

The High School Bulletin

EDITOR-IN-CHIEF, CRAIG KING.

The following officers of the Shakespearean Literary Society were elected last Friday: President, Leonard Harris; vice-president, Carl Kirk; secretary, Blair Sykes; editor-in-chief, Craig King; reporters, Maude Pratt, Lucille Deibel; program committee, Nellie Foley, Cora Robertson; pianist, Lena Herple.

Prof. Downs, principal of Brookville schools, and Mr. Schwartz, a member of their board of directors, visited our schools Friday afternoon. They complimented our schools highly on our marching and the advancement in the work that is being accomplished this year.

Monthly exams Wednesday afternoon. The canal boats are still floating around in Room 15.

Miss Daisy Darling, of Watrus, Pa., visited our schools last week.

The Seniors and Juniors are preparing their recitations and orations for commencement.

Previous to the Beechwoods game Saturday evening, March 9, the "Seem Funny Quartette," consisting of school marmes, favored the local High School boys with a popular classical selection, entitled "In the Shade of the Old Apple Tree." It was indeed gratifying to hear something new.

Say boys, what was the yell Beechwoods gave after the game Saturday evening? — O! pshaw.

Mrs. Helen G. Rice, of Boston, state superintendent of the W. C. T. U. of Mass., visited our schools Thursday and conducted the chapel exercises of the lower grades. Mrs. Rice is a very interesting speaker and made very favorable impression with the pupils.

Wm. H. Bell made a very acceptable gift to our school library of a history of northwestern Penn'a., edited by W. J. McKnight, of Brookville. The book is a large one and attractively bound.

Friday evening, March 9, the Brookville High School basketball team came to town confident of wrestling a victory from the strong black and gold five. Like a drowning man they clung to the straw of hope but the six broke and now they have found a watery grave near the billows of despair. Hard luck, Brookville. Preliminary to the big game the Reserves from Brookville High School engaged in a snappy contest with the local Reserves, but were defeated by the score 12-10. This sent a thrill of enthusiasm through the players and spectators alike and when the referee's whistle announced the time for the league game, the old "Alla-goroo" ringing through the air was echoed with tumultuous vehemence. From the very first excitement ran high and good playing on both sides was applauded by the interested onlookers. By fine team work Reynolds-

villa scored the first goal, but failed to play their usual fast game until the second half. However, on a 1-0 with their opponents until a goal thrown from a foul placed Brookville in the lead. First half ending 9-8 in favor of Brookville.

From the beginning of the second half Reynoldsville played with whirl and velocity, passing the ball all around the Brookville boys and shooting goals from difficult positions. It was at this period of the game that the Reynoldsville boys displayed their superiority. By their dexterity and vitality they had the visitors fairly "agoin'" when somehow Brookville was compelled to call time. Had this feature of the game not occurred, we are safe in saying that the maroon and whites would have gone home with a much larger score against them. After a good rest, a substitution, and a few changes they were finally able to continue the game. But they were down and out, unable to do anything against the fast black and gold team. The final score was 24-15 in favor of Reynoldsville. When this was announced the High School rooters fairly went wild, for this game decided the championship of Jefferson county.

But the Reynoldsville team was not satisfied until they went to Beechwoods the following evening and in spite of a stormy voyage, bumps, soreness, etc., played one of the fastest and best games they have played this season. The farmers said "twas better to see that game than to eat the old genuine home made pumpkin pies." The farmer boys started in to saw wood but soon struck a knot. The game was exciting from the beginning to finish, and though Reynoldsville lacked rooters, they played like veterans and made the Beechwoods boys look like a pint of butter milk. Final score 21-15 in favor of the Reynoldsville five.

