A Little of Everything. Less than seven weeks until Christmas. "Senator" W. T. Cox has typhoid fever. A number of Daughters of Rebekah of Falls Creek visited the Reynoldsville lodge Tuesday night. "Panama in Picture and Prose" at Assembly hall Monday evening of next week, November 13. On the 22d inst. President Roosevelt issued a proclamation naming Thursday, November 30, as Thanksgiving day. The Kline school opened Monday morning with Miss Bessie Sensor, graduate of the Reynoldsville high school, as teacher. H. B. Cooper and wife, of Brookwayville, were visitors at the home of the former's sister, Mrs. J. K. Johnston, the latter part of last week. About thirty-five Reynoldsville people took in the B., R. & P. excursion to Pittsburg Sunday. The train was late getting into Pittsburg, not arriving there until about 1.30 p. m. The Clarion District M. E. Conference held in the M. E. church at Sykesville last week was well attended. The next semi-annual meeting will be held in Summersville. The new brick M. E. church at Paradise was dedicated on Sunday. The balance due on the new church was \$1,040.00, but that amount was provided for Sunday morning before the church was dedicated. Albert Geisler, of Carnegie, who came to home of his parents, Mr. and Mrs. M. Geisler, in this place about eight weeks ago to tussle with a case of typhoid fever he had on hand, is now convalescing. Mrs. A. Keith, of this place, was at Clarion last Friday with a number of members of the Daughters of the Revolution, of Brookville, who were given a big dinner at Clarion by Mrs. Dr. Charles Ross. Jerry Mowery, of Emerickville, met a half dozen hunters at this place Saturday who came from Shamokin, Pa. They intend spending a few days hunting in this section. They had an even dozen dogs with them. "Dora Thorne," a beautiful story dramatized, was played at the Reynolds opera house last Friday evening to a packed house. Rowland & Clifford's company is first-class. Above the average companies that come this way. Rev. T. W. English, pastor of the M. E. church at Lindsey, filled Rev. Dr. J. A. Parson's pulpit in this place last Sunday morning and evening. Dr. Parson was in Paradise Sunday assisting in the dedication of the new M. E. church.

S. M. Siple raised two squabs on one vine that weighed about 87 pounds. One weighed 44 lbs. and 6 ounces and the other weighed 42 lbs and 4 ounces. Captain T. C. Reynolds, who holds a position at the State Capital in Harrisburg, came to town Saturday to vote. He will go to Bradford to-day to visit several days with his daughter before returning to Harrisburg. The Clarion District Sub-District Epworth League annual convention held at Lindsey last Wednesday and Thursday was well attended and was a very interesting convention. The convention will be held at Rimersburg next year. John Ross, of this place, killed a one-year old hog this week and the same dressed 415 pounds. Mr. Ross holds the banner for heavy-weight porkers and this one is the largest that has been killed in this section this fall.—Brookwayville Record.

Joseph C. Phillips, son of Mr. and Mrs. M. Phillips, of this place, was married in Philadelphia last Wednesday, November 1st, to Miss Pearl Mabel Benner, of that city. Mr. Phillips has been in Philadelphia a number of years and will continue to reside there. Harvey Deter and George White, two Methodist Episcopal local preachers of this place, conducted services on the Emerickville charge Sunday, the pastor, Rev. Baldwin, being in a hospital in Philadelphia. Mr. Deter preached in Emerickville M. E. church and Deemer's Cross Roads school house, and Mr. White preached in the Horn Run school house. Special Deputy Game Protector T. J. Newcome, of Wishesaw, arrested three foreigners recently for breaking the game laws of the state by hunting without license. Each one was brought to Reynoldsville and taken to Squire E. Neff's justice department and that official fined them \$25.00 apiece and costs of prosecution. That is according to the state law. The Methodist Episcopal choir will hold a farewell social at the residence of James W. Gillespie on Fifth street, this evening for John Reddecliff, who is moving to Bitumen this week. Mr. Reddecliff, who is a fine tenor singer, has been a faithful member of the choir for a number of years, and the choir and congregation feel that his removal is quite a loss. From a Philadelphia paper we learn that Frank M. Flynn, a member of the Philadelphia Bar, son of Mrs. P. F. Flynn, of Reynoldsville, and brother of Lawyer Clement W. Flynn, of this place, delivered an address one evening last week before the Philadelphia Chapter of the American Institute of Bank Clerks. His subject was "Bonds of Security for Banking Employees."

