

Pittsburg Exposition.

An exhibit at the coming season of the Exposition, which opens August 29, that should attract more than ordinary amount of attention, is the relief map of the proposed Lake Erie and Ohio River Ship Canal. The map shows in detail the route of the proposed canal that has practically been authorized by Congress. The history of the canal dates back as far as 1889 when Andrew Carnegie is credited with having started the project because of a fight he was having with the Pennsylvania railroad. About \$10,000 was spent on a survey of the route, but the matter was dropped until 1893, when the Chamber of Commerce took it up, but also accomplished little beyond making a few changes in the original survey.

Something over a year ago local capitalists formed a company to build the canal. Practically a new survey was made and after a long struggle Congress granted a national charter with the right of domain. The company was organized with a comparatively small capital, but this is to be increased, a finance committee now being at work with this end in view. There is also at work a prospectus committee and engineers are completing details of specifications which will be submitted for bids during the coming winter, it being the intention to begin work on the canal next spring. The map to be shown at the Exposition shows exactly where all the work will be done, in addition to which there will also probably be considerable explanatory literature.

To Patrons of the West Reynoldsville Schools.

Below find a letter which explains itself:  
MR. O. H. JOHNSTON, Secretary School Board, West Reynoldsville, Pa.  
Dear Sir: Please call attention to the compulsory vaccination law. All who attend the public schools must be vaccinated. This is a state law, is compulsory, and will be enforced.  
Yours,  
W. W. MATSON,  
Inspector State Board of Health for Jefferson county.

Grand Scenic Excursion to Bradford and Rock City.

One of the most attractive excursions of the season will be run by the Buffalo, Rochester & Pittsburg Ry. Sunday, August 19th, when an opportunity will be offered for a trip to Bradford, Pa., which will also include a side trip to Rock City, that wonderful freak formed by nature on a spur of the Allegheny mountains, about ten miles from Bradford. Rock City is made up of immense blocks of conglomerate rock, formed of white, pearl like pebbles, and so separated as to have the appearance of the streets and buildings of a city. The panoramic view of the surrounding country obtained from Rock City is one of surpassing grandeur and will alone well repay you for taking the trip. Special train will leave Sykes at 9.00 a. m. and round trip tickets will be sold for \$1.25 to Bradford, or \$1.50 to Rock City.

Free Scholarships in Nurse Training.

The Philadelphia School for Nurses has purchased large properties at 2219-25 Chestnut street, Philadelphia, and will extend the benefits of the Free Course in Nursing to young women of every rural community and of the smaller towns and cities throughout the entire country.

The course is two years, but may be shortened to eighteen months by six months' reading and study at home.

The school provides room, board, nurse uniforms, gives full instructions and pays students fare home at end of the term.

A special short course is provided for those who cannot spend two years in the study, but who wish to quickly prepare themselves for self support.

The object of those who are providing the funds for this work is to ultimately extend the benefits of skilled nursing to every village and township in the land.

Nearly 200 free scholarships will be available this year.

Better Cigar Values at Lower Prices Than Ever Sold Before

A Direct-dealing Plan That Cuts Out Four Profits and Much Expense

NATIONAL CIGAR STANDS

Figure It for Yourself

National Cigar Stands give the smoker just what every man would get if he could—wholesale rates on retail purchases.

Everybody knows how much he saves when he is able to buy a suit of clothes or a pair of shoes, or a gun or anything else at the wholesaler's price. He saves the retailer's profit; usually 20 to 30 per cent.

When a man buys cigars at a National Stand he saves, not merely one profit, but three or four. Instead of saving 20 to 30 per cent. he saves nearer 50 per cent.

This is because all the 2,000 drug stores which conduct National Cigar Stands concentrate their cigar-buying in a single co-operative concern, which is thus given

The Greatest Retail Cigar Outlet on Earth

With 2,000 established retail stores to provide cigars for, this concern becomes a power in the tobacco market big enough to own its own brands, control its own factories and be its own producer! Each of the 2,000 stores is thereby virtually a part-

ner in a tremendous cigar-producing business. Each gets its goods direct and at low cost—paying no jobbing profits, no fancy dividends, no expenses of traveling salesmen. It can and does retail at the usual wholesale price—or even less.

That is why a cigar, like

NATIONAL CUBA-ROMA NATIONAL

Can be sold at Five Cents each

In leaf-quality, workmanship, fragrance and general smoking satisfaction it is a better cigar than was ever sold at 3 for 25c. All clear Havana, and good, ripe, selected leaf at that.

exclusively by National Stands. All classes of cigars are included, all tastes and purses suited.

Every cigar in the line is nearly twice better than you have ever got before for the price.

Trying is believing.
