Dog Sent to Pittsburg. Tuesday afternoon of last week young son of William Boyd, of Soldier, was bitten on the leg by a dog. The owner of the dog claimed the dog was not mad and the father of the boy claimed the dog was mad. Friday Mr. Boyd took his son to Brookville to have the county commissioners send him to a Pasteur Institute for treatment. Two of the commissioners came up Saturday to investigate the case and decided to send the dog to Pittsburg to bave experts examine the dog to see whether it is mad or not. The dog was sent by express Saturday, but up until last night no word had been received from Pittsburg.

Will Prospect for Oil. Some capitalists from Kittanning were in Reynoldsville last week and leased consideral territory in this section from the untral Land and Mining Company for the purpose of prospecting for oil. The gentlemen are experienced operators and have a large number of wells in operation at different places. It has been the opinion of a number of our citizens for years that there is oil in this section, but the territory has never been thoroughly tested. We will not be surprised if Messrs. Greenbaum, Runyan & Co. find oil in this section. THE STAR certainly wishes them success in their operations,

IOHN A. AND MADGE HENRY, YOUNGEST VIO-LINISTS IN THIS SECTION OF THE COUNTRY

The above is a picture of John A. and Madge Henry, son and daughter of Mr. and Mrs. Walter C. Henry, of this place. John will be eight years old this month and Madge was six years old last November. They are the youngest violin players that we know of in this section of the state that have played before public audiences. Their first appearance was in the Presbyterian church in June of last year, on Children's Day. After that they played before an audience in DuBois and just before the holidays played before a large audience in Assembly hall in this place. They will play in DuBois again in May. John has been taking lessons a year and a half and Madge has been taking lessons over a year. They play nicely together, and considering their years their playing is certainly remarkable.

The Destiny of the Anglo-Saxon,

To listen to a man who has seen, with els own eyes, every tribe of the sons of od under the sun is a privilege rarely afforded a Reynoldsville audience. Dr. John Merritte Driver, who delivered the closing number of the lecture course n Assembly hall Thursday evening, enjoys this distinction. He possesses a peculiar charm of manner, a soft melodious voice and the consummate art of an actor. He impressed his audience, he held their attention and convinced almost against their convictions. For ome of his views regarding the destiny of the sons of Japhet are radical in the extreme. He believes that to the white man is decreed the mastery of the world -s destiny they shall fulfill whether they wish to or not. He portrays the pitiable condition of the various peoples of Asia and with Kipling exhorts us to

"Take up the White Man's burden— Send forth the best ye breed, Go bind your sons to exile To serve your enptive's need; To wait in heavy harbess On fluttered folk and wild.—

He expressed his conviction that not only would Old Glory continue to wave over the Philippines for all time, but that all things were now shaping themselves for the extension of our influence over the vast plains of Asia. He spoke, from experience, of the spirit of friend ship for America which seems to reign among the oppressed races in the Orient and urges us to

And to assume our heritage of dominion and power. The lecturer saw in the election of Theodore Roosevelt a man afraid of nothing in heaven or hell, the determination of the American people to go forward in the vanguard of the nations, stern and resolute, worthy descendants of a race which has given the world an Alexander and the Cæsars.

Promptness Kindly Requested.

Within the past two weeks we have sent out statements to a number of persons who are in arrearage for subscription to THE STAR, and have a number of others to send out yet. We trust those who have received statements and those who will receive statements in a few days will give the matter attention as soon as it is possible for them to do so. It is a small matter for each subscriber but in the aggregate It is an important matter with us and, hence, we are very anxious that each subscriber will kindly be prompt in paying their subscription.

REV. P. A. RENO DEAD.

Died Sunday Morning with Pneumonia-Only Sick a Few Days.

Rev. Perry A. Reno, pastor of the First M. E. church of Sharon, formerly pastor of the Reynoldsville M. E. church, died at the parsonage in Sharon Sunday morning, March 4, 1906, after a brief illness with pneumonia. Rev. Reno had a bad case of grip, and pneumonia followed. No one in Reynolds ville knew that he was seriously ill, and a telegram from Sharon Sunday evening, to editor of THE STAR, announcing his death was a surprise and shock to Rev. Reno's many friends here. His death was announced in the various churches in town Sunday

Rev. Reno was born at Clarksburg, Mercer Co., Pa., within five miles of Sharon, September 15, 1852, and was in bis 54th year. He graduated from the Allegheny College at Meadville, Pa., and Northwestern University of Chicago. He was principal of the academy and later professor of the University at Mitchell, S. D. He was licensed to preach in 1874. He filled appointments at Erie, North East, Slippery Rock, Dunkirk, Reynoldsville and Sharon, having been moved from Reynoldsville

to Sharon in the fall of 1904. Rev. Reno was pastor of the Reynoldsville M. E. church five years. Much credit is due to him for the fine stone Methodist Episcopal church that is now being built in this place. Rev. Reno talked new church long before he got the trustees to his way of thinking. During his last year here Rev. Reno solicited and got subscriptions for something like \$14,000 toward building the new church.

Rev. Reno was a kind hearted man, a devoted husband and father. He was a zealous and hard working minister of the gospel. He took a great interest in the young people of his church, and there are some young men holding good positions to-day because Rev. Reno en couraged them and urged them to high ambitions in life.

A number of Reynoldsville friends contributed money to a fund to buy a beautiful floral piece to send as a token of their love and esteem for Rev. Reno the Utopia Society, of which Mrs. Reno was a member, sent beautiful floral piece, and several persons sent flowers individually.
