

Sykesville.

Friday morning a team of horses belonging to P. S. Reed attached to a light hack, which was being used as a milk wagon, slipped away from their driver at Geat's blacksmith shop on Park street, ran up Main street, where they turned to Station avenue and ran to the depot. Having thus come to the end of the street they passed through between the depot and a local freight train that was standing in front of the depot and continued on up the railroad to a point where the railroad crosses the creek on a high bridge. Here they came to a sudden stop, but instantly turned and in doing so the team, milk cans and all rolled down over the embankment, a distance of about forty feet into the creek, where they stopped until the driver, accompanied by about twenty-five men and boys, came up and liberated them. The team came out of the wreck without a scratch, but Mr. Reed says the damage to the hack will be at least twenty-five dollars.

Fourteen members of the Sykesville M. E. church choir, with their orchestra, accompanied their pastor, Rev. D. J. Frum, to his appointment at Sandy Valley Sunday afternoon. They were given possession of the choir box by the good people of that place, which they filled very creditably. After the regular preaching services they rendered several selections in which the pastor gave valuable assistance by singing several solos. All were well pleased with the hospitality accorded them by the people of Sandy Valley and finally accepted an invitation to come again.

Supt. R. B. Teitrick visited our schools last Wednesday forenoon. Although coming unannounced he found the schools well attended, there being but few absentees. The superintendent reports the schools in first class condition and was well pleased with the progress of the schools since his last visit. He was accompanied by directors W. H. Reber and G. E. Null. H. B. Phillippi was also a visitor at the same time.

J. L. Shaffer has received his samples of brick from the American Clay Working Co., of Bucyrus, Ohio, and they are fine. Mr. Shaffer is well pleased with the samples and is convinced that he has the right material for making brick. He says that work will begin on the new plant as soon as possible.

Mrs. Charles Waugh and her daughter, Miss Belle, Mrs. J. C. Schoch and Mrs. H. A. Loghry, of DuBois, visited relatives in town on Tuesday.

Miss Genevieve Grindler, who has been on the sick list for more than a month, is improving under the care of Dr. G. B. Hennelgh.

Mrs. W. A. London attend the wedding of her niece, Miss Clara Shaffer, at Reynoldsville Wednesday.

There were three accessions to the M. E. church on Sunday by certificates.

Incredible Brutality.

It would have been incredible brutality if Chas. F. Lamberger, of Syracuse, N. Y., had not done the best he could for his suffering son. "My boy," he says, "cut a fearful gash over his eye, so I applied Bucklen's Arnica Salve, which quickly healed it and saved his eye." Good for burns and scalds too. Only 25c at H. Alex. Stokes's drug store.

Thirty or thirty-five is the number wanted to start with, and that number ought to be gotten at this place without any trouble. Some of the big men will be here on above date to do the talking, so I understand. Everybody in the neighborhood should turnout to this meeting.

FOR SHERIFF.

Worthy Reynoldsville Man Presenting His Case to Republicans.

Grant Sheafnocker, of Reynoldsville, who is getting his fences in shape for a campaign for the Republican nomination for Sheriff of Jefferson county at the June primaries, was in town last Saturday evening calling on friends and looking over the field. Mr. Sheafnocker is a hard working young man and stands well in the community where he has lived for many years. He is in every sense of the word a working man and is deserving of consideration at this time. He is an ardent supporter of the Republican party and has done much to further the interests of the same. As a citizen he possesses the proper make-up of a man of integrity, honesty and energy, and he goes before the people in this campaign with a clean record. Mr. Sheafnocker says he is meeting with gratifying success in his canvass and he proposes to stay in the fight to win if possible. As Mr. Sheafnocker is one of the men who works hard for a living he thinks he is especially deserving of the consideration of the working people. At the proper time Mr. Sheafnocker will see the people of the various districts and present his case to them. If nominated and elected he will make a good sheriff and will serve the people in a manner that will be worthy of commendation.—Brookwayville Record.
