Popular Candidate.

Harvey D. Haugh, one of the commissioners of Jefferson county, was in town from Brookville yesterday in the interest of his campaign for re-election. Mr. Haugh, who is a pleasant and affable gentleman and who has filled the office of commissioner successfully during the past term, is meeting with encouragement and strong assurance from his many friends throughout the county and his chances of the nomination are growing brighter as the day of the Republican primaries approaches. In addition to having made a good official, and one who is in every way qualified to fill the office of commissioner to the entire satisfaction of the people, Mr. Haugh has claims on the office to which he aspires in the way of precedent, which makes it customary to allow commissioners two terms. This has been the case in Jefferson county for a long time and Mr. Haugh naturally expects the same consideration from the Republicans of the county. For several months Mr. Haugh has been getting his fences in shape for the nomination and he feels confident that he is entitled to it and will receive strong support at the coming primaries.—Brockwayville Record.

Second Largest Retail Business in DuBois.

The recent official mercantile report of Clearfield county for 1904, certified to the county treasurer by the mercantile appraiser, shows that the Union Bargain store does the second largest retail business in DuBois. It also shows that this store does the third largest retail business in Clearfield county. The principles on which Domb and Stockdale Bros. founded their business ten years ago have won for them a substantial growth. This year promises to be their record breaker. April of this year showed an increase for them of a little more than 50 per cent over April of last year.—L.

Summer Resort to be Improved and Beautified by Expenditure of \$5,000.

D. H. Clark, general superintendent of the Jefferson Traction Company, returned from Pittsburgh last night, where he entered into a contract with the John J. Oates Stock Company to lease Highland Park for a period of ten years. This company is composed of a number of substantial men who are veterans in the business and are now proprietors of some of the most attractive summer resorts in the vicinity of Pittsburgh. As soon as the lease can be drawn up and sent to Pittsburgh to be signed, a representative of the Oates Company will be sent to this place to make arrangements for putting the park in condition to open the season. It is the intention of the lessees to expend \$5,000 this spring in beautifying the park and securing attractions, and if the venture proves a success to add to their expenditures annually.—Punxsutawney Spirit.

MOVED TO FALLS CREEK.

Rev. J. E. Kanarr, Pastor Gethsemane Baptist Church at Allen's Mills, Changed His Residence.

Rev. J. E. Kanarr, who for a number of years past has been the pastor of the Gethsemane Baptist church at Allen's Mills, has moved his family to Falls Creek, where he will live in rented rooms until his new house is completed. Hereafter he will devote all his time to the churches at Falls Creek and West Liberty. The people of Allen's Mills and Beechwoods are sorry to have Mr. Kanarr and his family move away. He has been a successful and hardworking pastor and has made many friends during his stay among us. The Baptist church at Allen's Mills, like the Presbyterian church at Sugar Hill, will now have to be on the lookout for a new pastor.—Beechwoods cor. to Falls Creek Herald.

Silk Mill Proposition.

We are reliably informed that Clarion now has an opportunity to secure a valuable industry, that will employ 200 or more people. The projectors of this industry ask for nothing except that the people of Clarion subscribe for \$40,000 worth of preferred stock guaranteed to pay six per cent. The projected plant is a silk mill and the proposition comes through D. Nolan who may be seen at the New Jones House. Mr. Nolan's proposition does not ask for a free site, free gas or water nor contributions of any kind. A silk mill such as has been successfully operated at Reynoldsville for the past five or six years would prove a valuable acquisition to Clarion's industries, and the amount of stock subscriptions asked for is not unreasonable.—Clarion Republican.

Mr. Kelly is conducting a clean and honorable campaign, and the straightforwardness and known integrity of the gentleman is making for him a host of friends throughout the county.
