

Annual Teachers Institute.

The fiftieth annual session of the Jefferson county teachers' institute convened Dec. 18, 1905, at Brookville, Wednesday, Dec. 20, is Directors' Day.

The talent for the day sessions represents the strongest and most popular institute men available: Hon. N. C. Schaeffer, Hon. O. T. Corson, Dr. Geo. E. Vincent, Dr. S. C. Schmuoker, Dr. J. George Becht and Prof. Jerry March.

The evening entertainments give promise of surpassing anything yet presented. Monday evening, lecture by William Howley Smith, "We the People." He is one of the great lecturers of the American platform. "He can repeat his lecture to the same audience and as many more people as it is possible to supply with standing-room."

Tuesday evening, concert by the Leonora Jackson Concert Company. This should not be classed as a company but as four popular artists, each competent to give a full evening's entertainment. When Miss Jackson came to Los Angeles, Cal., the grammar schools were dismissed and over 4,000 children welcomed the gifted artist to their city.

Miss Sibyl Sammis, soprano, is not only endowed with rare musical gifts but also with a strong personal magnetism. She charms her audience. Miss Sammis has been prima donna of the great Duss band. "Miss Sammis, the gifted Chicago singer, who accompanies the band as soloist, won a veritable ovation."

—Fall River, Miss. Globe. Charles E. Clarke, baritone, is one of the most popular singers of the day. Alexander MacFadyen, pianist, is a talented musician and a brilliant player.

Wednesday evening, lecture, Dr. Newell Dwight Hillis, "The Tragedy of the Ten Talent Men." Dr. Hillis is one of the greatest men of his time. It is an opportunity to hear one of the greatest lectures this age has produced. Dr. Hillis expressed a desire to come to Brookville again and give his personal attention to this engagement.

Thursday evening, concert, by the John Thomas Concert Company. It is safe to say that no concert gave more genuine satisfaction before our teachers' institute than the one given by the John Thomas Concert Co. several years ago. An evening with John Thomas is a great entertainment of itself and in connection with his talented support is a most delightful attraction.

Orders for excursion rates may be obtained from the County Supt.

The High School Bulletin

EDITOR-IN-CHIEF, LEONARD HARRIS

The basket ball game last Friday evening between Beechwoods and the High School resulted in a victory for the former, the score being 13-10. It was a cold and windy evening but in spite of these inclemencies a large crowd had gathered from the country-side to witness the event. A preliminary game was to have been played between the girls of the class '06 and the school "marmas," but on account of the absence of some of the teachers the game was postponed until after the main contest.

The game was fast and very exciting, and at no period of the halves did the playing not hold the closest attention of the spectators. Several times the Reynoldsville boys picked up and passed the ball so quickly and accurately that they had their opponents fairly on the run and "teas" during these moments that they threw their goals in rapid succession. The High School team willingly acknowledge their defeat but do claim that they were handicapped in many ways. However, they lay aside the "if" story of one who has been defeated and look forward with an earnest zeal to the time when before the eyes of the Reynoldsville enthusiasts they will meet the Beechwoods team and thus permit them to see who is worthy of a victory when it comes to playing basket ball.

After the game the Beechwoods girls served the players lunch in their school house. This caused a deep feeling of gratitude among the Reynoldsville boys and when their friends from the country come to town the favor shown them shall not be forgotten.

Juniors—Aren't black and gold pretty colors? Would you really like to have them? Well, listen, but don't tell the rest of the High School—you just wait patiently until next year and then you can have them all to yourselves. Poor children, it's a shame to keep you waiting, but your elders must have the preference.

A laudable effort is being made to decrease the tardiness and the effect of tardiness in our schools. With no bell our scholars are somewhat handicapped, but there has been considerable disregard for promptness and being on time. Tardiness is more to the detriment of a school than patrons usually suppose. Not only does it break up the tardy ones own class work but also greatly disturbs the other members of his or her room. So in considering the welfare of about 750, it was decided to ask the average 25 who are tardy to remain outside until the morning chapel is concluded before coming in the building. Also at noon the offenders delay the beginning of the work of so many that again the doors are locked for about ten minutes and all tardy ones having collected are then permitted to go to their rooms, in this way the disturbance is brief. This system is having a good effect in lessening tardiness and in promoting order and system in our school work. We believe it to be the only just method. For the last three years this method has been in vogue at Clearfield and is most warmly favored by all there, even those who first opposed it now up-hold it.

The Sophomores all returned alive and kicking after a short vacation.

The High School football team re-organized and played Brookville on the latter grounds Thanksgiving day. It was a warm and well fought contest ending in a score of 0-0. Reynoldsville had the game in their hands from the very beginning, but twice when only a few yards from the goal line lost the ball on fumbles. Foust proved a worthy substitute in Scott's place, and it was his fierce line plunging that almost won the game for Reynoldsville. The champions of Jefferson county must tip their hats to the Reynoldsville High School football team.

Juniors—Your childish pranks are certainly funny (?) but can't you get something new? Something o-r-i-g-i-n-a-l.

Miss Susan Owens, a highly respected teacher in the Clearfield schools, visited the Reynoldsville schools all day Monday. She had been requested to do so by City Superintendent Trout, of Clearfield, he having heard of their reputation our school has made for itself. She spoke highly of our system and said that she would only be able to speak words of commendation to those who might inquire as to our educational conditions.

The Thanksgiving exercises last Wednesday afternoon were worthy of a larger attendance of patrons, but considering the inclement weather they were quite well attended. These present showed great appreciation of the efforts of the scholars.

The High School basket ball team will play the Brookville team in the Enterprise Athletic rooms Friday evening of this week. Turnout and encourage the boys. They guarantee you no one sided game but a spirited and interesting one.

Reduced Rates to Sunbury.

For the benefit of those desiring to attend the meeting of the Pennsylvania State Grange, Patrons of Husbandry, to be held at Sunbury, December 12 to 15, the Pennsylvania Railroad Company will sell round-trip tickets to Sunbury from all stations on its lines in the State of Pennsylvania, December 11 to 14, good to return until December 16, inclusive, at reduced rates (minimum rate, 25 cents.)

If you want to throw money away, why not throw it into the sea for children to pick up? That will be a better plan than throwing it away in the purchase of a pint of dirty water with each quart of oysters. That's what you do when you buy any brand but "Sealship"—they are sold meats—and absolutely clean—kept so by shipment in the Sealship Oyster Carrier. Frank's Restaurant has "Sealship" oysters fresh daily.

Ten Dollars Reward.

Ten dollars reward will be paid for information that will lead to the arrest of the boys or other persons who break globes on the arc lights, or otherwise interfere with the lamps.
