An Efficient Official

In this issue of THE STAR will be found the announcement of Cyrus H. Blood, of Brookville, as a Republican candidate for the nomination for prothonotary and clerk of courts. Mr. Blood, who is now incumbent of that office, and has been for several terms, is one of the most efficient officials that was ever elected to a county office. On account of his genial spirit and willingness to accommodate the people he has a host of friends in the county. There are other offices in the county that pay more than double the amount of money paid to the prothonotary, which Mr. Blood could be elected to for the asking. GIRL DROWNED AT RATHMEL. Fell Off a Foot Bridge Into Rushing

Sunday afternoon Martha Goncoske, aged seven years, daughter of a Polander, fell off a foot bridge that is swung across Soldier Run at Rathmel and was drowned. The hard rain Saturday night had swollen the small stream and made it deep and swift. When Martha fell in there was no person nearby but some other children and an Italian. The children could not rescue their companion and it is claimed the Italian stepped into water and then turned back saying, "too colda," and let the child go down to death without an effort to save her. Six or seven men waded into the cold stream with rakes searching for the body and finally found it some distance down the stream lodged in some bushes.

Funeral service was held in the Catholic church at this place yesterday forenoon and interment was made in Catholic cemetery.

Died at Rathmel.

Miss Lilly May Beveridge, daughter of Mr. and Mrs. James Beveridge of Pittston, Pa., died at the home of her sister, Mrs. Joseph Bateson, at Rathmel, on Sunday, March 19, 1905, at 8.30 a. m., aged 23 years, 4 months and 16 days. Miss Lilly was born at Barclay, Bradford Co., Pa., November 3rd, 1880. When about three years old her parents moved to Rathmel, where Miss Lilly ever after resided, with the exception of five months spent in Brockwayville. In August, 1904, her parents moved to Pittston, but Litly soon returned to home of her sister at Rathmel. March 8th Lilly sent for Rev will be published next week, found that Dr. Meek, who explained the gospel and prayed for her and she gave herself township who disappeared from his fully to God. Interment was made in the Reynoldsville Cemetery. Deceased is survived by her parents, four brothers and five sisters.

An Excellent Lecture.

The lecture delivered in the Metho dist Episcopal church in Reynoldsville on Thursday evening of last week, March 16, by Rev. G. S. Womer, of Hollidaysburg, a former Reynoldsville boy, was an excellent lecture. It was intensely interesting and very instructive. Rev. Womer, who spent two years in Utab, is familiar with his subject, "The Mormonism of To-day," and he handled it in an able and very pleasing manner, and for one hour and fifteen minutes held the close attention of his audience.

Rev. Womer, now pastor of the M E. church at Hollidaysburg, by bard study, has made of himself an able and scholarly preacher, and if no misfortune befalls him, will become a prominent minister in Methodism, and Reynoldsville will be justly proud of him as one

WANTED TO SHOOT OFFICER.

Quick Action of Chief-of-Police Adelsperger Saved Him from Being Shot.

Two Italians who were acting supiciously and answered closely the descriptions of the two men wanted for shooting a Slav near Punxsutawney last Wednesday evening, were hanging around the mines at Soldier Friday and word was sent to Reynoldsville for Chief-of-Police Adelsperger to go to Soldier to arrest the men. Mr. Adelsperger went up and found the men near the engine house. When close to them one of the Italians started to run and Mr. Adelsperger started after him through the engine house. The Italian crew a 38 calibre revolver while running, but the officer was close enough to grab the revolver when the fellow turned to use it. Mr. Adelsperger took a death grip on the weapon, and finally after a hard tussle, took the revolver from the Italian, but injured his hand badly. Had the Italian been a few paces ahead of the officer we might be publishing an obituary for our chief-ofpolice this week.

The Italian was not the man wanted for doing the shooting at Punxsutawney. but he was a stranger at Soldier and evidently is wanted some place for committing a crime.

Unkind and Untruthful Remarks, The Reynoldsville people highly appreciate the kind and friendly treatment accorded them by the Brookville high school pupils and citizens of that town at the contest in the Belvedere opera house on the 10th instant, but the untruthful remarks of the Brookville Democrat last week are different. The Democrat said: "In 1903 the contest was at Reynoldsville, when that school won through the extreme partiality of one of the judges, rather than on the merits of their contestants."

That is a false and unkind statement. Reynoldsville won the contest in 1903 on merit only.

The Democrat also said that the Brookville high school pupils and friends were not treated kindly at Reynoldsville in 1903. Again our friend deviates from the truth or has been misinformed.

Business Change.

Austin Robinson, who comes from Loudenville, West Va., has bought and taken charge of the Star Grocery store in the Centennial building, corner Main and Fourth streets. Mr. Robinson took charge of the store last week. He has had five years' experience in the store business and carries with him recommendations from some prominent citizens of Loudenville that speak very flatteringly of him.

Mr. R. Z. Parrish, who conducted the Star Grocery store successfully over a year, disposed of the store on account of his connections with the Reynoldsville Trust Company, which will require all his time.

Visiting Other Schools.

The directors of the public schools of this borough granted the teachers a day off to visit other schools in this section. Thursday of last week Misses Blanche Thornton, Anna Kunes, Olie Ross and Anna Davis visited the Ridgway schools in the forenoon and the Falls Creck schools in the afternoon. Monday Miss Margaret Butler visited noon and Brookville schools in afternoon. Yesterday Prof. / D. S. Bacon visited the Brookville schools. Other teachers will go out this week or next week to visit other schools.

School Report.

The report of the public schools for the month ending March 14, 1905, is as follows: Boys enrolled, 308; girls enrolled, 327; total enrollment, 635, Boys' average percentage of attendance 92; girls' average percentage of attendance, 91: average percentage of all pupils, 91.5. Boys neither absent nor tardy, 118; girls neither absent nor tardy, 129; total pupils neither absent nor tardy, 247. Percentage of boys neither absent nor tardy, 38; of girls, 39 : of all pupils 39.
