It is likely the interment will be made in Beechwoods cemetery beside his parents.

James V. Murray, of Brookville, candidate for the Republican nomination for district attorney, was in town Monday evening looking after his political fences. Mr. Murray has made a splendid record in the office of district attorney, proving that he is a good man for the office and that the people of Jefferson county will not make a mistake by re-electing him to that office.

Five little girls, whose ages range from 5 to 7 years, having heard much about social clubs, decided to organize a club which they call "Sunshine Club." The first meeting of the club was opened with the Lord's Prayer.

W. W. Wiley, proprietor of the City Hotel, has been corresponding with a large and old established manufacturing company of New York City that is looking for a new location for their plant. Many clever specialties are introduced between acts.

MINING TROUBLE ADJUSTED.

Mass Meetings Were Held at Reynoldsville and Punsutawney.

Mass meetings of the miners in the employ of the J. & C. C. & I. Co. and R. & P. Company were held at Reynoldsville and Punsutawney on Thursday of last week to vote on whether to continue work or discontinue work until the companies agreed to live up to the Altoona scale, which the men claim has been violated by the companies. At both meetings the men voted to discontinue work until the matter was adjusted and committees were appointed to meet with General Manager L. W. Robinson and other officials of the companies mentioned. The officials and committees met in Punsutawney Friday afternoon and after two or three sessions finally got the differences adjusted satisfactory to the committees. The committees' report was presented to the men in mass meetings at Reynoldsville and Punsutawney Monday and they voted to accept the committees' report and return to work Tuesday. Ten thousand miners and other employes are working for these two companies.

Reports of Interest to Taxpayers.

In this issue of THE STAR will be found the report of the county auditors for the year ending December 31st, 1905, and the statement of the county commissioners for the same period. These reports will be read with interest, no doubt, by the taxpayers of the county, as the reports are matters of importance.

Quarterly meeting services will be held in Centennial hall this evening and Sunday. Presiding Elder Dr. A. R. Rich will preach this evening, after which the second quarterly conference will be held. Sunday morning love feast will be held at 10.30, followed by sacrament of the Lord's Supper. Sunday evening Dr. Rich will preach.

Three Thousand Dollar Horse.

E. C. Burns was at Columbus, Ohio, last week where he selected a very pretty imported French Percheron stallion that was shipped here to be sold to a stock company. The price asked for the horse is \$3,000. It is a black horse; will be three years old the 16th of this month and it now weighs over 1,700 lbs. Over four hundred people called at Burns' livery stable Saturday to see the horse. It is certainly a very pretty horse.

Dr. Foust for Assembly.

Dr. J. W. Foust, Reynoldsville's candidate for the Republican nomination for Assemblyman, expects to be one of the winners at the primary election to be held on Tuesday of next week. As stated before in the columns of THE STAR, Dr. Foust has the ability to represent the people of Jefferson county in the legislative halls of this Commonwealth in a very creditable manner, and as Reynoldsville has never had the honor of sending an Assemblyman to Harrisburg this would be an opportune time to get there.

Post and Women's Relief Corps attended public service in Centennial hall last Sunday at 11:00 a. m., in a body, that being the Sunday preceding Lincoln's birthday anniversary. Rev. Dr. J. A. Parsons preached an appropriate and excellent sermon. The choir rendered some special music. Sons of Veterans from DuBois and Punsutawney Camps were present. The Sons of Veterans of Reynoldsville, DuBois and Punsutawney have decided to attend public service in a body each year the Sunday preceding or following Lincoln's birthday anniversary. Last year they attended church at Punsutawney, this year at Reynoldsville and next year they will attend some church service in DuBois.

A GOOD RECORD.

But One Indictment Quashed Since James V. Murray Became District Attorney.

An examination of the court records discloses the fact that since James V. Murray took charge of the district attorney's office but one indictment has been quashed by the court, and the quashing of this lone indictment was by reason of a defective constable's return. This is indeed an enviable record and shows an attention to detail on the part of the district attorney which is worthy of commendation. Mr. Murray has been thorough in every department of his work as district attorney and the fact that he has had his cases well in hand has been of marked assistance to Judge Reed in the rapid and economical handling of the vast amount of work transacted in the criminal court. Mr. Murray is now before the people as a candidate for re-election.—Brookville Republican.

ROBERT B. MANTELL

Will Present "King Lear" at Punsutawney Friday, February 16th.

Mr. Robert B. Mantell, who will appear with his excellent company at the Jefferson Theatre in Punsutawney on Friday evening, Feb. 16th, is acknowledged to be the greatest exponent of Shakespearean roles now before the public. After presenting his repertoire at the Garden Theatre, New York City, the New York American pronounced his "King Lear" as being the best ever witnessed by a New York audience. Robert B. Mantell is the only man on the stage to-day who can play "King Lear." No expense is spared by Mr. Wm. A. Brady, under whose direction Mr. Mantell now appears, to make this engagement a signal triumph. Tickets may be ordered by telephoning the Jefferson Theatre, Punsutawney.

Fair Dates for 1906.

The annual meeting of the directors of the Coal, Oil & Iron Racing Circuit was held in the Pantall Hotel in this place Monday. Ben Record, of this place, and W. E. Noble, of Kittanning, were re-elected president and secretary, respectively, of the association. The dates included in the circuit and the towns decided upon for the holding of fairs are as follows:

Kittanning, the week beginning August 14; Butler, August 21; Punsutawney, August 28; Brookville, September 4; Clarion and Indiana, September 12; Rimersburg and DuBois, September 18; Stoneboro, September 25. The Punsutawney date was conditioned upon the event of the Fair Association being successful in leasing the grounds which now seems certain.—Punsutawney Spirit.

Curwensville Church.