This game practically closes the Jefferson County High School League. One game is yet to be played between Brookville and Beechwoods but the winners of this game will come far from reaching first place. Reynoldsville has a clear record and in time will receive the championship banner, which is to be presented to the school, with a picture of the ones who have helped win it. This team deserves great praise for several reasons, principally, because it is the first athletic team that has ever won honors for the Reynoldsville public schools. The standing with regards games is as follows:

Reynoldsville H. S. won 4 lost 0.
Brookville H. S. won 2 lost 2.
Beechwoods H. S. won 0 lost 4.

Last Wednesday morning Rev. J. A. Parsons conducted the chapel exercises of the upper grades and also addressed the pupils with the first of the series of talks on "Choosing a Profession." His subject was "Choosing the Ministry as a Profession" and it was very interesting and beneficial.

Pittsburg Ball Club Off for Hot Springs.

Last Monday evening the Pittsburg baseball club started for Hot Springs, where the players will be drilled and put in condition for what promises to be the most interesting championship struggle in the history of the National League. The sporting editor of the Pittsburg Dispatch, Charles B. Power, whose interesting reports from the training camp last spring were admittedly the brightest and most entertaining ever published, as usual accompanied the Pirates and will keep the readers of that journal fully informed as to the movements of the players.

Mr. Power is a recognized baseball authority and is well qualified to pass judgment of the young players to be tried by the Pittsburg club, as well as to keep readers of the Dispatch advised as the form displayed by the old members of the team. Before entering upon newspaper work he was prominent as a player and manager, served two seasons as a National League umpire and later was for five years president of the Interstate League.

With Mr. Power as its sporting editor the Pittsburg Dispatch is the paper that every lover of baseball should read. Leave an order with your newsdealer now. You will enjoy the daily letters from Hot Springs and you will at all times get the best sporting news published.

\$30,000.00 STEEL PLANT GOLD BONDS

First Mortgage. Six Per Cent Bonds. Payable in Gold. Dated Dec. 1, 1905. Interest payable June 1, Dec. 1.

FIRST NATIONAL BANK, Reynoldsville, Pa. PEOPLES NATIONAL BANK, Reynoldsville, Pa.

C. F. DICKINSON, Westinghouse Building, Pittsburg, Pa.

We own and offer (in amounts to suit purchasers) the best industrial security ever offered to the investors of this community.

The controlling interest in Reynoldsville's new "STEEL PLANT" has recently been purchased by Pittsburg people who are old in the successful management of large iron and steel properties.

Necessary additions are being made to the equipment, and new and heavy machinery is being added. Upon completion of these improvements a full line of Alligator Shears, Cold Saws, Rolling-Mill and Contractors' Machinery will be extensively manufactured at the Company's works, and sold from their Pittsburg offices.

The assets of the Company as re-equipped will stand at \$120,000.00 in round figures, against which the \$30,000.00 of First Mortgage bonds are the first and prior lien.

The Company has issued \$30,000.00 six per cent First Mortgage Gold Bonds in denomination of \$100.00, \$200.00, \$500.00 and \$1,000.00 each and we, the undersigned, have purchased a very large proportion of the entire issue.

The semi-annual interest, at the rate of six per centum, is payable on June 1st and December 1st of each year, at The Peoples National Bank, Reynoldsville, Pa.

These bonds are a first and prior lien on all of the real estate, buildings, machinery, equipments, franchises, property and revenues of the American Production Company, and a special condition in the mortgage provides that bonds to the amount of \$2,500.00 shall be retired every year, after the first two years.

LEGALITY

These bonds have been issued under the supervision and advice of the following attorneys, viz: Messrs. Charles Corbett, of Brookville, Pa., Weil & Thorp, of Pittsburg, Pa., and G. M. McDonald, of Reynoldsville, Pa.; any of whom can vouch for the binding validity of these securities.

The undersigned being personally acquainted with the "STEEL PLANT" property, consider these bonds as the best of the kind ever offered in this community, and recommend them as a safe investment.

Prompt subscriptions for bonds in amounts from \$100.00 up will be received by the undersigned at the price of par and accrued interest. Allotments will be made as subscriptions are received, the right being reserved to cease the allotment at any time.
