"We Ain't Got No Bible at Our House."

Rev. W. W. Bradshaw, missionary of the American Sunday School Union, had the following experience in the mountains of Kentucky: One day a boy asked me to ride with him. He told me he was hauling the mail to the next village and that he was paid \$12 a month for his work. "How do you spend your money?" I asked. "Well, I help support my mother and my sister, and the balance I am saving to buy me a rifle." "A rifle?" I exclaimed, "what do you want with it?" "The day I get it I am going to kill old man Yelvington. If he should die, I will shoot his oldest son and if he jumps the country I will kill the next." "What in the world do you mean, my boy?" I asked in amazement. He replied, "Just what I tell you. Old Yelvington killed my father, and the day of the funeral I swore I would fix him. I have nearly enough money to get the rifle, and when I do, something is going to drop over yonder; you know what the law of revenge is."

I was well nigh speechless with astonishment. "My young friend," said I, kindly: "don't you know if you kill that man you will have to fly from home, go to prison, or be hanged. Do you know what an awful thing murder is? What does God's Word say about it?" He answered: "We ain't got no bible at our house."

I talked earnestly and tenderly with him, bringing out the gospel rule of forgiveness. He was deeply moved, and the tears were in his eyes. Before we parted he promised to give up his dread(ful) plans. I took a bible from my bag, wrote his name in it and gave it to him. Some months after it was the means of his conversion, also that of his mother and sister. It pays to teach the children God's Word.

That little bible saved an old man's life, it saved our state a murder trial, a boy from becoming a criminal, and it all cost 25 cents. One good book, one kind word often saves a child from the downward career.

STEEL PLANT GOLD BONDS

First Mortgage. Six Per Cent Bonds. Payable in Gold.
Dated Dec. 1, 1905. Interest payable June 1, Dec. 1.

FIRST NATIONAL BANK, Reynoldsville, Pa. PEOPLES NATIONAL BANK, Reynoldsville, Pa.
—AND—
C. F. DICKINSON, Westinghouse Building, Pittsburg, Pa.

We own and offer (in amounts to suit purchasers) the best industrial security ever offered to the investors of this community.

The controlling interest in Reynoldsville's new "STEEL PLANT" has recently been purchased by Pittsburg people who are old in the successful management of large iron and steel properties.

Necessary additions are being made to the equipment, and new and heavy machinery is being added. Upon completion of these improvements a full line of Alligator Shears, Cold Saws, Rolling-Mill and Contractors' Machinery will be extensively manufactured at the Company's works, and sold from their Pittsburg offices.

The assets of the Company as re-equipped will stand at \$120,000.00 in round figures, against which the \$30,000.00 of First Mortgage bonds are the first and prior lien.

The Company has issued \$30,000.00 six per cent First Mortgage Gold Bonds in denomination of \$100.00, \$200.00, \$500.00 and \$1,000.00 each and we, the undersigned, have purchased a very large proportion of the entire issue.

The semi-annual interest, at the rate of six per centum, is payable on June 1st and December 1st of each year, at The Peoples National Bank, Reynoldsville, Pa.

These bonds are a first and prior lien on all of the real estate, buildings, machinery, equipments, franchises, property and revenues of the American Production Company, and a special condition in the mortgage provides that bonds to the amount of \$2,500.00 shall be retired every year, after the first two years.

LEGALITY

These bonds have been issued under the supervision and advice of the following attorneys, viz: Messrs. Charles Corbett, of Brookville, Pa., Weil & Thorp, of Pittsburg, Pa., and G. M. McDonald, of Reynoldsville, Pa.; any of whom can vouch for the binding validity of these securities.

The undersigned being personally acquainted with the "STEEL PLANT" property, consider these bonds as the best of the kind ever offered in this community, and recommend them as a safe investment.

Prompt subscriptions for bonds in amounts from \$100.00 up will be received by the undersigned at the price of par and accrued interest. Allotments will be made as subscriptions are received, the right being reserved to cease the allotment at any time.
