational value. A visit to the World's Fair is in itself a trip around the world, for fifty cents, the price of admission. The president of one of our greatest universities has said "To the bright student the Exposition is worth a thousand college lectures." The opportunity of a life-time is afforded in which to acquire, by a few days' sojourn at the Fair, an education which could not otherwise be received. The World's Fair Grounds cover over 1,300 acres, being more than twice as large as those of the World's Columbian Exposition at Chicago.

Only a few weeks remain in which to take advantage of this great opportunity. Every day from now until the close of the Fair is a "special" day. The Wabash is selling daily excursions tickets to the Fair at greatly reduced rates; \$12.00 St. Louis and return, on sale daily, except Fridays and Saturdays. Tickets good in Palace Reclining Chair Cars; \$15.00, St. Louis and return. Tickets on sale daily, and good in either Palace Reclining Chair Cars or Pullman Sleepers. The Wabash operates through trains from Pittsburg to the World's Fair Main Entrance, all trains leaving the magnificent new passenger station, Corner of Liberty Avenue and Ferry Street, at 2.00 p. m. and 8.30 p. m. daily, City Time.

Detailed information regarding rates and train service, to St. Louis, as well as to many Homeseekers' points in the West, Northwest and Southwest, cheerfully furnished at Wabash City Ticket Office, 320 Fifth Avenue, Depot Ticket Office, Wabash Station, Pittsburg, 12-14-'04.

Not A Sick Day Since.
 "I was taken severely sick with kidney trouble. I tried all sorts of medicines, none of which relieved me. One day I saw an ad. of your Electric Bitters and determined to try that. After taking a few doses I felt relieved, and soon thereafter was entirely cured, and have not seen a sick day since. Neighbors of mine have been cured of Rheumatism, Neuralgia, Liver and Kidney troubles and General Debility." This is what B. F. Bass, of Fremont, N. C., writes. Only 50c, at H. Alex Stoke, Druggist.

Florida and the Sunny South.
 Beginning October 15, the Pennsylvania Railroad Company will sell Winter excursion tickets to the resorts of Florida, the Carolinas, and other states in the South and Southwest, at greatly reduced rates. For specific rates, limits, and other conditions, of tickets, consult any ticket agent.

Doesn't Respect Old Age.
 It's shameful when youth fails to show proper respect for old age, but just the contrary in the case of Dr. King's New Life Pills. They cut off maladies no matter how severe and irrespective of old age. Dyspepsia, Jaundice, Fever, Constipation all yield to this perfect Pill. 25c, at H. Alex Stoke's Drug Store.

Bull Dog Boots.
 No use trying to beat the "Bull Dog" duck snag proof rubber boot we're selling. Ask one of the many wearers of "Bull Dog" boots. He will tell you how "tuff" they are. Cost no more than ordinary kinds. Bing-Stoke Co.

THE FIRE IS NEVER OUT IN A COLE'S ORIGINAL HOT BLAST STOVE
 The comfort of getting up in the morning and dressing in a warm room is one of the agreeable features in the possession of a Cole's original Hot Blast stove. The fire is never out in this remarkable stove, from the time it is set up in the fall until taken down in spring, and the rooms can be kept warm all night and for two or three hours in the morning with the fuel put in the stove the night before.

Just think what this means for the promotion of health. Sickness usually starts from a cold contracted in an unevenly heated house. Where the home can be evenly heated day and night colds are only a memory, and much sickness is thus prevented. Health, comfort, convenience and economy all go with the purchase of a Cole's Original Hot Blast. Investigate to-day.

COLE'S HOT BLAST
 A Stove that is Imitated—Get the Original

IMITATIONS of the original Hot Blast are many. None of them have the absolutely air-tight and gas-tight construction throughout which Cole's Hot Blast has by reason of its numerous patents. A patented steel collar connects the elbow draft to the stove body and cannot open by action of the fiercest heat. The patented compound hinge on the lower draft cannot warp, and the ash door closes airtight by its own weight. The patented smoke-proof feed door prevents smoke, dust or gas escaping when fuel is put in the stove. Perfect results, therefore, from soft coal. The heavy fire box protects the points where other stoves burn out first, and insures great durability.

Remember imitations lack the special features because these are fully patented and protected. All imitations soon open up seams and cracks which make them fuel eaters rather than fuel savers.

The name "Cole's Hot Blast from Chicago" will be found on the feed door of each stove. Be sure that you get the "Original Hot Blast." The most economical stove in the world for hard coal, soft coal, wood or cobs. Requires no change for hard coal, wood or soft coal.
