DWELLING HOUSE BURNED.

John Griffith had to jump out of Second Story Window to Save His Life.
 About one o'clock Saturday night the dwelling house of John Griffith, on Fifth street, with all its contents, was destroyed by fire. Mr. Griffith was sleeping in the house alone, his wife and daughter being out of town, and when he was awakened by neighbors the fire had gained such headway that he had to jump out of the second story window to save his life. The household goods and most all the clothing of the family was burned. The fire started between the ceiling and second floor, near the chimney, presumably from a defective flue. It was a frame house, mostly pine, and burned very rapidly. Mr. Griffith carried \$600.00 insurance, but he says that is away below his loss.

McCamey. The following day they began housekeeping on Fourth, in a house Mr. Smith had furnished before he took unto himself a wife.

Exchanged Pupils.

The Presbyterian, Baptist and Methodist pastors sprang a little surprise on their congregations Sunday evening by exchanging pupils without announcing the fact to their respective congregations. Rev. A. D. McKay preached for the Methodist congregation, Rev. J. A. Parsons preached in the Baptist church and Rev. A. J. Meek in the Presbyterian church.

Dought-Deemer Nuptials.

Flem S. Dought, son of Robert Dought, and Miss Cora V. Deemer, daughter of D. Webster Deemer, two fine young people of Winslow township, were united in marriage at the home of the bride's parents at high noon on Wednesday, October 18, 1905, in the presence of a number of relatives of the contracting parties. Rev. J. C. McEntire, of West Reynoldsville, officiated. After congratulations and good wishes for the bride and groom, a sumptuous wedding dinner was served. The young couple received a number of useful and valuable wedding presents.

Had Narrow Escape.

Jasper N. McEntire, of this place, who is the blacksmith at Eleanora shaft, had his left leg badly injured last Thursday morning and had narrow escape from instant death. Mr. McEntire was going into mine to do some work on the electric motor and was overtaken by a loaded car that is used as a dummy. Mr. McEntire did not hear the car coming up behind him until it was too late to get out of the way. His left leg, from knee to ankle, was badly lacerated and one bone broken. Mr. McEntire is very thankful that he escaped without more serious results.

Hands Badly Burned.

W. S. Christy, proprietor of the Star Dairy, had both hands badly burned last Wednesday noon in saving his house from being destroyed by fire. Mr. Christy's three and a half year old son had been sent up stairs to bed after dinner and after he got in bed one of his brothers made some noise in the yard which attracted the little fellow and he got up to look out of the window. He found some matches on the bureau and he ignited one and set the window curtain on fire. The boy in the yard saw the blaze and gave the alarm. Mr. Christy ran up stairs and threw the burning curtains out of window, but not before the wall and ceiling were on fire.

Clearfield and Franklin Railroad.

Some newspapers are predicting that the Franklin & Clearfield branch of the Lake Shore railroad will only be built between Franklin and Brookville and that the P. R. R. track will be used from Brookville to Hopkins, R. & F. C. track from Hopkins to Falls Creek and B. R. & P. track from Falls Creek to Clearfield where connections will be made with the Beech Creek. We don't believe the P. R. R. track will be used between Hopkins and Brookville, but do think the new railroad will be built to connect with the R. & F. C. near Hopkins. If the P. R. R. track is to be used between Brookville and Hopkins there will have to be considerable change made in the grade of the Franklin & Clearfield at Brookville from what it is now, as grade is away above the P. R. R. at that point. The new road will cross the P. R. R. three times between Brookville and Hopkins if built on present survey.

Birthday Surprise Party.

Saturday, October 21st, there was a birthday surprise party pulled off at the residence of Mr. and Mrs. D. E. Stanford near Sandy Valley, Pa. The day was intended for Mr. Stanford's sixty-fifth birthday. The morning was chilly and Mr. Stanford was sitting near a warm stove, mentally dreading approaching winter, when friends and neighbors from far and near began assembling. The thought of a birthday party had not dawned upon him, but when Liveryman E. C. Burns' big rig drove into the yard filled with people, he began to wonder what it all meant, and he called a confidential friend to one side and inquired of him what it meant. He was informed that his birthday was Nov. 22, but on account of that date being so late in the fall, and would probably be rough weather, that his friends had decided to give him a birthday surprise party October 21st. When dinner hour came the contents of well filled baskets were set on a long table and the table was then surrounded by those present. Grace was said by the venerable Robert Stevenson and all partook of a hearty meal.
 Mr. Stanford was the recipient of many useful and valuable presents. Lawyer Daniel Brennan, of Brookville, made the presentation speech. Among the presents, too numerous to mention, was an envelope containing a handsome sum of money. Mr. Brennan, in his discourse, congratulated Mrs. Stanford on her surrounding and said: "You are certainly a happy woman." To Mr. Stanford he said: "I am an old man and in all my life I have never seen a step-father accorded the honor of children, without one exception, that is accorded to you. You are certainly a happy man."
 Mr. Stanford accepted the tokens of friendship in a few well spoken remarks and thanked the donors for their friendship, &c. As the day was drawing to a close the guests departed in groups, wishing Mr. and Mrs. Stanford many happy returns of the day just past.
 Mr. Stanford is hale and strong for a man of his age, and his good wife, a little his senior, is well preserved.

Cleveland Ladies' Orchestra.

