WEDNESDAY, NOVEMBER 7, 1906.

Remember the sabbath day to keep it holy. Six days thou shalt labor and do all thy work; but the seventh day is the sabbath of the Lord thy God: in it thou shalt not do any work, thou, nor thy son, nor thy daughter, thy manservant nor thy maidservant, nor thy cattle, nor thy stranger, that is within thy gates. For in six days the Lord made heaven and earth, the sea, and all that in them is, and rested on the seventh day; wherefore the Lord blessed the sabbath day, and hallowed it.—Exodus 20:8-11. Thus speaks the law of God.

Act of Assembly.

"If any person shall do, or perform any worldly employment or business whatsoever on the Lord's Day commonly called Sunday, works of a necessity or charity only excepted, or shall use or practice any unlawful game, hunting, shooting, sport or diversion whatsoever on the same day, and be convicted thereof, every such person so offending for such offence shall forfeit and pay four dollars to be levied by distress." Thus speaks the laws of the Commonwealth of Pennsylvania.

Chief Justice Gordon of the Supreme Court of Pennsylvania, October 4, 1886, said:—There are but few of our statutes which in principle are of more importance than this act commonly called "The Sunday Act." In that it recognizes the first day of the week as a day of rest for the well disposed and religious people of our Commonwealth and we can entertain but little respect for those who wilfully and persistently violate its prescriptions. Against all such its penalty should be enforced until they are taught that a respect for its provisions may at least be profitable from a pecuniary point of view. The fine imposed is but light, far too light indeed to prevent the violation of the Statute by great Corporations and capitalists who regard their own profit rather than the public welfare.

It seems to us that this nation is at this hour passing through a grave crisis, when a most fearful conflict is on between law and liberty on one side and lawbreakers on the other. The world has applauded our own brave and wise national President, Theodore Roosevelt for the courageous stand he has taken in face of great odds and strong public sentiment, and has stood like a giant rock against lawbreakers in high places. Every person in this community commends him and will support him in this laudable enterprise.

Wherefore we, as a Ministerial Association hereby most earnestly plead will all our citizens to respect and obey the divine laws and Statutory enactments of our own Commonwealth, believing the greatest good will come to the individual and to the community by a strict observance of their provisions. They are not grievous and will deprive no one of any good. On the other hand a disregard to this divine and human precepts can only issue in loss to the individual and community. We also commend our county and borough officials in their honest endeavor to keep sacred their oaths of office. And we urge all citizens to join us in their support.

POPULAR CIGAR STAND.

How the Stock is Kept Just Right for Immediate Consumption.

The National Cigar Stands Company's enterprise is being watched with intense interest by cigar and tobacco men all over the world. The general impression is that it will revolutionize the cigar-retailing business.

Judging from the verdict of smokers the company has fulfilled its promise to supply the citizens of Reynoldsville with high-grade cigars at prices heretofore unknown in this section. The stand which was recently opened in the Stoke & Feicht Drug Co. store has been in operation long enough to prove that it has set a high standard of cigar quality and at the same time reduced prices.

The stand itself continues to attract attention because of its unusual appointments. Purely as an attractive display of cigars it attracts attention among smokers and non-smokers alike. But its practical use as a preserver of cigars is of course its main feature. Its scientific construction that automatically maintains atmospheric conditions best suited to cigars seems to have done away with the usual cigar-stand complaints of "too dry" or "too moist."

Even the sceptics are forced to acknowledge that the 2,000 druggists in the National Cigar Stands Company can and do buy in quantities sufficiently vast to make low prices possible.

The smokers themselves are learning by direct, personal experience that the prospects are bright that their cigar bills will be cut in half.

Teitrick has announced the day instructors for the annual teachers' institute to be held at Brookville December 17, 18, 19, 20 and 21, the list including such well-known educators as State Superintendent N. Becht, superintendent Clarion Normal, and Dr. James Ament, superintendent Indiana Normal. Prof. Jerry March, who has so successfully conducted the music for several years past, has been again secured. The evening entertainments for Monday and Wednesday have not been announced.

A Dollar an Ear For Corn.