Mrs. Dr. T. C. Lawson, Mrs. Dr. H. P. Thompson, Mrs. W. S. Weaver, Mrs. C. C. Benscott and Mrs. A. D. Deemer, of Brookville, attended the meeting of the Foreign Missionary Society of the Methodist-Episcopal church held at the home of Mrs. Francis O. Sutter on Grant street last Friday afternoon. Luncheon was served at 5.30 and the Brookville ladies returned home on the eight o'clock train. The first number on the high school lecture course for season of 1905-6 was given by the Cleveland Ladies' Orchestra in Assembly hall on Wednesday evening of last week before a large audience. They gave a high class entertainment. Each member of the company are excellent artists, but we think it would be a stronger company if a good reader accompanied them. The next entertainment will be a lecture on "Panama in Picture and Prose" November 13. Angeline, young daughter of Mr. and Mrs. H. Earl Swift, of Brookville, who is spending several weeks with her grandparents, Mr. and Mrs. William Barclay, on Jackson street, was up stairs alone one day last week and found some matches in a bed room and was amusing herself by lighting the matches when she set the lace curtain on fire. She screamed and Mrs. Barclay ran up stairs and got the fire extinguished before any more damage than burning the lace curtain and window shade was done. A Katzen, proprietor of the Peoples Bargain Store, who was a subject of the Czar of Russia in the days of his youth, has been very much interested in the misfortunes of Russia during the past two years. His recollections of life in Russia are anything but pleasant and he rejoiced profoundly at the victories of Japan. And though now a loyal American with all his hopes centered in the land of his adoption, he again rejoices at the fall of the autocrat and the dawn of liberty in the empire. The third annual convention of the Jefferson County School Directors' Association held in Brookville on Thursday and Friday of last week was the best directors' convention ever held in the county. The attendance was fair and the addresses were excellent. The following officers were elected: President, Fred A. Lane, of Lanes Mills; 1st vice-president, Morgan Lloyd, of Clayville; 2nd vice-president, C. E. Carrier, of Summersville; secretary, Charles B. Morris, of Oliveburg; treasurer, Sylvester Truman, of Brookville.

Received Pictures for Athletic Rooms. J. W. Dawson, J. A. Blyden and others who are interested in the Enterprise Athletic Association in this place, are devoting considerable time and labor in their efforts to make the Association rooms interesting and attractive for young men and young ladies, and they are succeeding. Mr. A. Sterns, of New York City, treasurer of the Enterprise Silk Comdany, presented the Enterprise Athletic Association with fifteen very fine pictures. When these pictures are framed and hung up in the Association rooms they will add greatly to the appearance of the rooms. For the little bunch of agony on your toe—Reynolds' Corn Paint. Dogglass shoes—Millirens. Wooltex coats for women, misses and children—Millirens. Good school shoes for bad boys—Millirens. Wool underwear for the whole family—Millirens.