The Cleveland Ladies' Orchestra appeared to one of the largest and most appreciative audiences ever assembled in the town in the history of the lecture association. The orchestra is first class in every particular—every one an artist, every number a gem. They play with a smoothness and quality of tone and finish that can hardly be excelled. Miss Parsons, the trombone soloist, deserves special mention as an artist, as does each soloist. The results accomplished by their leader, Alfred Metzendorf, show him to be an artist of the highest class, and his violin solos are the work of a master.—Evening Republic, Columbus, Ind.
 At Assembly hall Wednesday evening Nov. 1st. First number on the public school lecture course.
The Keystone Band.
 The Keystone Band, of Reynoldsville, came over to Punxsutawney with the Eagles and gave a concert in the Park Tuesday afternoon. The Keystone Band is a famous organization, and we doubt if there is a band anywhere in the country of the same size whose members are not all professional musicians, that can produce better music. Dick Ramsey is a great leader. He puts his whole soul into his work, and the result is art. Reynoldsville has had a band almost continuously for 25 years. "Jim" Towney, now the Hon. James A. Towney, Member of Congress from Minnesota, was the leader then, and some more of us tooted heroically under his guidance, but never got into the two minute class.—Punxsutawney Spirit.
Annual Fall Excursion to Pittsburg.
 The Buffalo, Rochester & Pittsburg Ry will run their annual fall excursion to Pittsburg Sunday, Nov. 5th, affording an opportunity for a pleasant outing in the "Iron City" and ample time to visit the grand chrysanthemum display in Phipps' Conservatory, also Carnegie Library and art gallery. Special train will leave Sykesville at 7.28 a. m. Round trip fare only \$1.50.

Mrs. Law at Opera House.

Mrs. E. Norine Law, of Detroit, Mich., a platform lecturer, who gave a series of lectures in Reynoldsville in May of this year, will address a meeting in the opera house to-morrow, Thursday, evening, October 26. Mrs. Law is a good speaker.

High School Lecture Course.

All arrangements for the High School lecture course have been completed and the people of Reynoldsville have a rich treat in store for them this coming winter. It is reasonably expected that the coming attractions will prove the most instructive and entertaining of any single course held in our town. The course consists of five numbers and its chief merit is that every number is of a high standard and not that some poor attractions are brought to support one or two star numbers. It is assured that any two numbers are well worth the price of the course. The attractions have variety as well as worth and will include a prominent musical company, three lecturers, who are among the very best the lecture bureau have to offer, and a popular entertainer who stands highest in his profession. These attractions were secured at a rate within our means only by waiting until very late in the season and taking open dates. The numbers are selected to give the highest worth and entertainment possible to all patrons. However the prices will remain the same as in previous years.
 The Cleveland Ladies' Orchestra, the first number, has won high praise wherever they have appeared. Their success has been unusual and their efforts have been received with enthusiastic appreciation by large and critical audiences in our leading cities.
 The second number of the course will be a lecture by Dr. Edward Burton McDowell called "Panama in Picture and Progress," and illustrated by moving pictures. This is a most up-to-date lecture. Panama and her canal has had a very romantic history. It is a romance of squandered millions and of corruption which tells like fiction. This subject is of vital interest to all Americans whose nation is to-day turning this notion into fact. Dr. McDowell is a noted lecturer, traveler and correspondent and his lecture will be exceedingly interesting.
 In the lecture field there is none more popular and successful than Dr. A. A. Willits, known as "The Apostle of Sunshine," and as "The Platform's Grand Old Man." For half a century he has been in the front rank of orators and lecturers and has received the most flattering praise and receptions of any lecturer before the public to-day. We are fortunate in his being brought to Reynoldsville.
 The entertainment number of the course will be Maro, "the prince of magic. His mysterious, wizard-like doings have astounded and delighted the most skeptical and critical audiences throughout the country. Lecture course managers have hailed him as the most pleasing and thoroughly entertaining number they had booked for their course. Maro has a national reputation and is one of the highest priced attractions the lecture bureau present.
 The last number on the course will be a lecture by the author, orator, traveler, Dr. John Merritt Driver. Dr. Driver is pastor of the Peoples' Church of Chicago. He is prominent as a scholar, having studied in Boston, Leipzig and Rome. As an author he has attained high achievement in his books, "A Romance of Italy and America" and "Purple Peaks Remote." Vast audiences through McVicker's theatre every Sunday morning, in the heart of Chicago, to hear him discuss the foremost problems of the day. He can interest and instruct any audience.
 The schools, in presenting the above array of talent at so small a price believe they deserve the patronage and support of everyone. The tickets are on sale at Stoke & Feicht Drug Co. store. The first number appears November first. You can ill afford to miss this course.
"Dora Thorne."
 One of the most important announcements of the current season in the dramatic field of popular priced amusements is the dramatization of "Dora Thorne," Bertha M. Clay's novel of international fame. "Dora Thorne" is one of the most successful novels of its kind that was ever written. A story full of humor and pathos, well defined characters, and sincere heart interest. "Dora Thorne" is indeed full of material to make one of the most successful of the many dramatized novels.
 Messrs Rowland and Clifford, the well known and popular amusement caterers, will place this play before the public with a remarkable cast of players and beautiful scenic equipment. "Dora Thorne" will be seen at Reynolds opera house on Nov. 3. Further notice in next week's issue.
Woman's Judgment.
 The woman who exercises good every day common sense, and profits by her own experience and that of others, will recognize in the Prizer Ranges, a perfection in stove construction that is not found in other makes. We would be pleased to have you examine them—and we believe you will confirm this statement. Sold and guaranteed by Reynoldsville Hardware Co.
