

TIRED OF LIFE.

Young Girl at Hamilton Deceases Her Own Life.

Surrounded by all of the luxuries of rural life, her every known desire gratified, the object of the tender care of aged parents, Miss Tessie, youngest daughter of Mr. and Mrs. John A. Henry, of near Hamilton, stole away from those who loved her at about 9:00 o'clock Tuesday morning and standing in front of a millr that she might better direct the aim of the weapon sent a bullet crashing through her breast causing instant death.

Miss Henry, who was 22 years old, had been in delicate health for some years, but never, by word or deed, had she indicated a desire to commit the act which on Tuesday filled a happy home with grief and caused messages of the saddest import to be sent to members and friends of one of the best known and most respected families in this section of the country.

The only plausible theory, therefore, is that her rash act was the result of an overburdened mind which had become impaired by thoughts of her affliction.

Miss Henry had returned Saturday from a visit to the home of her sister, Mrs. Charles Miller, who lives at Wilkinsburg. She was accompanied home by her sister, who, on Monday, accompanied her to the home of another sister, Mrs. Horner, wife of Dr. Parker Horner, of Cool Spring. Some time after their leave taking at the Horner home, Dr. Horner missed a 32 calibre revolver which had lain in a drawer unused for some time, but without suspecting anybody thought that it might have been mislaid, until he heard of the Perryville tragedy on the following morning.

Immediately after the result of the tragedy became known all of the members of the family were summoned to come home. The brothers and sisters are Lee Henry and Mrs. M. B. Smith and Drs. William and Wilson Henry, of this place, Walter and Sherman Henry, of Reynoldsville, Mrs. Charles Miller, of Wilkinsburg, Mrs. Parker Horner, of Cool Spring, and Mrs. Smith, wife of Dr. Clark Smith, of Plumville.

The tragedy is one of the most lamentable ever occurring in the community of Hamilton and the aged parents and brothers and sisters of the unfortunate girl have the sincere sympathy of all who know them, in the saddest hour that will ever come into their lives.—Punxsutawney Spirit.

Smith Not a Candidate.

Congressman W. O. Smith, editor of the Punxsutawney Spirit, who is now serving the second term as Congressman from this district, announced in his paper last week that he would not be a candidate for re-election. Congressman Smith is of the opinion that congressional nominations should be made by the popular vote of the district, all candidates being voted for on the same day, instead of the conferee system, as "nothing could be more at variance with good public policy, less calculated to promote the interests of a constituency, or gratify the pride that people should feel in the representatives, than the rotation system." In speaking of the conferee system, he says: "A system better calculated to promote dictating and discord and to make anything else than the rotation plan practicable, could not be devised."

Two terms in congress has not given Hon. W. O. Smith the "swelled head," for in closing his article on not being a candidate for another term he says: "There will be no reason why I should not slip so quietly and unostentatiously back into the harness as the editor of the Punxsutawney Spirit as not in the least to disturb the equilibrium of the country or cause any undue consternation in the next Congress because of my absence."

"What's in a Name."

The favorable impression that is always made by the Herald Square Moving Pictures assures for them a warm reception wherever they are announced. Especially is this true of their return engagements of which they play many. At Reynolds opera house Monday evening, Jan. 29.

Good Business.

For past ten days our special "your move" sale was big success, of course all goods advertised in this sale were not all sold—some lots were cleaned out, some lots few left—which will be sold at same prices as advertised in last week's sale. MARO.

A Most Versatile Man—Magician, Musician, Artist and Shadowgraphist.

A most conspicuous example of versatility is Maro the magician, musician, artist and shadowgraphist. Maro's magic is refined, original and strictly modern.

He relies less than any other wizard on complicated mechanical illusions, presenting a program in which dexterity is the feature that particularly appeals to his audience. His sleight of hand experiments are presented with an elegant ease that is captivating.