YESTERDAY'S ELECTION. Republican Ticket Elected in County—Berry Elected State Treasurer. The entire Republican ticket was elected in Jefferson county yesterday. Judge Reed carried the county by a majority of from 1,000 to 1,500. Barr, Kelley and Woods elected county commissioners. William Berry, Democratic candidate for State treasurer, was elected. Scheafnocker, for sheriff, carried the county by a majority of 1,500 or more. Election returns were received at the Grand Billiard Parlors last night. MINERS' MASS MEETING. Large Attendance—Vice-President Lewis and District President Gilday the Speakers. The miners' mass meeting held in the Reynolds opera house last Wednesday forenoon was attended by a large crowd of men from this section. National Vice-President Lewis, District President Gilday and other district officers delivered addresses. Statements of grievances were presented by representatives from various mines of the J. & C. C. & I. Co. and R. & P. Co. It was decided at the meeting to ask the companies to adjust the grievances before Saturday, November 4. A conference between L. W. Robinson, general manager of the J. & C. C. & I. Co. and R. & P. Co., several superintendents and officials of the United Mine Workers of America was held at Puxsuntawney Friday and all the grievances were amicably adjusted and the threatened labor troubles at the mines averted. Ten Bee Trees. Adam, Robert and Charles Norris, of Winslow township, found ten bee trees during the past few weeks. Out of one tree they got 125 pounds of honey, from another 75 pounds of honey, and from the other eight trees they got a large amount of honey. Registered Pharmacist. Herman Guthrie, one of our promising young men, who is a clerk in H. Alex Stoke's drug store several years, and is now in the Stoke & Felcht Drug Company store at Sykesville, has passed the state board examination for registered pharmacist and is now qualified to take full control of a drug store. This is another evidence of success by studiousness and a close application to business. Milk Dairy Changed Hands. W. G. Brenholtz has bought the Star Milk Dairy from W. S. Christy. He took charge of the dairy the first of the month. Mr. Brenholtz moved to Sandy Valley, where he bottles the milk and starts his wagon from that place and is able to furnish milk to people in West Reynoldsville early in the morning on his way to this place. Mr. Brenholtz conducted a milk dairy at New Bethlehem several years and is familiar with the dairy business. Hiles-Peterson Nuptials. Thursday evening of last week, November 2, 1905, George Hiles, machinist of DuBois, son of Andrew Hiles, of Prescottville, and Miss Ellen Peterson, of DuBois, daughter of Mrs. David Johnston, of Reynoldsville, were united in marriage by Squire E. Neff at his office on Main street, Reynoldsville. George Peterson, brother of the bride, and Miss Maggie Hiles, sister of the groom, were best man and bridesmaid. Mr. and Mrs. Hiles are very nice young people and have many friends in this section. They went to housekeeping in DuBois on Friday. Buckwheat Flour Mill. J. W. Hunter & Bro., who have leased the King & Co. mill on Railroad street, Reynoldsville, and have taken charge of the same, have overhauled the old machinery of the mill and have added a new and complete roller process for manufacturing buckwheat flour. The mill is operated by a forty horse power gas engine. They are making good buckwheat flour now. Farmers wanting their buckwheat ground or want any chop, will find Hunter Bros. honest and upright young men to deal with and can feel assured that they will get good work done.

