Brown, Mrs. James Hawthorne, Misses Clare and Virginia Hawthorne and Mrs. Grant Schaeffer, of Brookville, Rev. James H. Jelbart and wife, of New Bethlehem, and a number from Beechwoods and Hornstown. Won a Wager on Walking. Fred Carlson, a miner of Westville, who is a fast walker, bet ten dollars with another citizen of Westville that he could walk from Westville to Reynoldsville, a distance of almost eleven miles, in two hours. The walk was to have been made Sunday, but the mines at Westville were idle Saturday and Mr. Carlson won the wager that day by walking to Reynoldsville in one hour and forty-two minutes. Gust Nestor and Andrew Arbuckle, also of Westville, drove behind Mr. Arbuckle to see that he did not run and that he walked from Westville to Reynoldsville within the time limit. They had to make their horse trot frequently to keep up with Carlson. See the new negligee shirts at Millirens.

Lightning Struck Two Places. During the heavy storm about five o'clock last Friday evening lightning struck the barn of H. A. Swab, on Fifth street, and set the barn on fire. Hope Hose Company promptly responded to fire alarm, but the barn was destroyed before the firemen got the flames under control. A workshop and small dwelling house near barn were not damaged by the fire, but had it not been for the work of the firemen the shop and house would have been burned. There were a number of chickens and two tons of baled hay in barn. The chickens escaped in safety, but the hay was badly scorched. There was some lumber burned near the barn. Mr. Swab did not carry any insurance. Phillip Koehler's house was struck by lightning during the storm Friday about five o'clock. There was not much damage done to house. Marvelous Feat While Asleep. Eight-year-old daughter of William Shutt got out of bed several nights ago while asleep, crawled out of second story window, down side of house on some small vines, was carried into the house by her father and did not awaken until he put her on her feet. It is marvelous how she got out of the window and down the side of house without falling. Some members of the family heard the little girl crawling down side of house and thought it was a robber. In looking for the supposed robber Mr. Shutt found his daughter before she had gotten down to the ground. Sunday School Picnic. The Methodist Episcopal Sunday school will hold a picnic at Romantic Park, Sykesville, to-morrow. Parents, members of congregation and friends are invited to attend the picnic. Evening Party. The Board of County Commissioners recently redeemed \$17,000 of outstanding county bonds, thus reducing the county indebtedness to that amount. While the taxpayers furnished the money that made redemption of these bonds a possibility the commissioners deserve proper credit for using the money to the best purposes, and stop the payment of large sums in interest.—Brookville Republican. Must be Vaccinated. The State health department under Dr. Dixon is sending out instructions to every school board in the State to the effect that the vaccination law must be rigidly enforced this year, especially since it has been approved by the Supreme Court. It is suggested that those having children who must be vaccinated should attend to that during summer vacation so that they may be fully recovered before school opens in the fall. At the request of several school boards this notice is published, and it will be for the welfare of all to follow the directions of the health department. In another column of THE STAR will be found a notice from the school boards of Reynoldsville and West Reynoldsville that all children who have not been successfully vaccinated will not be permitted to attend the next term of school. Rain Marred Pleasure of Encampment. On account of the rainy weather last week the Sons of Veterans' field encampment in Mitchell's Park, near Punxsutawney, was not as enjoyable an encampment as the boys had at this place last year, and the attendance was not as large as it would have been had the weather been more favorable. The Kittanning S. of V. Camp joined the Field Encampment Association this year, and the Association is now composed of Camps from Jefferson, Clarion, Armstrong and Clearfield counties. The place for holding the encampment next year was given into hands of a committee and it is very likely that the next encampment will be held in Reynoldsville. New Tribe to be Instituted. A Tribe of the Improved Order of Red Men will be instituted at Kittanning September 8th with a membership of at least one hundred. District Deputy Great Sachem C. Corbett, and last evening Miss Sara Corbett, sister of Mrs. Graham, entertained the members of the Ingelow Club at same home. Both evenings the members of the club were nicely entertained and fine refreshments were served. A Good Band. "Dick" Ramsey's famous Keystone Band, of Reynoldsville, gave a concert in front of the Waverly Hotel last Thursday night, which delighted a large crowd of people. THE NEW THEATRE. Plans for the Building will be in Hands of the Contractor this Week. The plans for the new theater for the Reynoldsville Amusement Company will be completed and in the hands of the contractors by the end of this week. The building will be 62 x 95 feet, will contain a gallery and be in every way a first-class, up-to-date theatre. At the entrance there will be an addition for the box office and a ladies' dressing room, also a coat and hat room for the use of patrons. The interior will be so constructed that it can easily be used for a gymnasium, basket ball playing, running track and a skating rink. On each side of the stage will be boxes designed in the latest style. The stage will be large enough to accommodate the best attractions on the road. Under the stage will be a large room for dressing room, lockers and bath room. Arrangements are being made to open with a grand musical and military spectacle of the civil war. Other shows are also being booked and some of the best attractions of the season have already been secured. It is the purpose of the management to book nothing but first-class, clean shows that will please the people. In addition, basket ball games will be a feature and some good playing can be expected, as some of the best teams in Western Pennsylvania will be scheduled to play here. From the program now being got together, this company will be a great success and will be a great factor in attracting people to this town, which is destined to be the best in Jefferson county. Little Expense with Bees. Chief-of-Police Frank P. Adelsperger was going around for several days the past week with a skinned nose and badly swollen eyes, but he did not get them by coming in contact with a pair of knuckles. Saturday a hive of Mr. Adelsperger's honey bees swarmed on a cherry tree and he climbed the tree to capture the bees. The limb he was standing on broke and he fell and his nose was skinned in coming in contact with the ground. Falling from the tree disturbed the bees and some of the pesky little things gave vent to their ill temper by stinging Mr. Adelsperger, which was the whyfore of the swollen eyes and face. Frank is congratulating himself that all the bees did not sting him. The bunch of little fellows got away from Mr. Adelsperger and flew over the hills. Accept our Thanks, Gentlemen. J. M. Culp, a farmer who resides near Desire, was in town yesterday and presented THE STAR office force with a bushel of choice eating apples. This is the second bushel of apples Mr. Culp has given to this office this year. Samuel Dickey, one of our farmer friends, has the thanks of ye editor and THE STAR office force for some choice eating apples left at this office Saturday. His kindness is very much appreciated. Liable to a Fine. There is an ordinance in this borough making a person liable to a fine of not less than five dollars nor more than fifty dollars who tie a horse to a shade tree within this borough and the horse injures the tree.