But Maro is more than a magician, he is a musician, a veritable virtuoso on innumerable instruments so that he is able to introduce in his entertainment a musical programme of delightful variety, appealing to every one who loves the magical influence of harmony.

And more than this he is an artist of marked ability and the pictures drawn by him on the stage are executed with marvelous precision, rapidity, dash and finish.

And again, last but not least, Maro is probably the greatest exponent of the art of shadowgraphy now before the public, in which he produces life like silhouettes with his two wonderful naked hands.

After an evening with Maro, one is unable to determine whether the versatile artist is most enjoyable as magician, musician, artist or shadowgraphist for he is simply great in each of these four roles.

At Assembly hall Friday evening, January 26.

J. R. Hillis & Company
THE LEADING FURNITURE AND CARPET STORE

January Sale of Embroideries, Laces, White Goods, Muslin Underwear, Children's White Dresses, Table Linens and Bed Spreads.

ON JANUARY 25th "THE BIG STORE" will begin their Annual Embroidery and White Goods Sale. That this has become one of the important features of the business conducted by this store is proven by the interest manifested by the public in previous sales. Also the inquiries of our patrons as to when we were going to have our sale convinced us that we could not abandon our custom if we wanted to. That this year's sale will be a particularly attractive one will be proven by the strongest showing that we have yet attempted and by prices that cannot be duplicated on desirable merchandise. We all know the sharp advance in both cotton and wool but we purchased these goods before and in anticipation especially for this greatest sale of the year. This is, therefore, not a sale of old goods that we want to get rid of, or of odds and ends, but is all high grade and desirable merchandise, the best in the country.

Nearly all spring and summer saving is done in the early months of the year, and you can therefore not afford to miss this as you will be compelled to pay the advance in prices and the assortment in this line of goods will not stand comparison, which means that your selection will have to be made from broken stocks.

EMBROIDERIES.

Our line of Embroideries is by far the most complete that we have ever shown. It consists of Edgings in all widths, Insertions in all widths, including the insertions of shirt waist fronts and all over embroideries. Edgings 5c to 50c a yard. Insertions 5c to \$1.00 a yard. All over Embroideries, 50c, 65c, 75c and \$1.00. Do not fail to see the insertions for shirt waist fronts. They will be scarce later.

L A C E S

Laces are not usually included in a sale of this kind, but so many of our patrons have inquired whether we are going to have a sale on laces that we have decided to run our present stock in this sale at 25 per cent off regular price. 5c laces less 1-4 cost 3 3/4 c a yard. 10c laces less 1-4 cost 7 1/2 c a yard. This is going to be a big lace season and you can't afford to lose 25 per cent on your purchase.

WHITE GOODS.

We are showing the strongest line of white goods that we have ever been able to show. The white goods include dotted and figured Swisses, plain and figured mercerized, plain and figured linen, lawns and shrunk cotton. Swisses, 18c to \$1.00. Mercerized Waistings 15c to 50c. Linen (all linen) 25c to \$1.50. Lawns, 4, 6, 8, 10, 12 and 15 cents. Shrunk Cotton 15c to 20c.

CHILDREN'S WHITE DRESSES.

A new line of Children's White Dresses direct from the factory, including Children's skirts and aprons. Children's Dresses, 40c to \$2.50. Children's Skirts, 25c to \$1.50. Children's Aprons 25c to \$1.00.

TABLE LINENS.

A nice line of Table Linen in Unbleached, White and Colored, 25c to \$2.00.

BED SPREADS.

We are just in receipt of some special good numbers of Bed Spreads—the best line of spreads manufactured. All prices \$1.00 to \$3.50.

MUSLIN UNDERWEAR.

We have been disappointed in our Shipments of Muslin Underwear from the factory and can't wait for this to come in. So we have taken our present stock and made sale price 33 1/2 and 50 per cent off. This will make it cost just 1-2 or 2-3 its value.

There are special good values in all lines and it will pay you to investigate.
