#### Glendale.

Miss Edna Moore is visiting in Glendale this week.

Mrs. Harry Joiner, from Allons Mills, was visiting in our city this week.

J. P. Smith was home from Sykesville over Sabbath visiting his parents.

Our farmers are busy with their spring work. Some have their spring wheat and oats sowed.

Three bustling small boys of this place have made some very good maple syrup, if we can judge rightly.

Mrs. Fannie Larimer and family are moving to New Kensington from here, where Mr. Larimer is working in a glass plant.

We are quite sure of the Clearfield and Franklin railroad coming through here now, as we hear they have given up the Reynoldsville route.

J. H. Burtop and Mrs. D. B. Moore were over in Warsaw this week visiting Aunt Hannah Moore, who is in her 89th year and in very poor health.

It has been reported to us that M. L. Hetrick has been appointed roadmaster for this end of the township. He is a good roadmaker and we feel sure our roads will improve under his supervision.

M. M. Moore, who has been confined in the house for several months on account of having pneumonia during the winter, was able to drive as far as his son, Walter Moore's, one day last week, and saw his first grand child, a bouncing boy. Walter and grandpa are both very proud of the boy.

#### The Mock Court Trial.

Regarding the big Mock Court Trial to be given in Centennial hall, under the auspices of Helping Hand Society, on Tuesday evening next, would say that the stage of the hall will be laid out as a regular court room with all the accessories and the trial will be conducted in every respect with all the gravity of a supreme court session. The case will be handled on the exact lines of legal procedure, but for all that will be so arranged that the two hours proceedings are likely to furnish the biggest bunch of merriment an audience has had in a long time.

Of course, all hearts will go out in tearful sympathy for the plaintiff, while as for the defendant, it is enough to say that no one would ever have believed it. The jury is distinguished enough to rivet the attention of an audience for a whole evening, and are capable of being a whole show themselves. Altogether this Mock Court Trial promises to be one of the events of the season, both in the interest attaching to it and in the crowd that will attend.
