PITTSBURG CHRISTIAN ADVOCATE

(Established 1891)

Official organ of the Methodist Episcopal Church in Western Pennsylvania, Eastern Ohio, West Virginia, Western Maryland and Western New York.

Circulation 35,000.

The "Pittsburg Christian Advocate" is the only religious paper through which advertisers can reach the large and influential Methodist Episcopal population of the territory named. The statistics show a membership in this territory of 245,258 and a constituency of more than a million people.

UNEQUALLED TERRITORY 150,000 READERS WEEKLY.

The Methodist Episcopal church press differs from that of most denominations in that each paper has its own particular field of circulation, which is not reached to any appreciable extent by any other. And as the field of the "Pittsburg Christian Advocate" is one of the richest and most prosperous in our country, advertisers will do well to consider it in their arrangements for advertising.

Those who buy from catalogues houses read the following. It may interest you. When your catalogue comes from the mail order house wait until you get home before removing the wrapper, then wait until after supper when chores are all done. Draw an easy chair to the table, where the light will shine full on the page, put on your glasses that no bargain may escape your eye and settle down for an hour of enjoyment. What a wonderful book it is, to be sure. Wonderful in what it does not contain as well as what it does. We miss some things we would be glad to see. Where is their offer to pay cash or exchange goods for your wheat, oats, corn, butter or eggs? How much do they pay for cattle, sheep or poultry? How much tax will they pay for improving roads or bridges, for support of the poor of the county, for the expenses of running the town, county or state? On what page is their offer to contribute money or services in the establishment and maintenance of a Sunday school and church for the improvement of the moral tone of your community? What line of credit will they extend to you when your crops are poor and money gone, when through illness or misfortune you are not able to send cash with order? Where is their offer to contribute anything to new industries which may locate in your community? Where is their offer to contribute to your entertainment next Fourth of July? What did they do last Fourth? On what page do they explain to you the increased value of your property or holding as a result of trading with them? If you find these questions satisfactorily answered, take them to your merchants and they will go into your lines of business and let the towns go to grass. Under such conditions no town is needed further than to furnish a railroad station, an express office and a case for mail carrier—all of which may be covered by one roof. CRITICIZEN.

The high school basketball team ended the season Thursday evening, April 19, by a game with the Athletic team. Although the high school boys lost, they put up a pretty exhibition of team work and fast passing, for which they received loud applause. The game was fast but exceedingly rough, numerous fouls being called on each side. The first half ended 5-3 in favor of the high school. At the end of the second half the score stood a tie, 13-13. The tie was played off and Blair Sykes, a high school boy who had taken Oberlin's place at center, made the winning basket. The final score was 15-13 in favor of the Athletic team.

West Reynoldsville seems to be a favorite with those who enjoy evening walks—at least some of the high school pupils think so.

The recital at Assembly hall Monday evening, given by Professor Elliott, was an entertainment of the very highest quality. Although the audience was deficient in number, the speaker portrayed his characters so vividly and his impersonation was so real that those who attended were delighted from start to finish. The scenes from "David Harum" were in truth superb, while the comedy "Christopher, Jr." stands unrivalled by any portrayal on the local stage. The receipts are intended to defray the expenses of commencement week.

Our hearts are thrilled with joy and pride. When we our flag unfold,  
Because we love the best of all  
The purple and the gold.  
From high school's happy, care free days,  
Through life—till we are old,  
To these, our colors, we'll be true—  
The purple and the gold.  
And when life's battles all are o'er,  
And we are still and cold,  
E'en then we'll wear upon our breasts  
The purple and the gold.
