The High School Bulletin

EDITOR-IN-CHIEF, LUCILE DEBALLE.

A great effort is being made to bring Dr. Nathan C. Shaeffer, State Superintendent of Public Instruction, to Reynoldsville to preach the Baccalaureate Sermon to our graduating class. With both Dr. Charles Thwing and Dr. Shaeffer here for commencement we will indeed be highly favored.

Dr. Thwing is president of Western Reserve University and of Aldebert College, Cleveland, Ohio, and one of the foremost educators of to-day. He is greatly sought after by colleges and universities for lectures.

Big things are brewing for commencement week.

Miss Maude Alice Pratt will be valedictorian and Miss Ida Williams salutatorian of the class of '06. These students having the highest class average.

Prof. Elliot began Monday to train the Juniors for the annual Junior Contest. With the fine material which is in the class this year and the training of Prof. Elliot, there is no doubt that there will be an excellent contest.

One of the Junior girls wants a high collar. I don't know why.

Too many colds in High School; you'll have to cut out those walks between eleven and two o'clock.

Another victory was added to our list last Friday night when our High School basket ball team defeated the team from Indiana High School. The score was 39-2.

Save your pennies to buy chewing gum.

Again please.

Excuse me? Did I hear you say camphor was good for such things?

Puritan style is being introduced into the high school. A few have the "Means" to do it.

Your shoes are muddy Freshie.

Where's that play Seniors?

Why is it that one Junior knows so much of the Freshmen's affairs?

Beechwoods Commencement.

The Washington township high school commencement will be held in the Beechwoods Presbyterian church Wednesday evening, April 11, and the township entertainment will be held at the same place, Friday evening, April 13th.

The baccalaureate sermon will be delivered by the Reverend Geo. Hill, Sunday, April 8th.

The Senior class will be the largest class that has ever graduated from the high school, being thirteen in number. At present the members of this class are busy preparing for final examinations before the County Examining board and writing orations and original productions.

The township commencement is the first thing of the kind that has ever been held in the district. Each of the twenty schools will be represented by a performance of some kind in this entertainment.

Great interest is shown in both the high school and township commencements and indications are that they will be equal, if not superior, to anything of the kind ever held in the district.

The Falls Creek orchestra, consisting of seven pieces, will furnish the music for the high school commencement and the brass band from the same place, consisting of fifteen pieces, will furnish the music for the township entertainment.—Falls Creek Herald.

Human Blood Marks.

A tale of horror was told by marks of human blood in the home of J. W. Williams, a well known merchant of Bac, Ky. He writes: "Twenty years ago I had severe hemorrhages of the lungs, and was near death when I began taking Dr. King's New Discovery. It completely cured me and I have remained well ever since." It cures Hemorrhages, Chronic Coughs, Settled Colds and Bronchitis, and is the only known cure for Weak Lungs. Every bottle guaranteed by Stoke & Feicht Drug Co., druggists of Reynoldsville and Sykesville. 50c and \$1.00. Trial bottle free.

CONSCIENCE CLOTHING

The foundation of a permanent fitting garment is in its shape-retaining qualities and the secret lies in the proper sponging of the cloth to avoid shrinking; not merely a wet cloth and a hot iron, but scientifically sponged by practical men;—by means of the CLOTHCRAFT patent process. This is one reason for the success of CLOTHCRAFT clothing, now add to this the genius of the designer of CLOTHCRAFT CLOTHES, the personal supervision by experts, the non-shrinkable body canvas, the vital insides, etc. and there you have the perfection of form-fitting properties that have universally established CLOTHCRAFT apparel as indisputably among the best fashioned garments that ever graced the form of man.

Texture, pattern or trimmings be they ever so standard have neither the elements of fashion or merit without these perfect fitting essentials. It is the fit that distinguishes your clothes from the general every day kind.

You can no more expect clothing satisfaction without it, than you can look for good bread from bad flour. Be sure you're safe, ask for CLOTHCRAFT CLOTHES and you ask for just what you're looking for.