Rev. J. E. Dean and Rev. A. J. Meek attended the dedication of the new Baptist church in Curwensville last Sunday. The building is red brick cased. The auditorium will seat 200 people and Sunday school room that will seat 150. Rev. J. Booth, of Reynoldsville, is pastor and deserves much credit for his energy and push in the building. The church was taxed to its utmost capacity at all three meetings Sunday and many turned away. Rev. C. A. Hare, D. D., of Lewisburg, Pa., preached the dedication sermon at 11.00 a. m. and raised nearly \$1,500.00. Rev. Dr. A. J. Meek and Rev. J. E. Dean addressed the children's meeting in the afternoon. Rev. Meek preached in the evening to a packed house and sufficient funds were secured to cover all indebtedness, which amounted to \$2,600.00. The total cost of the building is \$5,800.00.

"Flag Day" in Schools.

Thursday, February 22, is "Flag Day" in the schools of Jefferson county. It is planned that each teacher arrange a literary program for a part of the day. It is also a part of the program of the day to celebrate the great service of Thaddeus Stevens to the free school system of our state. Voluntary contributions to the Thaddeus Stevens Memorial Association, which hopes to establish an industrial school for boys where indigent orphan boys can be taught some useful trade, may be sent to T. C. Stewart, of Brookville, who will forward same to Dr. N. C. Schaefer, president of the Association. The amount from each school will be published.

Willing to Sacrifice His Own Interests.

On account of the extra session of the legislature, Hon. S. T. North, Republican candidate for assembly, has not been able to make a personal canvass among the voters during this campaign and at the same time perform his duties as assemblyman at Harrisburg. He preferred, if need be, to sacrifice his own interests to look after the interests of his constituents. This fact should not be overlooked by the Republican voters at the primary election next Tuesday. Such faithfulness ought not to go unrewarded.

Valentine Party.

Mr. and Mrs. Alex Riston entertained twenty-four friends at a valentine party at their home on Grant street last evening. Progressive games were played and Mr. and Mrs. W. H. Moore won the prizes. The luncheon was unusually fine.

There will be a market at Robinson & Mundorf's store Saturday afternoon. Cakes, bread, buns, &c.

SPECIAL TO SUBSCRIBERS.

Every Delinquent Will Receive an Invitation to Liquidate the Amount of Delinquency.

A large number of our subscribers are in arrears one year and more on their subscription to THE STAR, and as we have need of the money and it would be a big task to call on each subscriber individually for the amount due, we have decided to send out statements soon after the fifteenth of February, 1906, to all subscribers who are in arrears one year and more. All those who are a little sensitive about receiving statements can avoid that unpleasant sensation and save some extra work in this office by calling and paying or sending the money to THE STAR office before February 15. No one should take offense on receiving a statement of account. We receive statements the first of every month, and a number between times, and to liquidate our own accounts it is necessary that we ask our friends to help us out by paying the small amounts they owe us.

We would appreciate it very much if all those in arrears would pay without making it necessary for us to send them statements. As stated above, our book-keeper has been instructed to send a statement to every subscriber owing over one year's subscription. It is important to us that all our subscribers respond promptly.

COUNCIL REUNION.

Century Council 789 Royal Arcanum Mid-Winter Indoor Picnic.

The reunion of members of Century Council, with their ladies, at their council rooms in I. O. O. F. hall was well attended on Thursday evening, February 8. Every member felt glad to meet with their ladies and renew old friendships of "the happy days of yore." They came early with well filled baskets which were taken care of by committee.

All were waiting for the opening by Bro. Harry Pifer's orchestra at 8.30 p. m. After choice musical selections by the orchestra a number of pieces were rendered from best records on Edison phonograph. Then followed a fine recitation by Miss Keagle, of Rathmel. Next came an exhibition of hypnotic skill by Bros. Farrell and Gillespie which completely surprised the audience. After this the orchestra put forth their best pieces and when finished a call came for dinner and such a lay-out it was—a completely planned program carried out to please everyone of 48 persons who sat down to the delightfully arranged table under charge of Bros. Wood, Gillespie, Gourley and Lucas. After almost an hour of enjoying the good things and many longing wishes to be able to do justice to more, there was more music and amusements, finishing up with a grand march at 12 o'clock and, with friendly wishes for more such entertainments all took their homeward way, fully satisfied that those who missed the reunion missed a treat.

G. W.

Assembly Timber.

R. H. Longwell, of Brookwayville, candidate for the Republican nomination for Assemblyman, was in town yesterday. Mr. Longwell made a good run for the nomination for Assemblyman two years ago, but was defeated by Mr. North and he submitted gracefully to the will of the people and kept sweet over the defeat. Now he "Bobs" up serenely and is going after the nomination with the sanguine expectation of being one of the nominees for Assemblyman. He is tall enough physically, has sufficient gift of gab and ample ability to make a worthy representative in the legislative halls at Harrisburg if nominated and elected.

Call for Fourth Payment.

The American Production Company has issued a call to the stockholders for the fourth and last payment on stock subscription. The construction committee report the provisions in the subscription contract have been fully complied with, making the last installment of 25 per cent of the stock subscription due and payable on the call of the American Production Company. As everything looks favorable now for this plant to soon be one of our best industries it is likely the stockholders will respond promptly to the call for the last payment on stock subscription.

Keep This One in Mind.

"Who's your come again soon?" was a frequent expression and request to the management of "My Wife's Family" Co. last season and it is being repeated again this year. This merry musical comedy of side splitting qualities is the joint work of Hal Stephens and Harry Linton, both well known in the theatrical world, and to-day a firm of theatrical managers and producers, who are fast forging to the front of success. This comedy, with a perfect production and highly capable cast of funmakers will again be the attraction at the Reynolds opera house Saturday, February 24.