The Pennsylvania Live Stock Breeders' Association announces that one of the features of its annual meeting at Harrisburg, January 22-25, 1907, is a Corn Show, open to all corn growers of the State whether they are members of the Association or not. Liberal prizes are offered for corn, 10 ears of which will constitute an exhibit, and these prizes are in cash. The National Stockman and Farmer of Pittsburgh has contributed \$100 in cash to encourage this exhibit, and to this the Association and the Department of Agriculture will add enough to make the prizes worth competing for. There will be 45 cash prizes, besides specials. This is Pennsylvania's first great Corn Show, and it should bring out a big lot of fine grain, some of which may later be used in exhibits at Jamestown or other Expositions. Every corn grower who can find ten ears of choice corn when he goes to husk it has a whack at the money. He should write at once to E. S. Bayard, Secretary, 203 Shady Ave., East End, Pittsburg, for particulars and enroll himself as a contestant. A postal card will do it. Prize list will be forwarded on application to the Secretary.

Had a Close Call.

"A dangerous surgical operation, involving the removal of a malignant ulcer, as large as my hand, from my daughter's hip, was prevented by the application of Bucklen's Arnica Salve," says A. C. Stickle, of Mills, W. Va. "Persistent use of the Salve completely cured it." Cures Cuts, Burns, and Injuries. 25c at Stoke & Feicht Drug Co. Reynoldsville and Sykesville.

Women who are compelled to stand in the street cars during the rush hours will hear something to their advantage by dropping into the Park theatre Nov. 14, and hear Miss Helen Darling sing her famous song "Tricks." Helen Darling explains several "Tricks" in this song, among them the real secret of how to get a seat, no matter how great the crush. "Tricks" is one of the many clever and catchy song hits that will be heard during the engagement of "The Rollicking Girl" in which that clever young German comedian Barney Bernard is the central figure this season. There is so much to "The Rollicking Girl" and her jolly associates that the curtain will be raised promptly at eight o'clock.

EDITOR-IN-CHIEF, ALDIE MEANS
CURRENT EVENTS, LENA HERPEL
SOCIAL EVENTS, MILDRED SUTTER

A progressive dinner was given by some of the high school girls on hallo-w'en.

Miss Kathryn Scott and Miss Kathleen Smith, of Brookville, visited the Reynoldsville high school last Monday.

The Seniors have again become enthusiastic about the inter-scholastic contest between Brookville, Punxsutawney and Reynoldsville but have not given it much consideration as yet. Through the influence of our literary society Reynoldsville is able to attain highest honors and would enter only with the thought of victory.

Why is it that the Seniors are not permitted to bring their breakfasts to school at seven-thirty if the Juniors can bring their supper at six?

Miss Helen Kunes, one of the Junior girls, has stopped school and will move south. The high school regrets that they lose one of their members and trust that Miss Kunes will always have the same interest for the school as when she was with us.

The girls' quartette of the high school, Lillian Harries, Alice Mitchell, Mary Parsons and Florence Harris, sang in chapel exercises Friday morning.

Friends from Punxsutawney visited Lucille Delble and Marie Altman yesterday.

Wallace Mitchell, leader of song services of chapel exercises, sang a solo Monday morning.

B. R. Tillman gave a lecture on "The Race Problem" before a large audience in Assembly hall last Friday evening.

A Year of Blood.

The year 1903 will long be remembered in the home of F. N. Tackett, of Alliance, Ky., as a year of blood; which flowed so copiously from Mr. Tackett's lungs that death seemed very near. He writes: "Severe bleeding from the lungs and a frightful cough had brought me to death's door when I began taking Dr. King's New Discovery for Consumption, with astonishing result that after taking four bottles I was completely restored and as time has proven permanently cured." Guaranteed for sore Lungs, Coughs and colds, at Stoke & Feicht Drug Co. stores of Reynoldsville and Sykesville.

Woman's Judgement.

The woman who exercises every day common sense and profits by her own experience and that of others, will recognize in the Prizer Ranges, a perfect solution in stove construction not found in other makes. We would be pleased to have you examine them—and we believe you will confirm this statement. Sold and guaranteed by Reynoldsville Hardware Co.

Gas Heating Stoves at \$1.75.

We are making a speciality of one size gas stoves. That is the reason we can sell them so cheap. They are put up in a good substantial manner and would compare favorably with stoves that other dealers sell for \$2.50 or 3.00. You cannot get a better heater for any money. UNION PLUMBING CO.

a
big favorite.

Price
\$3.50 and
\$4.00.

Examine as critically as you will the WALK-OVER shoe for men. Look at it from all sides and you will decide that it is unequalled as an all round, well made, stylish, perfect fitting shoe. It fits from the first time it is put on; it wears better because it fits better and because it is made of better material than any other shoe offered at the same price. It is justly called "THE SHOE OF SHOES."
