PROMPT AND RELIABLE.

Ætna Life Insurance Company of Hartford, Conn., Highly Endorsed.

CORSICA, PENN'A., JAN. 17, 1905.
W. J. Shaffer, District Manager Ætna Life Insurance Company, Brookville Penn'a.

DEAR SIR:—I received draft for one thousand dollars (\$1,000.00.) settlement in full under policy No. 355222, through your agent, Mr. Perry B. Love, of Reynoldsville, Penn'a., who wrote the application for this policy, which was issued November 14, 1904, on the life of my son, William Gilkey Simpson, who suddenly took pneumonia two weeks later and died December 13, 1904, twenty-nine days from the date the policy was issued.

It will always be a pleasure for me to recommend the Ætna Life Insurance Company, of Hartford, Conn., for their prompt and satisfactory settlement of this claim. I desire to thank you and Mr. Love for the kind and courteous treatment shown me in this matter.

Very Respectfully,
MARY E. SIMPSON.

The Editor's Career.

The stork disappears and we look into the cradle and behold a male child. After running the gauntlet of measles, mumps and chickenpox he enters school. At the age of ten he is a red-headed, freckled-faced boy and the terror of the neighborhood. At 12 he is an apprentice in a printing office. At eighteen he has acquired two cases of long primer and an army press, and is the editor of a country newspaper. At 20 he is married. At 30 he is bald-headed, stoop-shouldered and the father of a large family. At 35 he is a corpse in a cheap pine coffin and his 500 delinquent subscribers file past his bier and are heard to say: "He was a good fellow, but he couldn't save his money."

Found Guilty.

The Reynoldsville Hardware Co. has been convicted of selling the "Pioneer" gas light, the best light yet introduced in town. The penalty will probably be very light and they will still continue to sell the same light.

A Grim Tragedy

Is daily enacted, in thousands of homes, as Death claims, in each one, another victim of Consumption or Pneumonia. But when Coughs and Colds are properly treated, the tragedy is averted. F. G. Huntley, of Oakland, Ind., writes: "My wife had the consumption, and three doctors gave her up. Finally she took Dr. King's New Discovery for Consumption, Coughs and Colds, which cured her, and to-day she is well and strong." It kills the germs of all diseases. One dose relieves. Guaranteed at 50c and \$1.00 by H. Alex Stoke, druggist. Trial bottle free.

Spotted Her Beauty.

There is a special law providing punishment of not more than \$100 fine or imprisonment, or both, for persons convicted of marking with chalk or pencil or otherwise defacing buildings or other property. This is not generally known among boys and young men who are sometimes guilty of such offenses, and they should be careful how they thoughtlessly, maliciously or willfully deface buildings or porches in whatever manner.

Sickening Shivering Fits

Of Ague and Malaria can be relieved and cured with Electric Bitters. This is a pure, tonic medicine, of especial benefit in malaria, for it exerts a true curative influence on the disease, driving it entirely out of the system. It is much to be preferred to Quinine, having none of this drug's bad after-effects. E. S. Munday, of Henrietta, Tex., writes: "My brother was very low with malarial fever and jaundice, till he took Electric Bitters, which saved his life." At H. Alex Stoke's drug store; price 50c, guaranteed.
