**Patten and Perry.**  
Patten and Perry will offer that funny musical farce comedy and vaudeville attraction "Jerry from Kerry," in which that cheerful, comic, coxibinary character is the central figure, at the Reynolds opera house Friday, April 21. The interest in the laughable, diverting and humorous incidents, events and happenings of this comedy never ceases or flags, and its success has been little short of amazing. Undoubtedly the profuse comedy it contains has had much to do with securing popular favor, and the scenes and adventitious incidents bustling in animated action, bristling in effervescent humor, bubbling with unadulterated mirth and permeated with startling novelties, quaint originality and catchy music, elaborate costuming and presented by a cast of the very best and highest salaried artists possible to secure and they have all contributed to its phenomenal success. This company also carry their own superior uniformed concert band and orchestra which is a special feature. Don't miss the free band concert at noon at 7.30. Remember the date. **AN ELEGANT BARBERSHOP.**  
Latest Improved Chairs, Fine Furniture, Compressed Air Outfit, &c.  
Jarvis and Joseph Williams, barbers, who have been conducting a barbershop in Reynoldsville several years under the name of Williams Bros., opened a new and up-to-date shop in the first floor room in the Evans building near postoffice last Thursday evening. A more elegant and complete barbershop will not be found outside of the large cities, in fact it would be an attractive shop in any city.

There are four chairs in the shop of the latest improved hydraulic forward motion make. In front of the chairs is a large oak case with four large French plate beveled mirrors 54 x 54 inches, connected by glass strips 12 x 54 inches, making a mirror 54 inches high and 22 feet long. At each end of case are two large columns. Back of each chair is a work stand for tools, towels, &c. These stands are on rollers. In front of each chair is a large vase for soiled towels. Large glass-doored cup case at opposite side of room from chairs. Dressing glass in front part of shop. Two or three leather covered settees and several rocking chairs are part of the furniture of the shop. A four chair compressed air outfit furnishes air for cooling, spraying, drying and massage. The floor is covered with inlaid linoleum and the room is well illuminated at night. All the furniture of the shop is golden oak finish. The room is large and has been nicely papered and painted. There is a bath room in connection with shop.

**The County Superintendency.**  
Prof. R. B. Teltrick has authorized the Republican to announce to the school directors of Jefferson county, who will meet in convention in the court house in Brookville on Tuesday, May 2, 1905, at 2.30 o'clock, for the purpose of electing a County Superintendent of the common schools for a term of three years, that he is a candidate for re-election to that office. This announcement is not startling in its nature, as it has been very generally conceded in all parts of the county that he would be a candidate, inasmuch as he had declined several offers for his services during the past year that had more than ordinary inducements and considerations attached to them. That Prof. Teltrick has made an excellent superintendent is conceded on every hand; his administration has been wide-awake, progressive and eminently successful, so much so that it has attracted attention beyond the borders of our own county and brought to him many flattering commendations from prominent educators throughout the state. Prof. Teltrick's claims to a re-election are well established by the record he has made, and it is upon this record that he goes before the directors for their decision.—Brookville Republican.

**Broadhead's Withdrawal Notice.**  
In consideration of the fact that there were two candidates from this district for the Republican nomination for sheriff, I have decided not to be a candidate at this time, and hereby announce to the Republican voters of Jefferson county that I have withdrawn from the contest. I am very thankful to my numerous friends who gave me encouragement and would have loyally supported me at the primary election.

**AN OLD SETTLER GONE.**  
Benevill Snyder Departed This Life Saturday Evening—Dropsy Cause of Death.  
Benevill Snyder, one of the old settlers who resided near Deemer's Cross Roads, died at his home at 7.00 p. m., Saturday, April 15, 1905. He had been in poor health all winter. Dropsy was cause of his demise. Benevill Snyder was born in Schuylkill Co., Pa., November 17, 1823, and was 81 years, 4 months and 23 days old at time of death. Deceased was married to Lydia Zimmerman in 1847. Unto them twelve children were born, seven sons and five daughters. Three daughters and one son preceded the father into the Eternal Land. The widow, six sons and one daughter survive the deceased. The children are: Sebastian, Jonathan, Isaac, Gideon, Jess and Frank Snyder and Mrs. George Burkett.

Benevill Snyder moved to this section of Jefferson county fifty-two years ago. He was an industrious and hardworking man in his younger days. Funeral services were held in the Chestnut Grove Lutheran church at 2.30 p. m. Monday, conducted by Rev. J. W. Myers. Interment was made in the Smith cemetery.

**The Assessor's Reply.**  
I wish to make a reply to "Yours Very Truly" concerning the assessment made by the assessor of Winslow township. The coal miner that was asked what his occupation was, replied that he was a coal miner and he was assessed at \$75.00, and when his neighbor was asked by the assessor what his occupation was he replied that he was a day laborer, and was accordingly assessed at \$65.00 and hence the difference in the assessment. These parties may not have told the assessor the truth, but we only had their word for it.

"Yours Very Truly" objects to men that are to old to do any work being assessed with occupation tax anywhere from \$75 to \$150. These old men may be to old to work, but is the "Dear Assessor" to blame when these old men tell him they are either coal miners who are assessed at \$75 or men engaged in the store business who are assessed at \$150 occupation, according to the instructions from the county commissioners?

"Yours Very Truly" complains about one man being assessed with seven head of horses at \$150 and another man being assessed with two horses at \$240. In answer to this the "Dear Assessor" would say that he would not care to buy the seven head of horses for \$100.00, while he would pay \$240.00 for the team.  
DANIEL WISE, Assessor.
