PITTSBURG CHRISTIAN ADVOCATE
(Established 1834)
Official organ of the Methodist Episcopal Church in Western Pennsylvania, Eastern Ohio, West Virginia, Western Maryland and Western New York.
Circulation 35,000.
The "Pittsburg Christian Advocate" is the only religious paper through which advertisers can reach the large and influential Methodist Episcopal population of the territory named. The statistics show a membership in this territory of 242,238 and a constituency of more than a million people.
UNEQUALLED TERRITORY 150,000 READERS WEEKLY.
The Methodist Episcopal church press differs from that of most denominations in that each paper has its own particular field of circulation, which is not reached to any appreciable extent by any other. And as the field of the "Pittsburg Christian Advocate" is one of the richest and most prosperous in our country, advertisers will do well to consider it in their arrangements for advertising.

Passengers now will be able to connect with ease for Chautauqua from the Erie, Pennsylvania, Lake Shore, Nickel Plate and Big Four railroads without delay which was often necessary in previous years.
