Not only the Right Styles but the Best Values in Boys' Clothing.

In selecting short pants suits for boys 7 to 17 years of age, you are practically limited to two styles—the double-breasted two-piece and the Norfolk. Suits bearing these same names are sold everywhere, so the main consideration for you is to buy where you get one or other of these styles with the very utmost value in the materials and quality in the tailoring.

We are offering these garments, as are others—but different from others. Our suits have the XTRAGOOD label. It means what it says. Because of the quality and honesty of fabrics used, on account of the care with which the materials are cut and put together, the way the pants are lined, the coats lined and the bottom faced, you get a combination of sterling qualities which elevates XTRAGOOD clothing to the first position and makes it best and safest for you to buy.
