I. S. COOPER POPULAR CANDIDATE

Brockwayville Man is Deserving of Sup-port of Jefferson Co. Republicans.

In a few days the Republicans of Jefferson county will be called upon to nominate men for the various offices that will be vacated with the close of this year, and one of the most important offices to be filled is that of county commissioner in which capacity men are given the responsibility of conducting the business of the county as well as looking after the interests of the people within the district. In the selection of county commissioners voters should elect men who are known to be worthy of their support and who will give the duties entrusted them the proper and careful attention they deserve. Brockwayville has a candidate for nomination and election to the office of commissioner and the Record is pleased to say that there is no man who is better qualified or more capable to assume the responsibilities of this im portant office than James S. Cooper. in Mr. Cooper this town and the county has a man who is a staunch Republican and known to be an active worker for many years who has never had recognition at the hands of the party. In this worthy son of the Beechwoods is a recognized man of ability, honesty and integrity, a man of good morals, a public spirited and popular citizen who is well known and highly esteemed from one end of the county to the other. The office to which he aspires is an important one and if he were not capable of filling it with utmost satisfaction to the people James Cooper would not seek

the support of his friends. The subject of this article, J. Cooper, was raised on his father's farm and lived at home until he was a young man. In 1886 he was injured in the woods while at work, h ving been struck with a heavy moving log which laid him up for two years, and he has since and will always be a cripple. Mr. Cooper is considered one of the best citizens of town and has always taken an active part in the affairs of the town and county. He has been assessor of this borough for ten consecutive years which is evidence of trust and goodwill of the home people. Fifteen years ago Mr. Cooper was a candidate for county treasurer, having 1500 votes and being the second highest of four or five candidates. He lost the nomination, as did the highest man, on account of the low candidates giving their electors to the third man who was declared, according to the rules then in vogue, elected. The contest at that time was considered a hot one.

Brockwayville has no better citizen and Jefferson county has no better man for the position of county commissioner than J. S. Cooper. The Republicans of Jefferson county will be only doing their duty and will appreciate the wisdom of their decision in the future if they select for one of their commissioners at the primaries on the 17th of this month J. S. Cooper, of Brockwayville.-Brockwayville Record.

The graves of our dead heroes were strewn with flowers by flower girls. After having music by the band they marched to Romantic Park, where they had more music by the orchestra and band, a short talk on "Our Martyred Presi dents" by P. S. NNOUNCING HIS CANDIDACY.

F. Reitz, of Beaver Township, Making Another Campaign for Commissioner. We have been authorized to announce at Mr. A. F. Reitz, of Beaver township, the well known stonemason and contractor, will be a candidate for the Republican nomination for county com-

missioner at the ensuing primary election. Mr. Reitz was a candidate for the same office three years ago, and received a very large vote for the first time his name was before the people, and his candidacy at this time, in addition to the fact that he wants the office, is in answer to the assurance he has received from many of the leading citizens of the county that if he would be a candidate again he would certainly be elected. Mr. Reitz is a man well qualified for the successful performance of the duties of the office he seeks. He is a successful farmer and business man, and has had an extended experience as contractor and bridge builder that would be of special value to the people of the county. He has followed the business of contracting for and building bridges for fifteen years, two state bridges, the White street bridge, in Brookville, and another bridge that spans the Susquehanna river at Curwensville, being among the big con-

of the stone work for the Pickering street bridge recently completed at this place, and was offered a permanent position by the Penn. Bridge Company, but his preference is to be more closely identified with his own business in terests here at home, that will bring him into closer touch with the affairs of his native county in which he has always held the timely concern befitting good citizenship. Being a man of good judgment along that important line, and possessing at the same time those correct business principles that will enable him to perform the duties of the office successfully and Mr. Reitz is quite generally regarded as a strong candidate and he has a host of friends and acquaintances who are doing all in their power to secure for him the nomi nation. And having an earnest and honorable desire to succeed, he most respectfully solicits the influence and support of the Republicans of the county generally -- Brookville Repub-

Glendale.

The 'phone is coming.

There will be an ice cream festival at Hormtown Grange hall Saturday even ing, June 10th, to which all are invited. Miss Fannie Best, Mrs. William Shumacker and Mrs. Nancy Hanhold and son were making callers in Glendale the

past week. A daughter was born to Mr. and Mrs Charles Burkhouse on Friday of last week. It lived but a few hours. The funeral services were conducted at the house at 10.00 o'clock on Monday by Rev. W. H. Garnett, of Emerickville. Interment in Emerick ville cemetery.
