THANKSGIVING LINENS

We were fortunate enough to secure another lot of table covers with which many of you are familiar. We will be in receipt of them by the time this paper leaves the press. We have them in 8-4, 10-4 and 12-4, or in other words in 2 yard patterns, 2½ yard patterns and 3 yard patterns. These are strictly all linen and are cheaper than the price of a good table linen by the yard.

These covers, with a border on the four sides, give an appearance to your table that nothing else will do. Instead of selling these at the regular price, as many stores would do, we follow our ironclad rule of giving our patrons the benefit when we find a good thing.

- 8-4 or 2 yard patterns \$2.87½
- 10-4 or 2½ yard patterns \$3.37½
- 12-4 or 3 yard patterns \$3.87½

We have also the piece goods by the yard: A bleached 60-in. wide, 25c. A bleached all linen, 62-in. wide, 50c. A bleached open work border, 75c. A bleached, best we ever sold, \$1.00.

NAPKINS—All linen, 5-8 and 3-4 size, \$1.00 to \$5.00.

TOWELS—A new huck towel at 10c pair. A hemstitched towel at 19c pair. We received 15 doz. large size this week which we will sell at 25c pair. All linen towels 50c to \$2.50.

QUILTS—A case just received, \$1.00. We need not describe this bed spread. You have all seen it and we will add that it is the best quilt on the market at \$1.00.

YARN—We have one case of "Old Fashion" all wool stocking yarn which we put on sale this week at 6 skeins all colors for 25c.

BLANKETS—Cotton and wool, 50c to \$6.00. COMFORTS—Large size, \$1.00 to \$3.50. All wool, \$3.25.

The High School Bulletin

EDITOR-IN-CHIEF, LEONARD HARRIS.

Last Wednesday our schools were visited by Mrs. James Alexander Cowan, County Superintendent of the Loyal Temperance Legion, which is a junior organization of the W. C. T. U. Mrs. Cowan conducted the morning chapel exercises and in her address to the pupils proved an effective speaker. During the day talks were given in the primary rooms and Mercy Bands were organized. A recent school law makes compulsory the teaching of kindness to animals to the primary pupils. Mrs. Cowan's visit and efforts aroused much enthusiasm in this line of work.

A new fumigator of improved modern construction has been placed among the other sanitation apparatus in the school building. Its frequent use on all provocations makes more certain the present healthful condition of our schools. The curing of this apparatus shows the zeal of our directors for the welfare of the pupils.

Miss Coral Sutter was taken suddenly ill in her room, No. 14, last Friday morning. At present writing we are glad to know that she is improving and hope that she may soon be able to resume her school work.

It has been deduced that the disagreeable odor which permeated the atmosphere of room No. 15 last Wednesday morning did not come from burnt chewing gum as was thought. But alas, sufficient evidence has been produced to prove that the "necktarn regions" of some of the Juniors came in too close contact with the heat from the stove and as a result—well, 'tis known by those unfortunates who by attending circumstances were compelled to inhale the fragrance therefrom.

New pupils are always welcomed by members of room 14.

Freshies: Pull down your vest, wipe of your chin, brush the hayseeds out of your hair, shake the dust off your feet and wake up—Christmas is coming.

Most boys of the High School have joined the L. T. L. Haven't you noticed the goodness shining from their angelic features recently?

The High School girls are getting in great condition for the basket ball team. Their chief exercise consists of running to the dressmakers to try on their regimentals. Next they refuse to eat any delicacy, such as sea foam, cake, bonbons and ice cream, so please don't tempt their palates by offering them any such sweetmeats. They retire early—somewhere between 12 and 1.00 a. m. and rise any time between 8 and 8.30 a. m. We are glad to see them exhibit so much enthusiasm and believe that they will make a winning team.

New shoes are quite the fad in room 14. Where was the "water sale"?

Woman's Judgment.

The woman who exercises good everyday common sense, and profits by her own experience and that of others, will recognize in the Prizer Ranges, a perfection in stove construction that is not found in other makes. We would be pleased to have you examine them—and we believe you will confirm this statement. Sold and guaranteed by Reynolds Hardware Co.

GRANT SCHEAFNOCKER, Sheriff-Elect of Jefferson County.

TWO REYNOLDSVILLE MEN

Who were Chosen to Fill County Offices at the Recent Election.

Grant Scheafnocker, sheriff-elect of Jefferson county, who came to Reynoldsville almost fifteen years ago in the employ of the Oil City Fuel Supply Co., and whom we still claim as a citizen of our town, although he built a residence a couple of years ago on Mabel street, just over the borough line, on the Winslow township side. Mr. Scheafnocker is well known to the citizens of this community and is highly esteemed. He is an honest and hard working young man and well deserves the honor bestowed upon him by the people in electing him to the office of high sheriff of Jefferson county on the Republican ticket. Knowing Mr. Scheafnocker as we have for fifteen years, we feel confident that the people of this county will have no reason to regret having elected him sheriff, for we believe he is capable of filling the office creditably and that he will discharge his official duty faithfully and conscientiously. He is yet a young man, only 39 years old.

Mr. Scheafnocker will take the oath of office the first of the coming year and will move to Brookville about that time to reside in the sheriff's residence adjoining the county jail.

E. T. McGaw, of Reynoldsville, Democratic candidate for county commissioner, was one of the successful candidates at the general election last week, but the vote was so close between Mr. McGaw and Frank Woods, the other Democratic candidate, that it required the count of the official ballot to decide which one of the gentlemen was elected, and Mr. McGaw won out by six votes. It might not be out of place to mention here that Mr. Woods is a strong man in the county and not an easy opponent to defeat.

Mr. McGaw, who was postmaster in Reynoldsville during President Cleveland's last term, is a stalwart Democrat, one of the party's best workers in the county. We unhesitatingly make the assertion that Mr. McGaw will fill the office of county commissioner creditably and will look very carefully after the interests of the taxpayers of the county. We consider him well qualified to fill the office of trust to which the people have elected him to.

The other commissioners elected, in fact all the county officials, are honorable and worthy gentlemen, but Mr. McGaw and Mr. Scheafnocker being home candidates we give them special mention.