CELEBRATED GOLDEN WEDDING. Mr. and Mrs. Thomas Hutchison were Married November 1st, 1855. Thomas Hutchison and Miss Mary Waite, who were united in marriage at the old Waite homestead in Beechwoods on November 1, 1855, celebrated their golden wedding at their commodious home in Winslow township, near Puxsuntawney, last Wednesday. The bride-maid and best man of fifty years ago, Mrs. Lavina Hughes, of DuBois, and John Keys, of Brookwayville, attended the golden wedding. Among the gifts was a gold headed cane for Mr. Hutchison, a gold ring for Mrs. Hutchison, two rocking chairs and two Morris chairs. From the Falls Creek Herald we clip the following: "One of the most important social events in the history of Falls Creek was the celebration of the golden wedding of Mr. and Mrs. Thomas Hutchison, who reside on their farm about two miles west of town. The event had been planned and talked about for a long time and regardless of the cold and disagreeable weather that prevailed throughout the day, about four hundred people, both old and young, gathered at the Hutchison homestead to celebrate in an appropriate manner the fiftieth wedding anniversary of two of the most highly esteemed people in this section of the country. In the morning people began to arrive and not until late in the evening did they stop coming, friends, relatives and acquaintances from all parts of the county and adjoining counties and by the noon hour the large, commodious home of the aged couple was well filled. Some were young and sprightly and others were old and feeble, but they were all happy. Each and every one was bent on making the day such a one that would be forever in the memory of those present and their efforts were successful. The old were young again and together they visited and talked, laughed and were merry. But at noon the program was changed and the majority of the people went to the barn where long tables had been arranged and were heaped with the most delicious and appetizing eatables that could be had. Those who did not go to the barn found the same delicacies at the house and though the crowd was great the dinner was greater and left nothing to be desired. "Panama in Picture and Prose." The story of the Isthmian Canal from the commencement of the work by the French engineers down to the present time is a romance of squandered millions, incompetency and corruption which tells like fiction, but a fiction which the American nation is to-day turning into fact. Dr. McDowell has just returned from the Isthmus where he has studied the work now in progress on the canal and the general conditions existing in the new Republic of Panama. With his motion picture camera he obtained fifteen moving pictures which are the first ever made in Panama, and besides he made over five hundred negatives, from which selections will be made to illustrate his interesting narrative. Dr. McDowell will lecture in Assembly hall Monday evening, Nov. 13. Lecture begins at 8.15. Game Basket Ball. The DuBois Athletics and the Reynoldsville Athletics will play a game of basket ball in the Reynoldsville Enterprise Athletic Association rooms tomorrow evening, Nov. 9th. Mr. and Mrs. Thomas Hutchison were Married November 1st, 1855. Davis McCracken, the oldest merchant in Reynoldsville, who embarked in the mercantile business in this place thirty-eight years ago, died at the home of his daughter, Mrs. John Ross, on Main street at 6.10 a. m. Saturday, November 4, 1905. His death was caused by cancer. Three years ago Mr. McCracken went to Pittsburg and submitted to an operation on account of cancer. At that time his left eye was removed. From that time until relieved by death Mr. McCracken was a sufferer and was not able to look after his business, and he sold his store at corner of Main and Tenth street, where he had transacted business for so many years. Davis McCracken was born in Warren county, N. Y., December 29th, 1827, and would have been 78 years old next month. June 25, 1869, he was united in marriage to Miss Corina DeFrance, whom with one daughter, Mrs. John Ross, survives Mr. McCracken. Politically Mr. McCracken was a Republican, but was not an active politician. He was a man well known to the old inhabitants of this community. In his long business career he dealt honorably and honestly with his patrons. Although not a member of any church he was quite a bible student and in the last few years gave his loved ones satisfying assurance that he was ready to die. He prayed frequently in the past few months that the Lord would call him to the Heavenly Land. The last words he uttered before death was a prayer: "Come Jesus and take me home." Three years ago when Mr. McCracken went to Pittsburg for an operation he made all arrangements for his funeral, in case the operation was not a success. He afterwards requested that when he died that the funeral be carried out as he had arranged it, and it was. Funeral services were held at the residence of Mr. Ross at 2.00 p. m. Monday, conducted by Rev. Dr. A. J. Meek, pastor of the Baptist church, assisted by Rev. A. D. McKay, pastor of the Presbyterian church. Two favorite hymns of Mr. McCracken, "I Would not Live Always" and "Asleep in Jesus," were sung, and his favorite Psalm, the 23rd, was read. Dr. Meek's text was selected from Rev. 14-13: "Blessed are the dead who die in the Lord." Interment was made in the Reynoldsville cemetery. The pall bearers were: Peter Burkhart, Ed. Clark, J. J. Smith, David Reynolds, Isaac London, F. P. Adelsperger. Besides his wife and daughter the deceased is survived by two brothers and one sister, George McCracken, Liberty, Toga Co., J. B. McCracken, Southern Pines, N. C., and Mrs. Nancy Dudley, Scranton, Pa. Will be Enforced. The following act, recently signed by the Governor, will be rigidly enforced in the borough of Reynoldsville from this time on and after ten days all violations will be punished as herein stated. This move is taken by the Chief Burgess in an effort to have our streets free from waste paper and other rubbish so carelessly scattered about: (ACT NO. 163.) Section 1. Be it enacted, &c., That from and after the passage of this act, it shall be unlawful, and is hereby forbidden, for any person or persons to throw waste paper, sweepings, ashes, household waste, nails or rubbish of any kind into any street, in any city, borough or township in this Commonwealth, or to interfere with, scatter or disturb the contents of any receptacle or receptacles containing ashes, garbage, household waste, or rubbish, which shall be placed upon any of said paved streets or sidewalks for the collection of the contents thereof. Any person or persons who shall violate any of the provisions of this act shall, upon conviction thereof before any magistrate, be sentenced to pay the cost of a prosecution, and to forfeit and pay a fine not exceeding ten (\$10) dollars, for each and every such offence, and in default of the payment thereof, shall be committed, and imprisoned in the county jail of the proper county for a period not exceeding ten days. Approved the 20th day of April, A. D. 1905. SAM'L W. PENNYPACKER.

Had they gone without giving an entertainment at this place of course Prof. Scott would not have paid them any money, but Prof. did not want to disappoint the Reynoldsville people and he got the company to remain by paying for a special trolley car to take them to Puxsuntawney after the entertainment so they could catch the B., R. & P. northbound midnight flyer for Buffalo, N. Y. It cost Prof. ten dollars extra.
